Further, the Board may establish such rules and procedures for the amount, manner and method of payment of dues, the collection of delinquent dues and the proration or refund of dues, as the Board shall deem necessary or appropriate. No privilege of membership shall be available until all membership requirements are satisfied and all dues are paid in full.

Section 5.4. Safe Sport and Anti-Doping Obligations of Members

All members must comply with all applicable policies, rules, and regulations of the Corporation, the Center, and the USOPC. These include, without limitation, all athlete safety and Safe Sport policies. All members, as a condition of membership, submit to the jurisdiction of the Center.

All members must comply with all applicable policies, rules, and regulations of USADA, WADA, and the Fédération Internationale de Natation (“FINA”), including without limitation the USADA Protocol for Olympic and Paralympic Movement Testing and the USOPC’s National Anti-Doping Policy. All members, as a condition of membership, submit to the jurisdiction of USADA and WADA.

It is the duty of individual members of the Corporation to comply with all anti-doping rules of WADA, FINA, the USOPC including the USOPC National Anti-Doping Policy, and of USADA, including the USADA Protocol for Olympic and Paralympic Movement Testing (the “USADA Protocol”) and all other policies and rules adopted by WADA, FINA, the USOPC and USADA. Athlete members agree to submit to drug testing by FINA and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension. If it is determined that an individual member may have committed a doping violation, the member agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of the FINA, if applicable or referred by USADA.

It is the duty of all Athletes, Athlete Support Personnel and other Persons (as those terms are defined in the World-Anti Doping Code), by virtue of their participation in the Olympic, Paralympic, Pan American, Parapan American or Youth Olympic Games, participation in an Event or Competition organized or sanctioned by an NGB, PSO or HPMO, participation on a national team, utilization of a USOPC Training Center, receipt of benefits from the USOPC or the Corporation, inclusion in the Registered Testing Pool, or otherwise subject to the World Anti-Doping Code to comply with all anti-doping rules of WADA, FINA, the USOPC, and USADA, including the USADA Protocol and all other policies and rules adopted by WADA, FINA and USADA. If it is determined that an Athlete, Athlete Support Personnel, or other Person may have committed a doping violation, the individual agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of FINA, if applicable or referred by USADA. In addition, Athletes agree to submit to drug testing by the FINA and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension.

Section 5.5. Termination of Membership & Interim Measures

The Corporation may terminate a member’s membership or impose interim measures, including suspension, at any time with cause, as determined by the Board of Review or the Board of Directors. ARTICLE 6 BOARD OF DIRECTORS

Section 6.1. General Powers

Except as otherwise provided in the Act and these Bylaws, all corporate powers shall be exercised by or under the authority of, and the business and affairs of the Corporation shall be managed by, its Board of Directors.

Section 6.2. Function of the Board

The Board of Directors will provide guidance and strategic direction for the Corporation. The Board of Directors shall oversee the management of the Corporation and its affairs, but it does not manage the day-to-day activities of the Corporation. The Board of Directors shall select a well-qualified President and diligently oversee the President in the operation of the Corporation. The Board of Directors shall focus on long-term objectives and impacts rather than on day-to-day management, empowering the President to manage a staff-driven organization with effective oversight by the Board of Directors. In addition, the Board of Directors performs the following specific functions:

- a. implements procedures to orient new directors, to educate all directors on the business and governance affairs of the Corporation, and to evaluate Board performance;
- b. selects, compensates, evaluates and may terminate the President;
- c. plans for management succession;
- d. reviews and approves the Corporation's strategic plan and the annual operating plans, budget, business plans, and corporate performance;
- e. sets policy and provides guidance and strategic direction to management on significant issues facing the Corporation;
- f. reviews and approves significant corporate actions;
- g. reviews and approves the Code of Conduct and the Corporation's Technical Rules of Diving (the "Rules");
- h. oversees the financial reporting process, communications with stakeholders, and the Corporation's legal and regulatory compliance program;
- i. oversees effective corporate governance;
- j. approves capital structure, financial strategies, borrowing commitments, and long-range financial planning;
- k. reviews and approves financial statements, annual reports, financial and control policies, and, upon the recommendation of the Finance and Audit Committee, selects independent auditors;
- l. monitors to determine whether the Corporation's assets are being properly protected;
- m. monitors the Corporation's compliance with laws and regulations and the performance of its broader responsibilities;

- n. ensures that the Board and management are properly structured and prepared to act in case of a corporate crisis; and
- o. ensures that the Corporation adopts and maintains athlete safety rules, policies and procedures that comply with the requirements of the Ted Stevens Act, the USOPC, and the Center.

