The President is an employee of the USOC and is subject to the same compensation analysis and approval process as all other USOC key employees, and the USOPF Board of Directors does not directly conduct the process for determining appropriate compensation of the President. The process includes, but is not limited to, utilizing nationally and regionally available independent salary survey data and economic conditions data to establish the salary range for the position. Final determination of the salary range may also take into account available data regarding salaries paid for similar jobs in the marketplace as well as internal equity considerations. The compensation amounts and policies are presented to an independent Compensation Committee of the USOC Board of Directors and management for approval.
