USA Bobsled/Skeleton
Lake Placid, NY

**Technician/Mechanic/Fabricator/Team support**

USA Bobsled/Skeleton (USABS) is the national governing body for the sports of bobsled and skeleton in United States, and a member of the United States Olympic Committee (USOC). USABS represents our country at the highest levels of international competition, striving to win medals using our mission, vision and values.

We are seeking to fill the position of full-time technician. This position will be responsible for the repair and maintenance of bobsleds and all associated equipment.

This position will be an integral part of the team and travel on the one of the International Bobsled and Skeleton Federation tours; World Cup, North American Cup, European Cup, and/or Development program. In season, the candidate will work alongside the coaches, staff and athletes in the preparation of the bobsleds for training, testing and competition. Off season will be dedicated to repair, maintenance, and new technology design and implementation. Skills sought are mechanical aptitude, composite layup and repair, welding, fabricating, alignment, bodywork, etc.

Health insurance provided, vision, and dental insurance are available as well as a Simple IRA retirement program. Competitive salary will be based on level of experience.

Interested candidates should forward their resume to Richard.Laubenstein@USABS.com
