1. Chef de Mission – London

Mr. Probst explained to the Board that the purpose of the call was to discuss the Chef de Mission position for the London Olympic Games. Mr. Blackmun reminded the Board of the events that had occurred leading to the resignation of Peter Vidmar and confirmed his belief in Mr. Vidmar’s character. Mr. Blackmun noted that Mr. Vidmar had resigned to ensure that he did not become a distraction for US athletes at the London Olympic Games.

Mr. Blackmun asked Ms. Gamez to explain to the Board the general function of and basic expectations for the Chef position, with particular focus on how the volunteer in the position would interplay with USOC staff. Mr. Plant explained his thoughts on the position based upon his experience as the Chef in Vancouver.

Mr. Blackmun next advised the Board of several possible candidates being considered for the position. A discussion then occurred regarding the potential candidates. The Board was generally impressed with all of the possible candidates, noting that it was a very strong group.

Following the discussion, the Board expressed its unanimous support for the USOC exploring the possibility of Teresa Edwards being Chef de Mission. The Board directed that Mr. Probst, Mr. Plant, Mr. Blackmun and USOC staff further discuss the matter with Ms. Edwards, and confirmed that if Mr. Probst, Mr. Plant and Mr. Blackmun were satisfied that Ms. Edwards was the right choice, she should be named as Chef.
