

# 2020-2021 Collegiate Solidarity Campaign Roadmap

Throughout the 2020-2021 academic year, OMH/PMH campaign participants are invited to socially activate in a manner that makes sense for them. The USOPC will provide graphics for each coordinated (indicated in gold below) social post; schools/conferences, athletes and NGBs are encouraged to celebrate any additional milestones outlined below with #OlympiansMadeHere or #ParalympiansMadeHere.

\* Please note the trials indicated above are dates that have been confirmed and made public. A full list of trials will be available in 2021.