Section 6.3. Qualifications

Each director of the Board must be a citizen of the United States and eighteen (18) years of age or older, except in the case of an eligible athlete director. A director need not be a resident of the state of Ohio.

A director shall (i) have the highest personal and professional integrity, (ii) have demonstrated exceptional ability and judgment, and (iii) be effective, in conjunction with the other directors, in collectively serving the long-term interests of the Corporation. Each director shall have passed a background check, completed Safe Sport education and training, and have no record of Safe Sport violations. Directors shall possess the highest personal values, judgment and integrity, understand athletic competition and the Olympic ideals, and have diverse experience in business, finances, legal, marketing, education and other areas of importance to the Corporation. Directors shall have a high level of experience and capability in Board oversight responsibilities. Directors should also have demonstrated a history of success in one or more areas of importance to the Corporation, including in the areas of finance, law, marketing, fundraising, education, audit, management, communications, child welfare and sport.

Section 6.4. Number

The Board of Directors shall consist of fifteen (15) directors, at least eight (8) of whom shall be unaffiliated directors, at least five (5) of whom shall be athlete directors, one (1) of whom shall be elected by the coach members and competition coach members from among those members, and one (1) of whom shall be elected by the Allied Organizations Committee from among the members of that committee.

Section 6.5. Election

The Corporation's Board of Directors shall be elected as follows:

- a. *Unaffiliated Directors.* The Board of Directors shall elect eight (8) directors from among individuals considered to be unaffiliated, as that term is defined in Section 6.6.
- b. *Athlete Directors.* At least one third of the total number of directors shall be athlete directors. The Corporation's representative and alternate to the USOPC AAC shall be two of the athlete directors. The remaining athlete directors shall be directly elected by 10 Year Athletes.

No less than twenty percent (20%) of the total number of directors shall be 10 Year Athletes. The remaining Athlete Directors may be comprised of 10 Year+ Athletes as

defined in the USOPC Bylaws, including any higher standard, addition, restriction or exception to that definition approved by the NGB Athlete Representation Review Working Group from time to time (“10 Year+ Athletes”). The Corporation’s representative and alternate to the USOPC AAC shall count towards the twenty percent (20%) 10 Year Athlete requirement.

Athlete representatives may not be drawn from events that categorize entrants in age-restricted classifications commonly known as “Juniors,” “Masters,” “Seniors,” “Veterans,” or other similarly designated age-restricted competition. This provision is not meant to exclude from eligibility athletes who compete in an event for which the International Olympic Committee or FINA has established an age restriction, but whom otherwise meet the standard set forth in this Section.

- c. *Coach Director.* One (1) coach director shall be elected by the coach members and competition coach members from among those members. Only those coach members and competition coach members, who, at the time of their election, are currently coaching one (1) or more active athlete members of the Corporation, are eligible to be a coach director.
- d. *Allied Organizations Director.* One (1) Allied Organizations director shall be elected by the Allied Organizations Committee from among the members of that committee.

The Board of Directors must be selected without regard to race, color, religion, age, sex or national origin.

Section 6.6. Unaffiliated Directors

The Board determines whether a director is unaffiliated. An “unaffiliated director” must not have any material relationship with the Corporation, either directly or through an organization that has a material relationship with the Corporation. A relationship is “material” if, in the judgment of the Board of Directors, it would interfere with the director’s independent judgment. The Board will use the below standards to assist it in determining whether a director is unaffiliated.

A director is not unaffiliated if, within the preceding five (5) years:

- a. the director was employed by or held any governance position (whether a paid or volunteer position) with the Corporation, FINA, or any sport family entity of diving;
- b. an immediate family member of the director was employed by or held any governance position (whether a paid or volunteer position) with the Corporation, FINA, or any sport family entity of diving;
- c. the director was affiliated with or employed by the Corporation’s outside auditor or outside legal counsel;

- d. an immediate family member of the director was affiliated with or employed by the Corporation's outside auditor or outside legal counsel as a partner, principal or manager;
- e. the individual was a member of the Corporation's Athletes' Advisory Council;
- f. the director was a member of any constituent group with representation on the Board;
- g. the director received any compensation from the Corporation, directly or indirectly;
- h. the director is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with the Corporation;
- i. the director is a member of the Corporation in a membership category that participates in competitions; or
- j. the director is the parent, close family member, or coach of an athlete or member of the Corporation.

