

BYLAWS OF THE UNITED STATES OLYMPIC & PARALYMPIC COMMITTEE

Effective as of January 1, 2020

SECTION 1

NAME, OFFICES, AND DEFINITIONS

Section 1.1 The Corporation. The name of this organization, incorporated by an Act of Congress (36 USC §§ 220501-220529) (the "Act"), will be the United States Olympic and Paralympic Committee (the "corporation"), and the corporation will be exempt from taxation within the meaning of Section 501(c)(3) of the Internal Revenue Code. To the extent that the Act refers to the corporation's "constitution and bylaws," such reference will be deemed to refer to this document (the "Bylaws"). By resolution passed at its meeting of June 20, 2019, the Board of Directors authorized the corporation to change its name from "United States Olympic Committee" to "United States Olympic & Paralympic Committee." As the corporation performs the several formal steps required to complete and confirm this change, all references to either of these names and to "USOC" and "USOPC" are intended to be functionally interchangeable and refer equally to the corporation and its rights and obligations.

Section 1.2 Business Offices. The principal office of the corporation is located at One Olympic Plaza, Colorado Springs, Colorado 80909. The registered office of the corporation may be, but need not be, the same as the principal office, and the address of the registered office may be changed from time to time by the Board.

Section 1.3 Definitions. As used in these Bylaws the term:

 - 2) any domestic amateur athletic competition or event organized and conducted by an NGB in its selection procedure and publicly announced in advance as a competition or event directly qualifying each successful competitor as an athlete representing the United States in a protected competition as defined in 1) above.

¹ This term is not intended to be limited to athletes or teams known as "national" teams of the United States. In the context of this definition, it is intended that any United States amateur sports organization that wishes to conduct or sponsor amateur athletic competition between United States amateur athletes, or teams of United States amateur athletes representing such organization and athletes or teams of amateur athletes representing a foreign country or institution, must obtain a sanction from the appropriate NGB. Correlatively, an NGB must sanction such international amateur athletic competition upon satisfaction by the applicant organization of the objective and nondiscriminatory sanction criteria set forth in Section 220525 of the Act. This definition is not intended to change the prevailing practices that vary from sport to sport with respect to sanctioning of regular "border" scholastic or collegiate competition between American and Canadian or Mexican educational institutions, nor is any provision in these Bylaws intended to authorize an NGB to designate or select (as distinct merely from certifying on request the eligibility or amateur status of) United States amateur athletes or a team of United States amateur athletes to participate in an international competition other than one involving a United States national team.

In addition, the corporation will abide by the World Anti-Doping Code. Pursuant to the authority granted by the IOC, IPC, and Panam Sports, the corporation will have exclusive jurisdiction to enter competitors who will represent the United States in the Olympic Games, the Paralympic Games, the Pan American Games, the ParaPan American Games and the Youth Olympic Games and to enforce in connection therewith the definition of an eligible athlete adopted by the IOC, IPC and Panam Sports. The corporation will be and remain autonomous from political influence in accordance with the Olympic Charter.

Section 2.2 Review of Mission Statement. The Board will review and assess the mission of the corporation on an ongoing basis, and in all events at least at the last regularly scheduled Board meeting at the end of the first year of each quadrennium, to ensure that it serves as an appropriate guide for strategic planning and decision making.

Section 2.3 Purposes. The purposes of the corporation are set forth in Section 220503 of the Act and will be reviewed and prioritized by the Board on an ongoing basis as part of an annual strategic planning process.

SECTION 3

THE BOARD

Section 3.1 General Powers. The business and affairs of the corporation will be overseen by the Board, except as otherwise provided in the Act or these Bylaws. The Board will have ultimate authority over the business, policies, affairs, and activities of the corporation, including, but not limited to, the authority:

- a) to elect independent members of the Board, following receipt of the recommendations of the Nominating and Governance Committee, and to elect the Chair;
- b) to remove the Chair or any other member of the Board or any Committee for cause or not for cause;
- c) to elect one member of the Board to act as, and be referred to internationally as, the President of U.S. Paralympics;
- d) to hire, fire, evaluate, and set the compensation for the CEO;
- e) to enact, amend, or repeal provisions of these Bylaws;
- f) to admit new members, to reclassify and to terminate the membership of members, as provided by these Bylaws;
- g) to receive and review the reports of the CEO and committees and task forces;
- h) to approve the selection of independent auditors;
- i) to maintain a culture of ethical behavior and compliance throughout the corporation;
- j) to achieve as much transparency in the operations of the corporation as is reasonably achievable and to keep the attendees at the Olympic and Paralympic Assembly and the stakeholders in the Olympic and Paralympic movements in the United States informed about the business and operations of the corporation; and
- k) to take such other action as is customary for a board of directors of a corporation.

Further, the Board will:

- a) set the strategic plan, budget and corporate performance measures;
- b) create policy direction for the CEO and staff on significant issues facing the corporation;
- c) monitor the financial reporting process and the legal and regulatory compliance program;
- d) set policy on capital structure, financial strategies, borrowing commitments and long range financial planning;
- e) monitor the corporation's assets to ensure that they are being properly protected;

- f) ensure that the Board is properly structured and is capable of acting in case of an unforeseen corporate crisis; and
- g) conduct an annual review of the corporation's performance and effectiveness and determine future actions required to achieve the corporation's mission.

The Board may seek assistance in these tasks from the committees it appoints, but the Board will remain ultimately responsible for ensuring these tasks are carried out appropriately.

Section 3.2 Composition and Voting. The composition of the Board will be as follows:

- a) five independent members ("independent directors") elected by the Board from among individuals recommended by the Nominating and Governance Committee pursuant to the process set out in Section 3.5 of these Bylaws;
- b) three members elected by the NGBC pursuant to the process set out in Section 3.5 of these Bylaws;
- c) three members elected by the AAC pursuant to the process set out in Section 3.5 of these Bylaws;
- d) two members elected by USOPA pursuant to the process set out in Section 3.5 of these Bylaws;
- e) the United States members of the IOC, who assume their positions as directors on the corporation's Board *ex officio* by virtue of, and for the same term as, their IOC membership;
- f) the United States members of the IPC Governing Board, who assume their positions as directors on the corporation's Board *ex officio* by virtue of, and for the same term as, their service on the IPC Governing Board;
- g) the Chair of USOPF, as a non-voting *ex officio* member; and
- h) the CEO of the corporation, as a non-voting *ex officio* member.

The IOC and IPC *ex officio* members will each have one vote, and the other voting directors will each have a vote equal to the number of IOC *ex officio* members who are at that time serving on the corporation's Board.

The Board member types and elections set out above were legislated in 2019 and made effective in 2020; they will be implemented in the first instance via elections to take place as current Board seat terms expire, with newly-legislated Board seats serving terms starting on January 1, 2021.

Board members will be entitled to participate in discussions and (except for non-voting members) vote on all issues presented to the Board as to which they do not have a conflict of interest. All Board members will disclose any actual or potential conflict of interest prior to participating in a discussion or vote on any matter pertaining to such conflict.

The Board will hold at least one executive session, during the last regularly scheduled Board meeting each year, at which the CEO, notwithstanding their status as a member of the Board, will not be present, specifically for the purpose of discussing the CEO's performance.

Section 3.3 Non-Independent Directors. The members of the Board elected by the AAC, USOPA, and the NGBC, together with the United States members of the IOC and of the IPC Governing Board, will collectively constitute a majority of the voting power of the Board.

Section 3.4 Independence. A director will not be considered an "independent director" for purposes of Section 3.2 of these Bylaws if, at any time during the two years preceding commencement of or during his or her term or position as a director:

- a) the director was employed by or held any paid position or any volunteer governance position with the corporation, a corporation-member sports governing body, the IOC, the IPC, an OCOG, Panam Sports, or ANOC;
- b) an immediate family member of the director was employed by or held any paid position or any volunteer governance position with the corporation, a corporation-member sports governing body, the IOC, the IPC, an OCOG, Panam Sports, or ANOC;
- c) the director was affiliated with or employed by the corporation's outside auditor or outside counsel;
- d) an immediate family member of the director was affiliated with or employed by the corporation's outside auditor or outside counsel as a partner, principal or manager; or
- e) the director held a paid position or any volunteer governance or leadership position with, the AAC, NGBC, USOPA, or the Multisport Organizations Council.

For the sake of clarity, and notwithstanding anything to the contrary contained herein, active involvement by an individual or an individual's immediate family member with, including, without limitation, as a member of the Board of Directors or officer of, the USOPF will not, in and of itself, undermine an individual's independence for purposes hereof.

A director will not be considered independent if at any time during the two years preceding commencement of or during his or her term or position as a director the director receives any compensation from the corporation, directly or indirectly. For purposes of this rule, compensation does not include reimbursement of out of pocket expenses incurred for the benefit of the corporation or receipt of any benefits, subsidies or payments generally available to athletes or elite athletes to support their training.

A director will not be considered independent if at any time during the two years preceding commencement of or during his or her term or position as a director the director is an officer, member of senior management, controlling shareholder, or partner of a corporation or partnership or other business entity that has a material business

relationship with the corporation and the director was/is directly involved in or oversees/oversaw the business relationship.

