AAA CASE NO. 30 190 00060 00)

CLOSING ORDER

I have been notified by counsel for the Claimants in this matter that each Claimant has resolved her dispute with ASA and has withdrawn her claim. These resolutions make it appropriate that the pending remedial order of reselection in the Award dated May 30, 2000 be vacated and I hereby do so. In light of the withdrawal of the claims, I am without any further jurisdiction in this matter and this arbitration is closed. The outstanding fees of the Arbitrator and of the American Arbitration Association are to be paid by ASA.

DATED: September 6, 2000

Respectfully submitted,

Sara Adler, Arbitrator