Where the guidelines above do not address a particular relationship, the determination of whether the relationship is material, and whether a director is unaffiliated, shall be made by the Board of Directors. The director must maintain an independent perspective by maintaining the requirements above for the director's entire term and any successive term with the exception of (i) holding any governance role in the Corporation or FINA and (ii) any reimbursement of expenses related thereto.

Section 6.7. Staggered Board

Directors will have staggered terms. For directors with terms beginning January 1, 2022, the Board will designate, before the election or selection of those directors, whether each director is serving a two (2) or four (4) year term.

Section 6.8. Board Term

Except as provided in Section 6.7, the term of office for a director shall be four (4) years. A director's term shall end on December 31, and a new director's term shall begin on January 1 of the next year. The Corporation shall nominate and elect a successor director within sixty (60) days of the end of a director's term or by the next regularly-scheduled meeting of the Board, whichever is earlier. A director therefore shall hold office for a maximum of sixty (60) days beyond the end of his or her term to permit time for the Corporation to identify and elect a successor director. The Corporation shall also nominate and elect a successor director within sixty (60) days of the date of a director's resignation, removal, incapacity, disability or death, or, at the next regularly-scheduled Board meeting, whichever is later.

Section 6.9. Board Term Limits

No director shall serve more than two (2) consecutive terms. For purposes of this rule, service of two (2) or more years constitutes one (1) term.

Section 6.10. Director Attendance

Directors are expected to attend, in person or by telephone or videoconference, all regularly scheduled Board meetings. Directors must attend in person or by telephone or videoconference at least one half (1/2) of all regularly scheduled Board meetings.

Section 6.11. Resignation, Removal and Vacancies

A director's position on the Board becomes vacant upon the director's resignation, removal, incapacity, disability or death, or upon the expiration of the director's term. Any director may resign at any time by giving written notice to the Chair of the Board, except the Chair's resignation shall be given to the President. The resignation takes effect at the time specified in the written notice. The acceptance of the resignation by the Board is not necessary to make it effective. Directors will be removed by the Board if they fail to attend in person or by telephone or videoconference at least one half (1/2) of the regular meetings of the Board during any twelve (12) month period, unless they are able to demonstrate to the other directors of the Board that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent directors shall be removed by the affirmative vote of a majority of the voting power of the Board (not including the voting power of the absent director). A director may also be removed for cause at any duly noticed meeting of the Board, and after being provided an opportunity for the director to be heard by the Board, upon the affirmative vote of at least two thirds (2/3) of the total voting power of the Board (excluding the voting power of the director in question). Any vacancy occurring in the Board shall be filled as set forth in Section 6.5. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office.

Section 6.12. Regular and Special Meetings

Unless otherwise required by the Act, the Board of Directors shall meet at regularly scheduled meetings at least four (4) times per year. Directors shall participate in regularly scheduled Board meetings in person or by telephone or videoconference. Special meetings of the Board shall be held upon the call of the Chair or upon the written request of not less than fifty (50) percent of the Board. Directors may participate in special meetings of the Board by telephone or videoconference. For special meetings for the purpose of a Board vote, the meeting and voting may take place by electronic mail, telephone, or video conference.

Section 6.13. Notice of Meetings

Notice of each meeting of the Board of Directors, stating the date, time and place of the meeting, and in the case of a special meeting, the purpose for which the meeting is called, shall be given to each director of the Board by or at the direction of the Chair of the Board. Notice may be given either in writing or orally. Written notice may be delivered personally, by mail, by private carrier or by electronic transmission (including, without limitation, email or text message). Such notice shall be delivered to the director's business or residential address (or to such other address provided by the director for such purpose), to the director's facsimile telephone number, to the director's email address, or to the director's cellular telephone number. Except for electronic

transmission, written notice shall be delivered no fewer than five (5) days before the date of the meeting. If mailed, such notice shall be deemed delivered when deposited in the United States mail. If delivered by private carrier, such notice is deemed delivered upon deposit with the carrier. If transmitted by facsimile or other electronic transmission, such notice shall be deemed to be given when the transmission is complete. Oral notice may be delivered either personally or telephonically. Such notice shall be delivered to the director (or to such other individual provided by the director for such purpose). Oral or electronic transmission notice shall be delivered no fewer than two (2) days before the date of the meeting. Oral notice is effective when communicated, and electronic transmission notice is effective when sent. The method of notice need not be the same as to each director.