A director will not be considered independent if at any time during the two years preceding commencement of or during his or her term or position as a director the director or the director's spouse is an officer, employee, director, or trustee of a nonprofit organization to which the corporation or the U.S. Olympic Endowment makes payments in any year in excess of 5 percent of the organization's consolidated gross annual revenues, or \$100,000, whichever is less. The Ethics Committee also will administer standards concerning any charitable contributions to organizations otherwise associated with a director or any spouse or other family member of the director. The corporation will be guided by the interests of the corporation and its stakeholders in determining whether and the extent to which it makes charitable contributions.

The definitions of independence set out in this Section 3.4 for "independent directors" will also be used to determine whether an individual is independent for other purposes, as set forth in these Bylaws.

When the guidelines in this Section 3.4 do not address a particular relationship, the determination of whether the relationship is material, and whether a director is independent, will be made by the Nominating and Governance Committee if it concerns a person nominated or under consideration for selection to be a member of the Board or to be a member of the Ethics Committee or the Nominating and Governance Committee. If the issue concerns an individual who is already serving as a member of the Board, the Ethics Committee, or the Nominating and Governance Committee, the determination will be made by members of the Board who occupy the independent director seats on the Board (with the Board member whose independence is at issue not voting if the issue concerns a current member of the Board), after receiving the recommendation of the Nominating and Governance Committee.

The Nominating and Governance Committee may determine that, in its judgment, a director who does not meet these guidelines strictly nonetheless, under all the facts and circumstances, does not have a relationship with the corporation or any organization, entity, or individual associated with the corporation that would interfere with the perception or reality of the director's independent judgment, and that such a person may nevertheless be independent or an independent director under these Bylaws.

The Nominating and Governance Committee will review at least annually the independence of "independent directors" and others who are required by these Bylaws to be independent.

Section 3.5 Selection to the Board.

Section 3.5.1 Independent Board Members. When an independent Board seat is going to become available the Board may provide the Nominating and Governance

Committee with a written description of particular qualifications, skills and experiences the Board feels would be beneficial to the corporation in its next Board member, over and above the standing qualifications developed and maintained under Section 5.7.3(c) of these Bylaws. The Nominating and Governance Committee will solicit candidates from the Olympic and Paralympic community, including, without limitation, the AAC, the NGBC, the MSOC, USOPA, and the general public after disseminating the written director criteria referred to in Section 5.7.3(c) hereof. The committee will then review and, if appropriate, interview candidates for such Board seat and will recommend one candidate for the Board to consider in filling each available Board seat. Candidates proposed by the committee for consideration by the Board will be accompanied by a written description setting forth the committee's views regarding the qualifications, skills and experiences making each candidate a good selection for the Board. The Board will then, at a duly noticed meeting, vote upon each candidate so recommended by the committee. Election of new members to the Board will be by majority vote. The Board will accompany such vote with feedback on each candidate, either confirming the views of the committee or specifying any differing views of the Board. In the event the Board elects a candidate or candidates recommended by the committee, the views of the Board and the committee regarding the qualifications, skills and experiences that led the Board to elect such candidate(s) will promptly be made public. In the event the Board does not elect a candidate recommended by the committee, as soon as possible thereafter, the committee will provide the Board with an alternative candidate, again accompanied by a written description setting forth the committee's views regarding the qualifications, skills and experiences of the new candidate. This process will continue until the Board elects a candidate recommended by the committee and the open Board seat is filled.

Section 3.5.2 AAC, USOPA, NGBC Representatives. Each of the AAC, USOPA, and the NGBC will develop and maintain election procedures for their representatives on the Board. These procedures must be based on consultation with the Nominating and Governance Committee as set out in these Bylaws. The procedures must be codified in the organizations' bylaws in a form and with language approved by the Board in advance. All candidates for Board service must be qualified to serve under the terms of these Bylaws and pursuant to the director criteria referred to in Section 5.7.3.(c) hereof. In their elections of Board members the AAC will ensure that all AAC representatives on the Board are 10-Year-Rule Athletes, and that at least one AAC representative on the Board represents a Paralympic sport. When an AAC, USOPA, or NGBC representative seat on the Board is going to become available, the Nominating and Governance Committee will notify the electing organization so that it may timely conduct an election using the procedures referred to in this Section 3.5.2, and may provide the electing organization with specific information on current Board configuration and needs, including in the areas set out in Section 5.7.3.(d) of these Bylaws. The electing organization will provide this Nominating and Governance Committee-provided information verbatim to all voting members in advance of the relevant vote.

Section 3.6 Term for Directors.

Section 3.6.1 General. The term for each Board member is four years, subject to an overall term limit of two such four-year terms, except that:

- a) the term for the CEO will continue for so long as the CEO continues in that capacity and will terminate immediately upon termination of the CEO's employment as CEO;
- b) the term for the USOPF Chair will continue for so long as that person continues in that capacity and will terminate immediately upon expiration or termination in that role;
- c) the term for the United States members of the IOC will continue for so long as such persons continue in their capacity as United States members of the IOC and will terminate immediately upon termination of such IOC membership;
- d) the term for the United States members of the IPC Governing Board will continue for so long as such persons continue in their capacity as United States members of the IPC Governing Board and will terminate immediately upon termination of such IPC Governing Board service; and
- e) the term for the Chair will be as provided in Section 3.9.2 of these Bylaws

when a director is elected to fill a vacancy because of the resignation, removal, incapacity, disability or death of a director, (i) if the remaining term is for less than two years, then the director's service during such shortened term will not count towards the eight-year limitation described above; and (ii) if the remaining term is for between two and four years, then the director's service during such shortened term will count as four-years towards the eight-year limitation described above.

Section 3.6.2 Terms of Office to be Staggered. The terms of office of members of the Board (other than the *ex officio* Board members) will be staggered, with the aim that a roughly equal proportion of them) will be elected pursuant to these Bylaws every other year as contemplated in Section 3.6.3 of these Bylaws. The Secretary will maintain a list of Board members and their terms of office.

In order to better align Board member terms with these staggered term targets, which were established in 2019, the following one-time term adjustments will apply:

- a) The term of one of the two first USOPA-elected Board members will begin on January 1, 2021 and end on December 31, 2022;
- b) The term of one of the two first USOPA-elected Board member will begin on January 1, 2021 and end on December 31, 2024;

c) The term of one independent Board member will complete an open seat through December 31, 2022 and continue for an initial two-year term ending on December 31, 2024; such Board member may then stand for re-election for an additional four-year term starting on January 1, 2025.

Section 3.6.3 Term Completions. The Board members' staggered terms will end on December 31 of applicable even-numbered years and new Board members' terms of office will begin on January 1 of applicable odd-numbered years; provided, however, that each director will hold office until such director's successor will have been elected and qualified, or until such director's earlier death, disability, resignation, disqualification, incapacity or removal.

Section 3.7 Qualifications. Directors must be at least 18 years old and have the legal right to work in the United States without sponsorship, and should have the highest personal values, judgment, and integrity, as well as a commitment to Olympic and Paralympic ideals.

An individual is ineligible for a leadership role if s/he has:

- a) A felony conviction involving harm to a member of a vulnerable population such as children, elderly or individuals with a disability;
- b) A felony conviction for sexual abuse or assault of any kind;
- c) A felony conviction for a hate crime;
- d) Served a period of ineligibility for an Anti-Doping Rule Violation (ADRV) as determined by the World Anti-Doping Code; or
- e) Served a period of ineligibility for a SafeSport Code violation as defined by the U.S. Center for SafeSport or a National Governing Body

Any other felony conviction must be disclosed in advance of consideration for service as a Director and may be considered in evaluations. Any misdemeanor, suspension, or ineligibility from a sport or sport organization for rules violations or otherwise must also be disclosed for similar consideration. Leaders have an ongoing duty to disclose. If a potential or existing leader is under investigation for, or has been formally accused of, any of the above infractions, that individual may be asked to suspend his/her candidacy or leadership role until the investigation or accusation has been adjudicated.

The Ethics Committee or their designee will receive disclosures and resolving questions and disputes in eligibility and the application of these qualifications for service.

Section 3.8 Resignations/Vacancies/Removal. A director's position on the Board may be declared vacant upon the resignation, removal, incapacity, disability, disqualification or death of a director. Any director may resign at any time by giving written notice to the Secretary of the corporation. Such resignation will take effect at the

time specified therein, and unless otherwise specified therein, the acceptance of such resignation will not be necessary to make it effective. Directors will be removed by the Board if they fail to attend in person more than one half of the regular meetings of the Board during any 12 month period, unless they are able to demonstrate to the other members of the Board that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent director can be removed by a vote of the majority of the voting power of the directors then in office (not including the voting power of the absent director, who will not be eligible to vote on such matters). Directors may also be removed for cause at any duly noticed meeting of the Board, and after being provided an opportunity for the Board member to be heard by the Board, upon the affirmative vote of at least two-thirds of the voting power of the directors then in office (excluding the voting power of the director in question). Directors may also be removed not for cause at any duly noticed meeting of the Board upon the affirmative vote of at least three-fourths of the voting power of the directors then in office (excluding the voting power of the director in question). Any vacancy occurring in the Board will be filled as set forth for the election of that member of the Board. A director elected to fill a vacancy will be elected for the unexpired term of such director's predecessor in office. No director will be subject to removal based upon how they vote as a director, unless such voting is determined to be part of a violation of the Code of Conduct.

