Ann Hoyt/Jim Easton JOAD Grant

The Ann Hoyt/Jim Easton JOAD Grant is made possible by archery legend, Ann Hoyt and current supporter of youth archery, Jim Easton. Through contributions from the Ann Hoyt Legacy Fund and the Easton Sports Development Foundation, JOAD Clubs can request funds for items such as target butts, stands, archery equipment, general supplies and coaching certifications.

This grant is donated monies administered by USA Archery and for specific purposes. This grant is not a loan. The money granted does not have to be repaid. This “free” money, however, is not without cost. Grantees (USAA JOAD Clubs) are required to plan programs, submit grant proposals, respond to inquiries, keep scrupulous records of finances and program participants, and produce written reports to the grantor (USAA) on finances, program goals, and accomplishments.

Type of Grants available from USAA

USA Archery will give out grants that will benefit USAA JOAD Clubs in good standing. These grants can be used for target butts, stands, archery equipment, general supplies and coach certifications.

Grant requests should not exceed $5,000. Applicants do not need to be a qualified 501(c) 3 organization in order to receive funding; however, they do need to be an active JOAD club in good standing. Requests may be submitted at any time. USAA will review grants once a quarter. Applications will be reviewed March 1st, June 1st, September 1st, December 1st. Applications must be submitted at least 15 days prior to these deadlines in order to be considered during the upcoming review.
