A director shall (i) have the highest personal and professional integrity, (ii) have demonstrated exceptional ability and judgment, (iii) possess an understanding of athletic competition and the Olympic ideals, (iv) have diverse experience in the key business, financial, and other challenges that face USAA, (v) have experience and capability in Board oversight responsibilities, including in the areas of finance, marketing, fundraising, audit, management, communications, and sport, and (vi) be effective, in conjunction with the other members of the Board, in collectively serving the long-term interests of USAA. At least one of the independent directors, who shall also serve on the Audit Committee, shall have financial expertise.

Directors shall inform the Nominating and Governance Committee of any changes in their employment responsibilities or other constraints on their time in order for the Nominating and Governance Committee to determine whether it is appropriate to nominate the Board director for continuing Board service.

Section 7.4. Number of Directors and Composition of the Board.

The Board of Directors shall consist of ten total directors, comprised as follows:

- a. Two representatives of the Athlete members of USAA, one of whom shall be the USAA representative to the USOC Athletes' Advisory Council and one of whom shall be competing in the compound discipline (the "Athlete Directors").

f. Two independent directors (the “Independent Directors”).

g. One representative of the Affiliated Organization members of USAA (the “Affiliated Organization Director”).

At least twenty percent of the Board of Directors shall be independent directors (two) and at least twenty percent shall be athlete directors (two). The rest shall be drawn from appropriate representation in the U.S. Archery community, with no single constituency having been involved in selecting a majority of directors.

Section 7.5. Nomination and Election.

The USAA Board of Directors shall be nominated and elected in the following manner:

- a. The Athlete Directors shall be elected by the USAA Elite Athletes, as defined in Section 11.3 of these Bylaws, from among such group of Elite Athletes. One of the two Athlete Directors will be USAA's representative to the USOC Athletes' Advisory Council, elected pursuant to Section 12.3 of these Bylaws. The other Athlete Director shall be elected by the USAA Athlete's Advisory Council pursuant to Section 11.7 of these Bylaws.
- b. The Coach Director will come from Coach members of USAA who are in good standing. At the appropriate time, the Nominating and Governance Committee will solicit nominations of coaches who are Coach members, Level Two and above, in accordance with procedures to be established by the Nominating and Governance Committee. The nominees will be considered by the Nominating and Governance Committee to determine that they each qualify to serve if elected. The Nominating and Governance Committee will then timely present the names of at least three qualified nominees to the Coach members for election (or, in the event there are fewer than three qualified nominees, the names of all qualified nominees). All current USAA Coach members (as defined in Section 5.1 of these Bylaws) in good standing shall then vote for the Coach Director in accordance with procedures to be established by USAA. Each USAA Coach member in good standing shall have one vote. The individual with the highest vote total is elected.
- c. The Judge Director will come from nominations made by Judge members of USAA who are in good standing. At the appropriate time, the Nominating and Governance Committee will solicit nominations of individuals who are Judge members, in accordance with procedures to be established by the Nominating and Governance Committee. The nominees will be considered by the Nominating and Governance Committee to determine that they each qualify to serve if elected. The Nominating and Governance Committee will then timely present the names of at least three qualified nominees to the Judge members for election (or, in the event there are fewer than three qualified nominees, the

names of all qualified nominees). All current USAA Judge members (as defined in Section 5.1 of these Bylaws) in good standing shall then vote for the Judge Director in accordance with procedures to be established by USAA. Each USAA Judge member in good standing shall have one vote. The individual with the highest vote total is elected.

- d. At an appropriate time, the Nominating and Governance Committee will solicit nominations of individuals to serve as the At-Large Director to be elected, using whatever process the Nominating and Governance Committee determines to be appropriate. The nominees will be considered by the Nominating and Governance Committee, which shall select at least three individuals from among nominated individuals (or, in the event there are fewer than three qualified nominees, the names of all qualified nominees). The Nominating and Governance Committee will then present to the members who are entitled to vote but who are not eligible to vote for a director in any other director category (all members other than Coach members, Judge members, Registered Club members, Affiliated Organization members, and Athlete members), the names of the selected individuals, who shall then stand for election by the general membership. The individual with the highest vote total is elected.
- e. The Grassroots Directors will come from nominations made by Registered Clubs of USAA who are in good standing. At the appropriate time, the Nominating and Governance Committee will solicit nominations from Registered JOAD and Non-JOAD Registered Clubs (Adult and Collegiate), in accordance with procedures to be established by the Nominating and Governance Committee. The nominees will be considered by the Nominating and Governance Committee to determine that they each qualify to serve if elected. The Nominating and Governance Committee will then timely present the names of at least three qualified nominees from Registered JOAD Clubs and in addition at least three qualified nominees from Non-JOAD Registered Clubs (Adult and Collegiate), for election (or, in the event there are fewer than three qualified nominees, the names of all qualified nominees). All current registered USAA JOAD and Non-JOAD Clubs (Adult and Collegiate) in good standing shall then vote for their respective Grassroots Director in accordance with procedures to be established by USAA. Each USAA Registered JOAD and Non-JOAD Registered Club (Adult and Collegiate) in good standing shall have one vote in their respective category. The individual with the highest vote total in each of the respective categories is elected.
- f. At an appropriate time, the Nominating and Governance Committee will solicit nominations of individuals to serve as the Independent Directors to be elected, using whatever process the Nominating and Governance Committee determines to be appropriate. The nominees will be considered by the Nominating and Governance Committee, which shall select the Independent Director to be elected from among nominated individuals determined by the Nominating and