Section 3.9 The Chair.

Section 3.9.1 Duties. The Chair will:

- a) preside at all meetings of the directors;
- b) have primary responsibility for ensuring that the Board carries out its responsibilities under these Bylaws and applicable laws;
- c) appoint, with approval of the Board, Board members to Board committees as appropriate;
- d) work with the CEO on a cooperative basis as necessary to manage key international relationships (including, without limitation, by executing cooperation and other international agreements on behalf of the corporation as appropriate), with the allocation of international responsibilities between the CEO and the Chair to be determined by the Board in the event of a conflict between the two;
- e) be referred to internationally as the President of the U.S. Olympic & Paralympic Committee; and
- f) have and may exercise such powers and perform such other duties as may be specified in these Bylaws and/or assigned from time to time by the Board.

Section 3.9.2 Term. The Chair will be elected for a four-year term. Election of the Chair will be by majority vote of the voting power of the directors then in office. The Chair may serve a maximum of three four-year terms in total (i.e., the Chair may serve one additional four-year term over and above the two term general limit set out in Section 3.6.1 of these Bylaws.) The Chair will hold office until the Chair's successor will

have been duly elected and will have qualified, or until the Chairs' earlier death, resignation, disability, disqualification, incapacity or removal. For the sake of clarity, and notwithstanding the term limits set forth in Section 3.6.1 of these Bylaws, a director who is the Chair at the conclusion of his or her term as a member of the Board will be eligible to continue to serve as a director in his/her category of director (as specified in Section 3.2 of these Bylaws) and the Chair for consecutive four-year terms thereafter, subject to the total limit set out in this Section. Further, if a director serves for longer than eight total years by virtue of being the Chair, and is subsequently removed from the Chair position, such director will, unless the Board determines otherwise, complete his/her then current four-year term as a director.

Section 3.9.3 Compensation of the Chair. The Chair will not receive compensation for his or her services, but he/she will be reimbursed for reasonable expenses incurred by him/her in the course of performing his/her duties, subject to the expense reimbursement policies of the corporation.

Section 3.9.4 Removal. The Board may remove the Chair (for cause or not for cause) from serving as the Chair of the Board at any time prior to the expiration of the Chair's term as Chair. The Chair may be removed for cause by the affirmative vote of two-thirds of the voting power of the directors then in office (excluding the voting power of the Chair). The Chair may be removed not for cause by the affirmative vote of not less than three-fourths of the voting power of the directors then in office (excluding the voting power of the Chair). Removal from serving as Chair will not, in and of itself, constitute removal from the Board. Selection to serve as the Chair or as a director will not in itself create any contract rights.

Section 3.10 Regular Meetings. Regular meetings of the Board will be held in person at the time and place determined by the Board. The Board will hold a minimum of four regular meetings per calendar year, but it may hold additional regular meetings. At least one regular meeting of the Board will be held in association with the Olympic and Paralympic Assembly.

Section 3.11 Special Meetings. Special meetings of the Board may be called by or at the request of the Chair or at the request of directors holding a majority of the voting power of the directors then in office. The Chair may fix any appropriate place as the place for holding any special meeting of the Board, but special meetings may also be held in accordance with Section 3.12 of these Bylaws.

Section 3.12 Meetings by Telephone and Transacting Business by Other Means. Members of the Board or any committee thereof may participate in a meeting of the Board or committee by means of conference telephone or similar communications equipment by which all persons participating in the meeting can hear each other at the same time. Such participation will constitute presence in person at the meeting for purposes of a quorum and voting, but not for purposes of the attendance requirement in Section 3.8 of these Bylaws. The Board will have the power to transact its business by mail, e-mail, telephone, or facsimile, if in the judgment of the Chair the urgency of the

case requires such action; but if directors holding at least one-third of the voting power of the directors then in office indicate their unwillingness to decide such a matter in such manner, the Chair must call a meeting of the Board to determine the question at issue. Minutes of Board meetings may in all instances be voted upon for approval via e-mail, but if directors holding at least one-third of the voting power of the directors then in office express concerns about the minutes, the vote will be delayed until the matter can be discussed at the next meeting of the Board.

Section 3.13 Agenda. The agenda for a meeting of the Board will be set by the Chair of the Board, after consultation with the CEO. Any Board member and the Chairs of the NGBC, AAC, USOPA, and the Multisport Organizations Council may request that items be placed on the Board's agenda.

Section 3.14 Notice. Notice of each meeting of the Board, stating the place, day and hour of the meeting, along with the agenda and any supporting materials, will be given to each director at the director's business address (or such other address provided by the director for such purpose) at least five days prior thereto by the mailing of written notice by first class, certified or registered mail, or at least two days prior thereto by personal delivery of written notice or by telephonic, facsimile or electronically transmitted notice (and the method of notice need not be the same as to each director). If mailed, such notice will be deemed to be given when deposited in the United States mail, with postage thereon prepaid. If transmitted by facsimile or electronic transmission, such notice will be deemed to be given when the transmission is received. Any director may waive notice of any meeting before, at or after such meeting. The attendance of a director at a meeting will constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any meeting of the Board need be specified in the notice or waiver of notice of such meeting unless otherwise required by statute.

Section 3.15 Presumption of Assent. A director of the corporation who is present at a meeting of the Board at which action on any corporate matter is taken will be presumed to have assented to the action taken unless such director's dissent will be entered in the minutes of the meeting or unless the director will file a written dissent to such action with the person acting as the Secretary of the Board before the adjournment thereof or will forward such dissent by registered mail to the Secretary of the board immediately after the adjournment of the meeting. Such right to dissent will not apply to a director who voted in favor of such action.

Section 3.16 Quorum and Proxies. A simple majority of the voting power of the directors then in office will constitute a quorum for the transaction of business at any meeting of the Board, and the vote of a majority of a quorum will be the act of the Board. If less than a quorum is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice other than an announcement at the meeting, until a quorum will be present.

No director may vote or act by proxy at any meeting of directors.

Section 3.17 Action Without a Meeting. The Assembly Advisory Committee will consist of a representative from the Board, one representative each appointed by the NGBC, the AAC, USOPA, and the MSOC, and such other individuals as the CEO may determine in his or her discretion. The Assembly Advisory Committee will meet telephonically as and when deemed appropriate by the CEO, and the CEO will, in good faith, consider all recommendations made by the Assembly Advisory Committee prior to making any Assembly-related recommendations to the Board. The purpose of the work of the Assembly Advisory Committee will be to ensure that the Assembly is designed so as to facilitate communication between and among the Board, the CEO and senior management of the corporation, the three councils and their members, and other members of the Olympic and Paralympic community; and to advance the mission of the corporation. The Board will ultimately decide the time, place, and format of the Olympic and Paralympic Assembly based upon the recommendation of the CEO.

Section 7.3 Information to Assembly Attendees. The Board, in conjunction with the CEO, will provide information to the attendees at the Olympic and Paralympic Assembly on the affairs of the corporation, which will include information on the performance of the organization, the financial performance and well-being of the corporation, preparations for the Olympic, Paralympic and Pan American Games, achievement of the corporation's mission, and actions taken, results achieved, and programs being implemented by the corporation, or such other matters as are determined by the Board and/or CEO to be included.

Section 7.4 Communications with the Board. At the Olympic and Paralympic Assembly attendees will have an opportunity to provide information and to communicate with the Board and the CEO concerning the performance, policies and other matters related to the corporation. Such input will be advisory in nature and will not be deemed to direct the Board or the CEO to take or not take any particular action. The Olympic and Paralympic Assembly will not conduct or perform any governance functions.

Section 7.5 Board and Council Meetings. The Board, NGBC, AAC, USOPA, and Multisport Organizations Council will each also meet in association with the Olympic and Paralympic Assembly in the same geographic location.

SECTION 8

MEMBERS

Section 8.1 Board Authority. The Board has the power to elect properly qualified organizations to membership in each of the categories of membership listed in this Section 8, to transfer a member organization from one membership category to another and to terminate a member organization's membership. The Board will specify the date upon which the rights and duties of new and transferred members will become effective. If no date is specified, such rights and duties will become effective immediately.

Also, the Board has the power to certify qualified organizations as NGBs. Further, the Board has the power to review all matters relating to the continued certification of an NGB and may take such action as it considers appropriate, including, but not limited to, placing conditions upon the continued certification of an NGB, placing an NGB on probation, suspending an NGB or decertifying an NGB, provided that notice of any such proposed action will be given to the NGB.

Section 8.2 General Membership Requirements. Organizations eligible for membership will be those that take some active part in the administration of one or more sports or competitions on the program of the Olympic, Pan American or Paralympic Games, organizations that administer other sports that are widely practiced in the United States and organizations (patriotic, educational, or cultural) that are engaged in efforts to promote the participation in, or preparation for, amateur athletic competition. Organizations that are purely commercial or political in character are not eligible for membership.

