Steve McNally
Executive Director
USA Taekwondo

Dear Steve,

During the second and third quarter of 2017, Baker Tilly Virchow Krause (Baker Tilly) performed a SafeSport audit of USA Taekwondo (USAT). The purpose of this follow-up review is to report on the status of recommendation from the SafeSport audit of USAT dated October 2017. Our methodology was limited to communication with USAT and a review of various policies provided by the organization. The Audit Division did not perform additional audit work to verify action was taken. However, SafeSport will continue to be tested during the routine audit process.

The review found that the recommendation was implemented and is considered closed. Overall, USAT was prompt to implement the recommendation made in the SafeSport audit.

We thank you and your staff for assisting in this follow-up review.

Sincerely,
