Jeff Dyrek
Chief Executive Officer
USA Badminton

Dear Jeff,

During the second and third quarter of 2017, Baker Tilly Virchow Krause (Baker Tilly) performed a SafeSport audit of USA Badminton (USAB). The purpose of the follow-up review is to report on the status of recommendation from the SafeSport audit of USAB dated October 2017. Our methodology was limited to communication with USAB and a review of various policies provided by the organization. The Audit Division did not perform additional audit work to verify action was taken. However, SafeSport will continue to be tested during the routine audit process.

The review found that the recommendation was implemented and is considered closed. Overall, USAB was prompt to implement the recommendations made in the SafeSport audit.

We thank you and your staff for assisting in the follow-up review.

Sincerely,