Section 8.3 Olympic Sport Organizations. Eligibility for membership as Olympic Sport Organization will be limited to those amateur sports organizations that are recognized and certified by the corporation as the NGBs for sports that have competed on the program of the Olympic Games or competed in medal sports in the immediate past Olympic Games. The term "sports that have competed on the program" means sports that have been approved by the IOC to participate as medal sports at an upcoming Olympic Games. An Olympic Sport Organization that has participated in the immediate past Olympic Games is eligible to remain an Olympic Sport Organization until determined that it is not included on the program of the next Games. Each Olympic Sport Organization will be identified with a sport included on the program of the Olympic Games. In accordance with the IOC's Olympic Charter, the corporation will not recognize or certify more than one NGB in each sport. Olympic Sport Organizations will be United States members of IFs recognized by the IOC.

Section 8.4 Pan American Sport Organizations. Eligibility for membership as Pan American Sport Organizations will be limited to those amateur sports organizations that are recognized and certified by the corporation as the NGBs for sports that have competed on the program of the Pan American Games, but which are not competing at the Olympic Games. The term “sports that have competed on the program” means sports that have been approved by Panam Sports to participate as medal sports at an upcoming Pan American Games or competed as medal sports in the immediate past Pan American Games. A Pan American Sport Organization that has participated in the immediate past Pan American Games is eligible to remain a Pan American Sport Organization until determined that it is not included on the program of the next Games. Each Pan American Sport Organization will be identified with a sport included on the program of the next Pan American Games. In accordance with the IOC’s Olympic Charter, the corporation will not recognize or certify more than one Pan American Sport Organization in each sport. Pan American Sport Organizations will be United States members of IFs recognized by the IOC.

Section 8.5 Designation to Govern a Paralympic Sport. For any sport that is included on the program of the Paralympic Games, the corporation is authorized to designate, where feasible and when such designation would serve the best interest of the sport, and with the approval of the affected NGB, an NGB recognized under this Section 8 to govern such sport.

Section 8.6 Paralympic Sport Organizations. Eligibility for membership as a Paralympic Sport Organization will be limited to those amateur sports organizations that are recognized and certified by the corporation as the NGBs to govern a sport that is included on the program of the Paralympic Games. The term “sports that are included on the program” means sports that have been approved by the IPC to participate as medal sports at an upcoming Paralympic Games. A PSO, with the approval of the corporation, may govern more than one sport included on the program of the Paralympic Games. Subject to the terms of these Bylaws, any such PSO will comply with the criteria for NGBs applicable to Olympic and Pan American Sport Organization members, and will perform those duties, and have those powers that the corporation, in its sole discretion, determines are appropriate to meet the objects and purposes of the Act and these Bylaws. A PSO will be a member of each IF or International Sports Organization of the sport or sports it governs.

Section 8.7 NGB Certification Requirements. An Olympic, Pan American or Paralympic Sport Organization, in order to fulfill its membership obligations and to be considered a member in good standing with the corporation must cooperate with and satisfy all aspects of the corporation’s NGB Certification program. Any entity not so certified, and any entity decertified by the corporation will automatically be ineligible for membership.

These standards and the particular measures to be used in evaluating compliance with them will be set out in the corporation's NGB Certification Standards Policy approved by the Board and administered by the corporation's NGB Audit team.

Section 8.7.2 Certification Standards Exceptions. The corporation may provide limited exceptions to the foregoing standards as applied to an NGB that, as a result of its overall structure or other activities, cannot and need not reasonably be required to meet a particular standard. In the case of any such exceptions, the corporation will specify in writing the limited exceptions made and post the exceptions online for public access.

Section 8.7.3 Certification Audits. Every NGB must cooperate with and demonstrate its satisfaction of the certification requirements set out in these Bylaws and the corporation's NGB Certification Standards Policy as set out in the NGB Audit Procedures connected to that policy.

Section 8.7.4 Phased Initiation of Section 8.7 Requirements. The specific requirements of this Section 8.7 and the NGB certification program generally will be phased in during calendar 2020 and become fully binding on NGBs beginning in calendar 2021, based on specifics set out in the NGB Certification Standards Policy.

Section 8.8 Athlete Representation on NGB Boards and Committees. An Olympic or Pan American Sport Organization, in order to fulfill its membership obligations and to be considered a member in good standing with the corporation, will comply with the athlete representation requirements as set forth below.

Section 8.8.1 Representation on Boards and Designated Committees. Athlete representatives will equal at least 20 percent of all NGB boards of directors, executive boards, and other governing boards, as well as those committees that are "Designated Committees" within the meaning of these Bylaws. For purposes of these Bylaws, the phrase "Designated Committees" means nominating and budget committees, panels empowered to resolve grievances and committees that prepare, approve or implement programs in the following areas:

- a) expenditures of funds allocated to NGBs by the corporation; and
- b) selection of international, Olympic, Paralympic and Pan American Games Team members including athletes, coaches, administrators and sports staff.

If approved by the corporation, NGBs may use proportional or weighted voting to achieve the necessary level of athlete representation in extraordinarily large legislative bodies such as "Houses of Delegates" or "Boards of Governors."

Section 8.8.2 Standards. Athlete representatives on those NGB boards or committees described in Section 8.8.1 of these Bylaws will meet the following standards:

- a) at least one-half of the individuals serving as athlete representatives will have competed in the NGB's events or disciplines that are on the sport's program in the Olympic or Pan American Games;

- b) up to one-half of the individuals serving as athlete representatives may have competed in (i) an event or discipline not on the program of the Olympic or Pan American Games, provided that such event or discipline is recognized by the IF of the NGB or is regularly included in the international competition program of the IF, or (ii) the Paralympic Games, or an IPC-recognized World Championship in events on the Paralympic Games program; and
- c) at the time of election, all NGB athlete representatives will have demonstrated their qualifications as athletes by having:
 1. within the 10 years preceding election, represented the United States in the Olympic or Pan American Games, or an Operation Gold event, or a World Championship recognized by the NGB's IF for which a competitive selection process was administered by the NGB, or, in a team sport, an international championship recognized by the IF of the NGB; or
 2. within the 24 months before election, demonstrated that they are actively engaged in amateur athletic competition by finishing in the top half of the NGB's national championships or team selection competition for the events outlined in subparagraphs (1) or (2) or in a team sport, have been a member of the NGB's national team; or for the purposes of the standards outlined in this Section 8.8.2.b(ii) only, within the 10 years preceding election, represented the United States in the Paralympic Games, or an IPC-recognized World Championship in events on the Paralympic Games program.

Athlete representatives may not be drawn from events that categorize entrants in age-restricted classifications commonly known as "Juniors," "Masters," "Seniors," "Veterans" or other similarly designated age-restricted competition. This provision is not meant to exclude from eligibility athletes who compete in an event for which the IOC or an IF has established an age restriction but whom otherwise meet the standard set forth in this Section 8.8.2.

Section 8.8.3 Representation on Other Committees. Athlete representatives will also equal at least 20 percent of those NGB committees that are not Designated Committees, except that qualification as an "athlete representative" will be determined as follows:

- a) at least one-half of the individuals serving as athlete representatives will have competed in the NGB's events or disciplines that are on the sport's program in the Olympic or Pan American Games;
- b) up to one-half of the individuals serving as athlete representatives may have competed in (i) an event or discipline not on the program of the Olympic or Pan American Games, provided that such event or discipline is recognized by the IF of the NGB or is regularly included in the international competition program of the IF, or (ii) the Paralympic Games, or an IPC-recognized World Championship in events on the Paralympic Games program; and

- c) at the time of selection, all NGB athlete representatives under this Section 8.8.3 will have demonstrated their qualifications as athletes by having:
 1. within the 10 years preceding selection, represented the United States in the Olympic or Pan American Games, or an Operation Gold event, or a World Championship recognized by the NGB's IF for which a competitive selection process was administered by the NGB, or, in a team sport, an international championship recognized by the IF of the NGB; or the Paralympic Games, or an IPC-recognized World Championship in events on the Paralympic Games program; or
 2. within the 24 months before selection, demonstrated that they are actively engaged in amateur athletic competition; or
 3. for the purposes of the standards outlined in this Section 8.8.3.b.(ii) only, within the 10 years preceding selection, represented the United States in the Paralympic Games, or an IPC-recognized World Championship in events on the Paralympic Games program.

Athlete representatives may not be drawn from events that categorize entrants in age-restricted classifications commonly known as "Masters," "Seniors," "Veterans" or other similarly designated age-restricted competition. This provision is not meant to exclude from eligibility athletes who compete in an event for which the IOC or IF has established an age restriction but whom otherwise meet the standard set forth in Sections 8.8.2 or 8.8.3 of these Bylaws.

Section 8.8.4 Permissibility of Higher Standards. An NGB may set standards for its athlete representatives that are higher than those in Sections 8.8.2 and 8.8.3 of these Bylaws provided that such standards are not in conflict with the Act or these Bylaws.

Section 8.8.5 Direct Election by Athletes. Athlete representatives to an NGB's board of directors, executive committee, and other such governing boards as defined in Section 8.8.1 of these Bylaws will be directly elected by athletes who meet the standards set forth in Section 8.8.2 of these Bylaws. Athlete Representatives to all other NGB committees and task forces will be selected by the NGB with the approval of the athletes, or a representative group of athletes, who meet the standards set forth in Section 8.8.3 of these Bylaws.

Section 8.8.6 Application for Review. Any NGB may submit an Application for Review ("Application") to the CEO. The Application will set forth:

- a) the reasons why the NGB believes it cannot meet the requirements of this Section 8.8; and
- b) the NGB's proposed alternative plan for compliance with this Section 8.8, which should expand on the standards set forth in Sections 8.8.2 and 8.8.3 of these Bylaws only to the extent necessary to achieve the required 20 percent athlete representation.

