On September 11, 2007 the Hearing Panel issued an Order requiring that the Parties provide additional information to the Panel. The Parties were to submit the required information by September 25, 2007. On September 13, 2007 USA Badminton (“USAB”) requested that because of travel commitments of USAB’s legal counsel and Executive Director, the date of submission be extended to October 8, 2007. Fogarty has not objected to USAB’s request.

Therefore, the Hearing Panel amends its Order of September 11, 2007 to provide that both Parties shall make their submissions by October 8, 2007. All other aspects of the September 11 Order remain unchanged.