If the Chair of the Board of Directors, in his or her reasonable discretion, determines that extenuating circumstances exist that require an immediate meeting of the Board of Directors, then the Chair may call a meeting on as short of notice as the Chair determines, in his or her reasonable discretion, is appropriate under the circumstances. Notice of such meeting may be given orally or by electronic transmission.

A director may waive notice of any meeting before, at, or after such meeting. The attendance of a director at a meeting waives notice of that meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 6.14. Quorum

A simple majority of the directors of the Board in office, immediately before the meeting begins, shall constitute a quorum for the transaction of business at any meeting of the Board. If less than a quorum is present at a meeting, a majority of the directors present at the meeting may adjourn the meeting from time to time, without further notice other than an announcement at the meeting, until a quorum is present.

Section 6.15. Action of the Board; Written Consent; Proxy Vote; Presumption of Assent

The act of a majority of directors on the Board present at a duly called meeting in which a quorum is established shall constitute an act of the Board. The unanimous written consent of all directors on the Board shall also constitute an act of the Board. No director may vote or act by proxy at any meeting of the Board. A director who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken, unless such director's dissent or recusal is entered in the minutes of the meeting or unless the director files a written dissent or recusal to such action with the Chair of the Board before the adjournment of the meeting. Such right to dissent or recusal will not apply to a director who voted in favor of such action. Section 6.16. Action Without a Meeting

Action without a meeting may be taken by the Board if written notice as described in this Section (the “Board Notice”) is transmitted to each director, and each director by the time stated in the Board Notice either votes in writing for or against such action, abstains in writing from voting, fails to respond or vote, or fails to demand in writing that action not be taken without a meeting. The Board Notice shall state the action to be taken, the time by which a director must respond, that failure to respond by the time stated in the Board Notice will have the same effect as abstaining in writing by the time stated in the Board Notice, and failing to demand in writing by the time stated in the Board Notice that action not be taken without a meeting. Action is taken under this Section only if, at the end of the time stated in the Board Notice, the affirmative votes in writing for such action received and not revoked, equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the directors then in office were present and voted, and the Corporation has not received an unrevoked written demand by a director that such action not be taken without a meeting. A director’s right to demand that action not be taken without a meeting will be deemed to have been waived, unless the Corporation receives such demand from the director in writing by the time stated in the Board Notice, and such demand has not been revoked. Any director who in writing has voted, abstained, or demanded action not be taken without a meeting pursuant to this Section may revoke such vote, abstention or demand in writing received by the Corporation by the time stated in the Board Notice. All communications under this Section may be transmitted or received by the Corporation by facsimile, email or other form of electronic communication. Action taken pursuant to this Section has the same effect as action taken at a meeting of the Board and may be described as such in any document.

the person in connection with such action, suit, or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Corporation. The termination of any action, suit, or proceeding by judgment, order, settlement, or its equivalent, shall not create, of itself, a presumption that the person did not act in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Corporation.

- b. To the extent that a director, officer, employee, member, manager, agent, or volunteer has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in this section, or in defense of any claim, issue, or matter in such an action, suit, or proceeding, the person shall be indemnified against expenses, including attorney fees, actually and reasonably incurred by the person in connection with that action, suit, or proceeding.

- d. The expenses incurred by a director, officer, employee, member, manager, agent, or volunteer in defending an action, suit, or proceeding referred to in this section, including attorney fees, shall not be paid by the Corporation upon the final disposition of the action, suit, or proceeding, or, if paid in advance of the final disposition of the action, suit, or proceeding, shall be repaid to the Corporation by the person, if it is proved, by clear and convincing evidence in a court with jurisdiction that the act or omission of the person was one undertaken with a deliberate intent to cause injury to the Corporation or was one undertaken with a reckless disregard for the best interests of the Corporation.
- e. Expenses, including attorney's fees, incurred by a director, officer, employee, member, manager, agent, or volunteer in defending any action, suit, or proceeding referred to in this section may be paid by the Corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, as authorized by the directors in the specific case, upon receipt of an undertaking by or on behalf of the director, officer, employee, member, manager, agent, or volunteer to repay the amount if it ultimately is determined that the person is not entitled to be indemnified by the Corporation.
- f. The Corporation may purchase and maintain insurance, or furnish similar protection, for or on behalf of any person who is or was a director, officer, employee, agent, or volunteer of the Corporation against any liability asserted against the person and incurred by the person in any such capacity, or arising out of the person's status as such, whether or not the Corporation would have the power to indemnify the person against that liability under this section.