If the Application is not approved by the CEO, the provisions of this Section 8.8 will apply. An NGB may appeal the decision of the CEO on the Application to a three-person panel composed of one individual appointed by the AAC Chair, one individual appointed by the NGBC Chair, and one individual appointed by the CEO.

Section 8.9 Community-Based Multisport Organizations. Eligible for membership as Community-Based Multisport Organizations will be those national amateur sports organizations in the United States that are not Armed Forces or Education-Based Multisport Organizations and meet one or more of the following criteria: (i) directly or indirectly conduct a national program or regular national amateur athletic competition in two or more sports that are included on the official program of the Olympic, Pan American or Paralympic Games on a level of proficiency appropriate for the selection of amateur athletes to represent the United States in unrestricted international amateur athletic competition; (ii) promote and encourage physical fitness and public participation in amateur athletic activities; (iii) encourage and provide assistance to amateur athletic activities for women and/or minorities; or (iv) encourage and provide assistance to amateur athletic programs and competition for amateur athletes with disabilities.

Section 8.10 Education-Based Multisport Organizations. Eligible for membership as Education-Based Multisport Organizations will be those sports organizations comprised of member educational institutions regularly conducting programs in sports that are included on the program of the Olympic and Pan American Games on a level of proficiency appropriate for the selection of amateur athletes to represent the United States in athletic competition and that base the eligibility of athletes upon enrollment in an educational institution sanctioned by a national accrediting body.

Section 8.11 Armed Forces Organizations. Eligible for membership as Armed Forces Organizations will be any branch of the armed services recognized by the United States Government.

Section 8.12 Recognized Sport Organizations. Eligible for membership as Recognized Sport Organizations will be those national amateur sports organizations (i) that are not eligible for membership as an Olympic, Pan American or Paralympic Sport Organization, (ii) that administer sports not considered to be disciplines of Olympic, Pan American or Paralympic sports, (iii) that are widely practiced in this and other countries and continents, and (iv) whose international sports federation is recognized by the IOC as administering a Recognized Sport. Additionally, such sports organizations will:

- a) comply substantially with Sections 220522 through 220525 of the Act;
- b) be incorporated as a not-for-profit organization in the United States;
- c) be recognized by the Internal Revenue Service as a tax exempt organization under the Internal Revenue Code;
- d) administer and support an annual national championship of athletes from several different areas or regions of the United States;

- e) have an active athlete training and competition program financially supported by self-generated funds;
- f) have participated with a full contingent in two of the last three World Championships as sanctioned by its appropriate IF; and
- g) satisfy such other requirements as are set forth by the corporation.

Section 8.13 Other Sport Organizations. Eligible for membership as Other Sport Organizations will be those national sports organizations in the United States not eligible to be recognized in any of the other categories of membership that meet one or more of the following criteria: (i) foster the development of amateur athletic facilities for use by amateur athletes and assisting in making existing amateur athletic facilities available for use by amateur athletes; (ii) provide and coordinate technical information on physical training, equipment design, coaching and performance analysis; (iii) encourage and support research, development and dissemination of information in the areas of sports medicine and sports safety; or (iv) are recognized by the Board in its discretion as organizations that should be included as attendees at the Olympic and Paralympic Assembly to advance the mission of the corporation.

Section 8.14 Dues. The Board will fix the amount of annual dues, if any, for each member organization of the corporation. Such dues will be fixed on an equitable basis and will be due and payable on the first day of January each year. A member's failure to pay its dues by the first day of February will suspend all membership privileges of the delinquent member, including participation in the Olympic and Paralympic Assembly, until all arrearages are paid. Membership will be terminated automatically if the delinquent member remains in arrears for dues by the first day of February of the next succeeding year.

Section 8.15 Attendance at the Olympic and Paralympic Assembly. USOPA and other organizations that meet the requirements for membership as Olympic, Paralympic or Pan American Sport Organizations, Community-Based Multisport Organizations, Education-Based Multisport Organizations, Armed Forces Organizations, Recognized Sport Organizations, or Other Sport Organizations will be entitled to attend the Olympic and Paralympic Assembly.

Section 8.16 Publication of Members. The corporation will publish on its website a list of its member organizations.

Section 8.17 General Procedures Applicable to Membership Matters. Except for changes in membership and recognition as an NGB as provided for in Sections 10 and 11 of these Bylaws, all questions relating to membership in the corporation including termination of membership status, will be decided by the Board, after a report by the CEO. In preparing his or her report to the Board, the CEO will solicit input from the affected constituent(s).

Section 8.18 Applications for Membership. An amateur sports organization that desires to become a member of the corporation, or that desires to transfer membership

from one membership group to another, will apply in writing to the corporation through the CEO. Applications made under this Section will be of sufficient detail to demonstrate that the applicant meets the criteria for membership in the group for which application is made. Prior to action by the Board on an application for membership, or for membership transfer, the CEO will submit a written report with recommendations to the Board showing the facts that relate to the proposed action. In the case of an application for membership as an Olympic, Pan American or Paralympic Sport Organization, prior to preparing his or her report to the Board, the CEO will hold at least two public hearings concerning the application for membership. The corporation will publish on its website, not less than 30 days or more than 60)days prior to the date of each hearing, a notice of the time, place, and nature of such hearing. The corporation will send written notice, which will include a copy of the application, at least 30 days prior to the date of any such public hearing to all amateur sports organizations in that sport that are known to the corporation. At such hearing, the CEO or the CEO's designee will afford both the applicant organization and any other interested parties an opportunity to comment on the merits of the application, and the CEO will summarize in the CEO's report to the Board the comments so received.

Section 8.19 NGB Compliance; Decertification. Any action by the corporation to decertify or otherwise suspend or revoke the membership of an Olympic, Pan American or Paralympic Sport Organization pursuant to the provisions of Section 220521(d) of the Act and Section 8.1 of these Bylaws will be taken at the initiative of the CEO and will be finally determined by the Board. Such action may be taken as a result of a compliance review undertaken by the corporation or pursuant to other information known to, or provided by a third party to, the corporation.

Section 8.19.1. NGB Compliance. The corporation's NGB Compliance team will oversee matters involving potential or actual failures of any NGB to comply with the certification and membership requirements in these Bylaws. The NGB Compliance team will work with the corporation's NGB Audit team and Dispute Resolution teams as well as other elements of the organization, to inform its work. In addition to prosecuting NGB decertification actions in support of the CEO, the NGB Compliance team may implement a consistent series of compliance steps for application across NGB compliance matters, and develop a standing set of recommended corporation compliance actions for application in particular matters. These may be published in corporation NGB compliance policies.

Section 8.190.2 Initiation of Decertification Action. The CEO, upon initiation of such an action, will (i) issue a complaint to the Olympic, Pan American or Paralympic Sport Organization setting forth the legal and factual basis of non-compliance or other deficiency, and (ii) the remedy requested. The CEO will also appoint an independent hearing panel of three individuals to hear the complaint. The hearing panel will consist of one member of the Board (who will chair the panel), one individual who is a member of the NGBC, and one individual who is a member of the AAC. The hearing panel will not include any individual having a direct interest, either personally or by virtue of organizational affiliation, in the outcome of the proceeding.

Section 8.19.3 Hearing. A hearing will be held at which the Olympic, Pan American or Paralympic Sport Organization will be given a reasonable opportunity to present factual evidence and legal argument regarding the allegations of the complaint. Upon conclusion of the hearing, the hearing panel will prepare a report to the Board on the organization's non-compliance or deficiency. The report will also include a recommendation as to the action to be taken by the Board.

Section 8.19.4 Report to the Board. The CEO will provide the hearing panel's report and recommendation, together with any report the CEO wishes to make, to the Board. The Olympic, Pan American or Paralympic Sport Organization will also be furnished with a copy of the hearing panel's report and recommendation, and with a copy of the CEO's report, if any. The Olympic, Pan American or Paralympic Sport Organization may also present a written report to the Board.

Section 8.19.5 Board Consideration. The Board will consider the matter relating to the Olympic, Pan American or Paralympic Sport Organization's certification and/or membership as soon as is practicable. The Board will not hold a further hearing on the matter, but will only be required to consider the reports and recommendations provided to it. The Board will then determine what action it will take concerning the Olympic, Pan American or Paralympic Sport Organization's membership and recognition. The action of the Board will be final and binding on the Olympic, Pan American or Paralympic Sport organization.

SECTION 9

ATHLETES' RIGHTS

Section 9.1 Opportunity to Participate. No member of the corporation may deny or threaten to deny any amateur athlete the opportunity to participate in the Olympic Games, the Pan American Games, the Paralympic Games, a World Championship competition, or other such protected competition as defined in Section 1.3 of these Bylaws nor may any member, subsequent to such competition, censure, or otherwise penalize, (i) any such athlete who participates in such competition, or (ii) any organization that the athlete represents. The corporation will, by all reasonable means, protect the opportunity of an amateur athlete to participate if selected (or to attempt to qualify for selection to participate) as an athlete representing the United States in any of the aforesaid competitions. In determining reasonable means to protect an athlete's opportunity to participate, the corporation will consider its responsibilities to the individual athlete(s) involved or affected, to its mission, and to its membership.

