Mike McAtee
Chief Executive Officer
USA Boxing

Dear Mike,

During the second and third quarter of 2017, Baker Tilly Virchow Krause (Baker Tilly) performed a SafeSport audit of USA Boxing. The purpose of this follow-up review is to report on the status of the recommendation from the SafeSport audit of USA Boxing dated October 2017. Our methodology was limited to communication with USA Boxing and a review of the updated SafeSport Handbook provided by the organization. The Audit Division did not perform additional audit work to verify action was taken. However, SafeSport will be tested during the routine audit process going forward.

The review found the recommendation was implemented and is considered closed. USA Boxing was prompt to implement the recommendation in the SafeSport audit.

We thank you and your staff for assisting in this follow-up review.

Sincerely,