Any reference to athlete in this Section 9 will also equally apply to any coach, trainer, manager, administrator or other official.

Section 9.2 Manner of Filing a Complaint. Any athlete who alleges that s/he has been denied by a corporation member an opportunity to participate as established by Section 9.1 of these Bylaws, may seek to protect his or her opportunity to participate by filing a complaint with the CEO, with a copy to the corporation's legal division. A copy of the complaint will also be served on the respondent. The party filing the complaint will file with the corporation proof of service on the respondent. An athlete competing in a team sport, where the team as a whole is affected, may bring a claim on behalf of the team.

Section 9.3 The Complaint. The complaint must be in writing and filed on the form provided by the corporation. Such form will be set forth on the corporation's website. The complaint will contain at a minimum the following:

- a) the name and addresses of the parties;
- b) the factual and legal basis upon which the claimant alleges that his or her opportunity to participate has been denied;
- c) the competition that is the subject of the complaint; and
- d) the relief sought.

Section 9.4 Failure to Properly File. A complaint that is not filed in accordance with Sections 9.2 and 9.3 of these Bylaws will render the filing ineffective and the complaint will not be considered to have been properly filed.

Section 9.5 Administration. Complaints filed under this Section 9 will be administered by the corporation's dispute resolution team. When a complaint is filed,

the dispute resolution team will promptly notify the athlete Ombudsman and the Chair of the AAC of the complaint and confirm that the complaint has been served on the respondent.

Section 9.6 Action by the Corporation. Upon the filing of a complaint, the CEO, or his or her designee, and the Athlete Ombudsman will review the complaint, seek information from the parties as to the merits of the complaint, and determine whether the complaint can be informally resolved to the satisfaction of the parties. The parties will cooperate with the CEO, or his or her designee, in providing information regarding the complaint and in exploring resolution of the complaint.

Section 9.7 Arbitration. If the complaint is not settled to the athlete's satisfaction the athlete may file a claim with the arbitral organization designated by the corporation against the respondent for final and binding arbitration. If an impending competition requires immediate resolution of the complaint, an athlete may file a claim with the arbitral organization simultaneously with the filing of the complaint with the CEO.

The corporation has the right to participate in the arbitration proceeding, but it cannot be involuntarily joined by a party.

The arbitrator will render a reasoned award in writing. All such awards will be made public and may be published on the corporation's website.

Section 9.8 Affected Parties. In any arbitration brought pursuant to this Section 9, the athlete filing the claim will submit with the claim a list of all individuals the athlete believes may be adversely affected by the arbitration. The respondent will also promptly submit to the arbitrator a list of individuals it believes may be adversely affected by the arbitration, along with the relevant contact information for the individuals identified by the respondent and by the athlete. The arbitrator may also determine that individuals not listed by either the athlete or the respondent will be given notice. The arbitrator will then promptly determine which individuals must receive notice of the arbitration. The arbitrator will also approve the notice to be given. Unless determined otherwise by the arbitrator, the arbitrator will then be responsible for providing notice to those individuals. Any individual so notified of the claim, will have the option to participate in the arbitration as a party. If an individual is notified of the claim, then that individual will be bound by the decision of the arbitrator even though the individual chose not to participate.

Section 9.9 Expedited Procedures. Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the arbitrator will hear and decide the claim within 48 hours of the filing of the claim. In such case, the arbitrator is authorized to hear and decide the claim under such procedures as are necessary, but fair to the parties involved.

Section 9.10 Time Bar. A claim against a respondent will be prohibited unless filed with the arbitrator not later than six months after the alleged date of denial.

Section 9.11 Anti-Doping Violations. A decision concerning an anti-doping rule violation adjudicated by USADA is not reviewable through, or the subject of, these complaint procedures.

Section 9.12 SafeSport Violation. A decision concerning a SafeSport rule violation adjudicated by the USCSS is not reviewable through, or the subject of, these complaint procedures.

Section 9.13 Field of Play Decisions. The final decision of a referee during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the referee) is not reviewable through or the subject of these complaint procedures unless the decision is (i) outside the authority of the referee to make or (ii) the product of fraud, corruption, partiality or other misconduct of the referee. For purposes of this Section, the term “referee” includes any individual with discretion to make field of play decisions.

Section 9.14 Complaints Regarding Compliance. No action taken by an athlete under this Section 9 will preclude, or act as a bar, to the filing of a complaint by the athlete under Section 10 of these Bylaws.

SECTION 10

COMPLAINTS OF NON-COMPLIANCE AGAINST AN NGB

Section 10.1 Complaints of NGB Non-Compliance.

Section 10.1.1 Request for Corporation Compliance Action. Any amateur sports organization or person that belongs to, or is eligible to belong to, an NGB may ask the corporation to investigate and take any appropriate compliance action against such NGB to compel satisfaction of the requirements of Section 8 of these Bylaws and Sections 220522-220525 of the Act by making a request to the corporation's compliance division and providing full factual details and bases for the request. The corporation will consider any such request and inform the requestor if it will pursue direct compliance action including possible filing of a complaint under Section 8.20 of these Bylaws.

Section 10.1.2 Formal Complaint. In any case where the corporation declines to pursue direct compliance action under Section 10.1.1 hereof or where an amateur sports organization or person that belongs to, or is eligible to belong to, an NGB itself otherwise wishes to compel such NGB to comply with the requirements of Section 8 of these Bylaws and Sections 220522-220525 of the Act, such party may file a written complaint with the corporation's CEO, with a copy to the corporation's legal division, and serving the complaint on the applicable NGB. The party filing the complaint will file with the corporation proof of service on the NGB.

Section 10.2 The Complaint. The complaint will be in writing and signed by the individual or the chief executive officer of the group or organization making the complaint. The complaint will set forth the factual allegations in numbered paragraphs, each paragraph containing a single factual allegation, and will contain, at a minimum, the following:

- a) the names and addresses of the parties;
- b) the jurisdictional basis of the complaint;
- c) the efforts made to exhaust available remedies, or if such remedies
- d) have not been exhausted, the grounds upon which the complainant
- e) alleges that exhaustion would result in unnecessary delay;
- f) the alleged grounds of noncompliance;
- g) the supporting evidence or documentation forming the basis of the
- h) complaint; and
- i) the relief sought.

Section 10.3 Filing Fee. A complaint filed by an individual will be accompanied by a \$250 filing fee. A complaint filed by an organization will be accompanied by a \$500 filing fee. Such filing fee will be made payable to the corporation. The complainant may request that the filing fee be reimbursed for reasons of significant financial hardship or if

there is otherwise just cause. If such request is made, the hearing panel will determine whether or not to reimburse the filing fee.

Section 10.4 Failure to Properly File. A complaint that is not filed in accordance with Sections 10.2 and 10.3 of these Bylaws, or which is not accompanied by the designated filing fee as set forth in Section 10.3 of these Bylaws will render the filing ineffective and the complaint will not be considered to have been properly filed.

Section 10.5 Administration. Complaints filed under this Section 10 will be administered by the corporation's dispute resolution division.

Section 10.6 Hearing Panel. A complaint properly filed under this provision will be heard by a corporation hearing panel. The hearing panel will consist of a panel of three individuals appointed by the CEO. The hearing panel will consist of one member of the Board, one individual who is a member of the NGBC and one individual who is a member of the AAC. The CEO will also appoint the chair of the hearing panel. The hearing panel will not include any individual having a direct interest, either personally or by virtue of organizational affiliation, in the outcome of the proceeding.

If for any reason a hearing panel member is unable to perform his or her duties as a Panel member, and such vacancy occurs prior to commencement of a hearing on the merits, the CEO will appoint a substitute hearing panel member. If such vacancy occurs after commencement of the hearing, the remaining hearing panel members may continue with the hearing and render a decision on the complaint, unless the parties agree to have a substitute hearing panel member appointed.

Section 10.7 Communication with the Hearing Panel. No party and no one acting on behalf of any party will communicate directly with a hearing panel member unless the communication is simultaneously provided to all hearing panel members and parties involved.

Section 10.8 Mediation. At the request of a party, the hearing panel may adjourn the proceeding to allow for mediation of the complaint. The hearing panel will set a deadline for completion of the mediation. The CEO will appoint a mediator, after consultation with the parties. The mediator will not be a member of the hearing panel associated with the mediation.

Section 10.9 Conduct of the Proceeding. The hearing panel will have the authority to rule on all motions and other matters raised in the proceeding. The hearing panel will set such timelines and other rules regarding the proceeding, and the conduct of the hearing, as it deems necessary.

Section 10.10 Time Computation. In computing any period of time, the last day of the period so computed will be included, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not one of the aforementioned days. The parties may modify any period of time by mutual

agreement and consent of the hearing panel. The hearing panel may extend any period of time as it deems necessary.

Section 10.11 Exhaustion of Remedies. The complainant may file a complaint under this Section 10 only after exhausting all available remedies with the NGB for correcting deficiencies, unless it can be shown by clear and convincing evidence that those remedies would have resulted in unnecessary delay. The hearing panel will determine whether the complainant has exhausted his or her or its remedies within the applicable NGB. If the hearing panel determines that such remedies have not been exhausted, it may direct that such remedies be pursued before the hearing panel will further consider the complaint.

Section 10.12 Motion to Dismiss. If the respondent contends that jurisdiction of the complaint is improper, that the complainant has failed to exhaust available remedies, that there is some other procedural or jurisdictional defect that would preclude a hearing on the merits, or that the complaint fails to state a claim upon which relief can be granted, it may move to dismiss the complaint. Such motion to dismiss will set forth the grounds for dismissal and will be filed within 30 days after receipt of the complaint by the respondent. The complainant will be given the opportunity to submit papers in opposition to the respondent's motion to dismiss. The hearing panel will determine whether or not to have argument on the motion to dismiss.

Section 10.13 Answer. If no motion to dismiss is filed, the respondent will file an answer within 30 days after receipt of the complaint by the respondent. If the hearing panel finds against the respondent with respect to its motion to dismiss, the respondent will file an answer to the complaint within 30 days after the hearing panel issues its decision on the motion to dismiss. If no answer is filed within the stated time, the respondent will be deemed to have agreed with the claim.

Section 10.14 Preliminary Hearing. Either on its own directive or at the request of a party, the hearing panel may schedule a preliminary hearing with the parties. The preliminary hearing may be conducted by telephone at the hearing panel's discretion. During the preliminary hearing, the parties and the hearing panel will discuss the future conduct of the proceeding, including clarification of the issues and claims, a schedule for the hearing and any other preliminary matter.

Section 10.15 Exchange of Information. Either on its own directive or at the request of a party, the hearing panel may direct the production of documents and other information. Further, the hearing panel may require that the parties (i) identify any witnesses the parties intend to call at the hearing and (ii) exchange copies of all exhibits the parties intend to submit at the hearing. The hearing panel will set due dates for the exchange of such information. The hearing panel is authorized to resolve any disputes concerning the exchange of information.

Section 10.16 Recording the Proceedings. Proceedings may be recorded by a court reporter upon the request of a party. The party making the request will pay for the

services of the court reporter, or if the parties mutually agree, the cost may be equally divided between the parties. A party requesting a transcript will pay for the cost of the transcript. Any transcript ordered by a party will be made available to the hearing panel upon request of the panel.

Section 10.17 Hearing. Provided that the complaint is not dismissed, the hearing panel will hold a hearing on the merits of the complaint. The hearing panel will set such timelines and other rules regarding the hearing as it deems necessary.

At any hearing all parties will be given a reasonable opportunity to present oral or written evidence, to cross-examine witnesses, and to present such factual or legal claims as desired. Rules of evidence generally accepted in administrative proceedings will be applicable. The hearing panel will determine the admissibility, relevance, and materiality of the evidence offered and may exclude evidence it deems to be cumulative or irrelevant. The hearing panel will have the right to question witnesses or the parties to the proceeding at any time.

The burden of proof will be upon the complainant who will also initially have the burden of going forward with the evidence. The respondent will then have the burden of going forward with evidence in opposition to the complaint and in support of respondent's position.

The complainant must establish by a preponderance of the evidence that the NGB has failed to meet one or more of the criteria of Section 8 of these Bylaws and/or Sections 220522-220525 of the Act.

Section 10.18 Decision. A decision will be determined by a majority of the hearing panel. The hearing panel will issue a written reasoned decision of its findings. The decision will be made public and may be published on the corporation's website.

If the hearing panel determines that the NGB is in compliance with the requirements of Section 8 of these Bylaws and Sections 220522-220525 of the Act, it will so notify the Board, the complainant and such NGB.

If the hearing panel determines that the NGB is not in compliance with the requirements of Section 8 of these Bylaws and/or Sections 220522 –220525 of the Act, it will so notify the Board, the complainant and the NGB. Further, the hearing panel will make a recommendation to the Board either to place the NGB on probation or to decertify the NGB. However, if the hearing panel finds that the NGB's non-compliance can readily be rectified, then, prior to making a recommendation to the Board, the hearing panel may issue an order directing that the NGB take such action as is appropriate to correct the deficiency, and if such deficiency is corrected, the hearing panel may then make a finding of compliance.

Section 10.19 Action of the Board. Upon receipt of the hearing panel's notification of non-compliance, the Board will determine whether:

- a) to place the NGB on probation for a specified period of time, not to exceed 180 days, which it considers necessary to enable such NGB to comply with such requirements; or
- b) to decertify the NGB.

In making this determination the Board will consider the recommendation of the hearing panel, but is not bound by it.

Section 10.20 Probation. If an NGB is placed on probation, it will, at the conclusion of the probationary period, submit a report to the hearing panel as to whether or not it is in compliance. The hearing panel will then convene to consider the report.

If, after considering the report of the NGB, the hearing panel determines that such NGB is in compliance with the requirements of Section 8 of these Bylaws and Sections 220522-220525 of the Act, it will so notify the Board and the NGB.

If, after consideration of the report of the NGB, the hearing panel determines that such NGB is not in compliance with the requirements of Section 8 of these Bylaws and/or Sections 220522-220525 of the Act, it will so notify the Board and the NGB. If the hearing panel determines that the NBAs proven by clear and convincing evidence that, through no fault of its own, it needs additional time to comply with such requirements, the hearing panel may recommend to the Board that the probationary period be extended.

If, at the end of the probationary period allowed by the Board, the NGB has not complied with such requirements, the Board will decertify the NGB.

Section 10.21 Arbitration. There shall be no right of appeal to any other body of the corporation from a decision of the hearing panel or from a remedy imposed by the Board. Any party that considers itself aggrieved by a decision of the hearing panel on the merits of the complaint or by a remedy imposed by the Board may, within 30 days after such decision or imposition of remedy, file a demand for arbitration with the arbitral organization designated by the corporation. The corporation has the right to participate in the arbitration proceeding, but it cannot be involuntarily joined by a party.

A respondent shall be entitled in a demand for arbitration to raise any jurisdictional or procedural objection to the complaint raised in its original motion to dismiss, but determined against it by the hearing panel that considered the jurisdictional or procedural challenge.

The arbitrator shall render a reasoned award in writing. All such awards shall be made public and may be published on the corporation's website. The arbitral award shall be binding upon the parties, and unless the award is inconsistent with the terms of the Act, these Bylaws, or the rules of the IOC, upon the corporation.

SECTION 11

APPLICATION TO REPLACE AN NGB

Section 11.1 Manner of Filing the Application. Any amateur sports organization may seek to replace an incumbent as the NGB for a particular sport by filing with the corporation a written application for such recognition with the CEO, with a copy to the corporation's legal division. A copy of the application will also be served on the applicable NGB. The party filing the application will file with the corporation proof of service on the NGB.

Section 11.2 Multiple Applications. If two or more organizations file applications for the same sport, the applications will be considered in a single proceeding. Each applicant will serve a copy of its application on the other applicant, and will file with the corporation proof of such service.

Section 11.3 Filing Period. An application under this Section 11 must be filed (i) within the one-year period after the final day of any Olympic Games in the case of a sport for which competition is held in the Olympic Games or Paralympic Games, or in both the Olympic and Pan American Games, or (ii) within the one-year period after the final day of any Pan American Games in the case of a sport for which competition is held in the Pan American Games and not in the Olympic Games.

Section 11.4 The Application. The application will be in writing and signed by the chief executive office of the organization making the application. The application will set forth the factual allegations in numbered paragraphs, each paragraph containing a single factual allegation, and will contain at a minimum the following;

- a) the names and addresses of the parties;
- b) the jurisdictional basis of the challenge; and
- c) the factual basis upon which, pursuant to the criteria of Section 8 of these Bylaws and Sections 220522-220525 of the Act, the applicant claims that it should replace the respondent;

A copy of the applicant's corporate formation and governance documents must be appended to the application.

Section 11.5 Filing Fee. An application filed by an applicant will be accompanied by a 500 dollar filing fee. Such filing fee will be made payable to the corporation.

Section 11.6 Failure to Properly File. An application that is not filed in accordance with Sections 11.1 through 11.4 of these Bylaws, and which is not accompanied by the designated filing fee as set forth in Section 11.5 of these Bylaws will render the filing ineffective and the application will not be considered to have been properly filed.

Section 11.7 Administration. Applications filed under this Section 11 will be administered by the corporation's dispute resolution division.

Section 11.8 Hearing Panel. An application properly filed under this provision will be heard by a corporation hearing panel. The hearing panel will consist of three individuals appointed by the CEO. The hearing panel will consist of one individual who is a member of the Board, one individual who is a member of the NGBC or Multisport Organizations Council, and one individual who is a member of the AAC. The CEO will also appoint the chair of the hearing panel. The hearing panel will not include any individual having a direct interest, either personally or by virtue of organizational affiliation, in the outcome of the proceeding.

If for any reason a hearing panel member is unable to perform his or her duties as a panel member, and such vacancy occurs prior to commencement of a hearing on the merits, the CEO will appoint a substitute hearing panel member. If such vacancy occurs after commencement of the hearing, the remaining hearing panel members may continue with the hearing and render a decision on the application, unless the parties agree to have a substitute hearing panel member appointed.

Section 11.9 Communication with the Hearing Panel. No party and no one acting on behalf of any party will communicate directly with a hearing panel member unless the communication is simultaneously provided to all hearing panel members and parties involved.

Section 11.10 Mediation. At the request of a party, the hearing panel may adjourn the proceeding to allow for mediation of the application. The hearing panel will set a deadline for completion of the mediation. The CEO will appoint a mediator, after consultation with the parties. The mediator will not be a member of the hearing panel. The parties will bear all costs associated with the mediation.

Section 11.11 Conduct of the Proceeding. The hearing panel will have the authority to rule on all motions and other matters raised in the proceeding. The hearing panel will set such timelines and other rules regarding the proceeding, and the conduct of the hearing, as it deems necessary.

Section 11.12 Time Computation. In computing any period of time, the last day of the period so computed will be included, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day that is not one of the aforementioned days. The parties may modify any period of time by mutual agreement and consent of the hearing panel. The hearing panel may extend any period of time as it deems necessary.

Section 11.13 Motion to Dismiss. If the respondent contends that jurisdiction of the application is improper, that there is some other procedural or jurisdictional defect that would preclude a hearing on the merits, or that the application fails to state a claim

upon which relief can be granted, it may move to dismiss the application. Such motion to dismiss will set forth the grounds for dismissal and will be filed within 30 days after receipt of the application by the respondent.

The applicant will be given the opportunity to submit papers in opposition to the respondent's motion to dismiss. The hearing panel will determine whether or not to have argument on the motion to dismiss.

Section 11.14 Answer. If there is no motion to dismiss, the respondent will file an answer within 30 days after receipt of the application by the respondent. If the panel finds against the respondent with respect to its motion to dismiss, the respondent will file an answer to the application within 30 days after the hearing panel issues its decision on the motion to dismiss. If no answer is filed within the stated time, the respondent will be deemed to have agreed with the claim.

Section 11.15 Preliminary Hearing. Either on its own directive, or at the request of a party, the hearing panel may schedule a preliminary hearing with the parties. The preliminary hearing may be conducted by telephone at the hearing panel's discretion.

During the preliminary hearing, the parties and the hearing panel should discuss the future conduct of the proceeding, including clarification of the issues and claims, a schedule for the hearing and any other preliminary matter.

Section 11.16 Exchange of Information. Either on its own directive, or at the request of a party, the hearing panel may direct the production of documents and other information. Further, the hearing panel may require that the parties (i) identify any witnesses the parties intend to call the hearing, and (ii) exchange copies of all exhibits the parties intend to submit at the hearing. The hearing panel will set due dates for the exchange of such information. The hearing panel is authorized to resolve any disputes concerning the exchange of information.

Section 11.17 Recording the Proceedings. Proceedings may be recorded by a court reporter upon the request of a party. The party making the request will pay for the services of the court reporter, or if the parties mutually agree, the cost may be equally divided between the parties. A party requesting a transcript will pay for the cost of the transcript. Any transcript ordered by a party will be made available to the hearing panel upon request of the panel.

Section 11.18 Hearing. Provided that the application is not dismissed, the hearing panel will hold a hearing on the merits of the application. The hearing panel will set such timelines and other rules regarding the hearing as it deems necessary.

The corporation will publish notice of the time and place of such hearing on its website at least 30 days, but not more than 60 days, prior to the date of the hearing. The parties, at the direction of the hearing panel, will send written notice, including a copy of the application, at least 30 days prior to the date of the hearing to all amateur

sports organizations known to the parties in that sport. The hearing will be open to the public.

At any hearing each party will be given a reasonable opportunity to present oral or written evidence, to cross-examine witnesses, and to present such factual or legal claims as desired. Rules of evidence generally accepted in administrative proceedings will be applicable. The hearing panel will determine the admissibility, relevance, and materiality of the evidence offered and may exclude evidence deemed by the hearing panel to be cumulative or irrelevant. The hearing panel will have the right to question witnesses or the parties to the proceeding at any time.

The burden of proof will be upon the applicant who will also initially have the burden of going forward with the evidence. The respondent will then have the burden of going forward with evidence in opposition to the challenge and in support of respondent's position.

The applicant must establish by a preponderance of the evidence that:

- a) it meets the criteria for recognition and certification as an NGB under Section 220522 of the Act; and
- b) (i) the NGB does not meet the criteria of Section 8 of these Bylaws or Sections 220522-220525 of the Act, or (ii) the applicant more adequately meets the criteria of Section 220522 of the Act, is capable of more adequately meeting the criteria of Section 8 of these Bylaws and Sections 220523-220524 of the Act, and provides, or is capable of providing, a more effective national and international program of competition than the NGB in the sport for which it seeks recognition.

Section 11.19 Decision. A decision will be determined by a majority of the hearing panel. The hearing panel will issue a written reasoned decision of its findings. The decision will be made public and may be published on the corporation's website.

If the hearing panel determines that such NGB should continue as the NGB for its sport the hearing panel will so notify the Board, the applicant and such NGB.

If the hearing panel determines that such NGB would have retained recognition and certification except for a minor deficiency in one of the requirements of Section 8 of these Bylaws or Sections 220522-220525 of the Act, the hearing panel will so notify the Board, the applicant and the NGB. The hearing panel will also make a recommendation to the Board to place the NGB on probation for a specified period of time not to exceed 180 days, pending compliance by the NGB.

If the hearing panel determines that the recognition and certification of such NGB should be revoked, it will so notify the Board, the applicant, and such NGB. Further, the hearing panel will make a recommendation to the Board either to (i) declare a vacancy in the NGB for that sport, or (ii) recognize and certify the applicant as the NGB.

Section 11.20 Action of the Board. Upon receipt of the hearing panel's notification (i) that the NGB would have retained recognition and certification except for a minor deficiency, or (ii) that the NGB's recognition and certification should be revoked, the Board will convene and determine whether:

- a) to place such NGB on probation for a specified period of time not to exceed 180 days, which it considers necessary to enable such NGB to comply with such requirements; or
- b) to decertify and revoke the recognition of such NGB and declare a vacancy in the NGB for that sport; or
- c) to decertify and revoke the recognition of such NGB and recognize the applicant as the NGB for that sport.

In making its determination, the Board will consider the recommendation of the hearing panel, but is not bound by it.

Section 11.21 Probation.

If an NGB is placed on probation, it will, at the conclusion of the probationary period, submit a written report to the hearing panel as to whether or not it is in compliance. The NGB will provide a copy of that report to the applicant. The hearing panel will then convene to consider the report.

If, after considering the report of the NGB, the hearing panel determines that such NGB is in compliance with the requirements of Section 8 of these Bylaws and Sections 220522-220525 of the Act, the hearing panel will so notify the Board, the applicant, and the NGB.

If, after consideration of the report of the NGB, the hearing panel determines that such NGB is not in compliance with the requirements of Section 8 of these Bylaws or Sections 220522-220525 of the Act, the hearing panel will so notify the Board, the applicant, and the NGB.

If, at the end of the probationary period allowed by the Board, the NGB has not complied with such requirements, the Board will decertify and revoke the recognition of such NGB and either (i) recognize and certify the applicant as the NGB or (ii) declare a vacancy in the NGB.

Section 11.22 Arbitration. There will be no right of appeal to any other corporation body from a decision of the hearing panel or from a remedy imposed by the Board. Any party that considers itself aggrieved by a decision of the hearing panel on the merits of the hearing panel's decision concerning the application or by a remedy imposed by the Board may, within 0 days after such decision or imposition of remedy, file a demand for arbitration with the arbitral organization designated by the corporation.

The corporation has the right to participate in the arbitration proceeding, but it cannot be involuntarily joined by a party.

A respondent will be entitled in a demand for arbitration to raise any jurisdictional or procedural objection to the application raised in its original motion to dismiss, but determined against it by the hearing panel that considered the jurisdictional or procedural challenge.

The arbitrator will render a reasoned award in writing. All such awards will be made public and may be published on the corporation's website.

The arbitral award will be binding upon the parties thereto, and unless the award is inconsistent with the terms of the Act, these Bylaws, or the rules of the IOC, upon the corporation.

Section 11.23 Replacement of NGB. If the Board upholds the application of an amateur sports organization to replace the incumbent as the NGB and there is no appeal, or if there is an appeal and the final arbitration award upholds the application of an amateur sports organization to replace the incumbent as the NGB:

- a) such applicant organization will be deemed elected to membership in the corporation, and the membership of the incumbent will be deemed terminated without further action of the Board; and
- b) The incumbent will cease to exercise the authority of an NGB as specified in Section 220523 of the Act.

The Board will, within 60 days after such award, recommend and support in any appropriate manner the new NGB to the appropriate international sports federation or organization for recognition by such federation or organization as the United States NGB in that sport, any provision to the contrary in Section 10 of these Bylaws notwithstanding. Such action will include, without limitation, formally advising such federation or organization of the decision of the Board and recommending acceptance of such action by the federation or organization.

In the event that there is a significant delay in the acceptance of the new NGB as the United States member in such international federation or organization, the Board will take any and all steps that may be necessary to protect the right of United States athletes to participate in international amateur athletic competition.

SECTION 12

All member organizations will comply with the requirements of the Code, when representing the corporation or participating in corporation activities or events. Section 12.10 Member Organizations and Bid Cities. The corporation will encourage its member organizations (except that NGBs are required to comply with Section 8.7(d) of these Bylaws) and will require any bid city organizations to implement procedures that comply with the requirements of Sections 12.3 through 12.9 of these Bylaws.