Governance Committee to be independent in accordance with Section 7.6 of these Bylaws.

- g. The Affiliated Organization Director will come from the National Field Archery Association (“NFAA”) as the representative for all Affiliated Organization Members of USAA who are in good standing.

Section 7.6. Independence.

The Board, through its Nominating and Governance Committee, shall affirmatively make a determination as to the independence of each independent director, and disclose those determinations. Each “independent director” shall be determined to have no material relationship with USAA, either directly or through an organization that has a material relationship with USAA. A relationship is "material" if, in the judgment of the Nominating and Governance Committee, it could interfere with the director's independent judgment. In determining whether a director is independent, the Nominating and Governance Committee shall apply the guidelines set forth below.

A director shall not be considered independent if, within the preceding two years:

- a. The director or an immediate family member was employed by or held any governance position (whether a paid or volunteer position) with USAA, the international federation of Archery, or any sport family entity of Archery;
- b. The director was affiliated with or employed by USAA's outside auditor or outside counsel;
- c. An immediate family member of the director was affiliated with or employed by the USAA's outside auditor or outside counsel as a partner, principal or manager;
- d. The director was a member of USAA’s Athletes’ Advisory Council, an Athlete member, Coach member, Judge member, or any other member of any other constituent group with representation on the Board;
- e. The director received any compensation from USAA, directly or indirectly (other than for expenses related to the performance of the duties of a USAA director).
- f. The director is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USAA; or
- g. The director or any immediate family member of the director had any relationship or affiliation or engaged in any activity, employment or other

role that, in the judgment of the Nominating and Governance Committee, could interfere with the director's independent judgment.

Section 7.7. Staggered Board.

The election of Directors of the Board of Directors shall be staggered four-year terms, except for the case of the Affiliated Organization Director who shall have no prescribed length of a term.

Section 7.8. Term Limits.

The term of office for a director (other than that of the Affiliated Organization Director) of the Board of Directors shall be four years; provided that the Board shall have the discretion to modify at any time the term of any director by no more than one year as necessary to maintain the staggered nature of the Board of Directors required by Section 7.7 of these Bylaws. A director shall hold office until the director's successor is elected and qualified, or until the director's earlier resignation, removal, incapacity, disability or death.

No director of the Board of Directors (other than the Affiliated Organization Director) shall serve more than two consecutive four year terms but may, after a year's absence, be re-elected to the board.

When a Director is elected/selected to fill a vacancy because of the resignation, removal, incapacity, disability or death of a director, and the remaining term is two years or more, such term shall constitute a full term. Thus, if the vacancy being filled is for two or more years, and the maximum term is four years, the director may serve one additional four year term following completion of the filled vacancy term. If the vacancy being filled is for less than one half the maximum term, the term shall not be a full term and the director shall be able to serve two additional full terms following completion of the filled vacancy term.

The term of the Chair of the Board shall be two years. No individual shall serve as Chair for more than three consecutive terms.

Section 7.9. Director Attendance.

Directors of the Board of Directors shall be expected to attend in person all regularly scheduled Board meetings, though for exigent circumstances a director may participate in a meeting by telephone. Directors shall be required to attend no less than one half of all regularly scheduled Board meetings in person.

Section 7.10 Director Access to Management and Outside Advisors

USAA's senior management team shall attend Board meetings on a regular basis, both to make special presentations and as a discussion resource, and shall be available to Board

directors outside of meetings. All Board director contact with members of USAA's management team, other than the Chief Executive Officer, outside of Board meetings shall be directed to the Chief Executive Officer, though this requirement is not intended to curtail the ability of the auditor or legal counsel to advise the Board (as opposed to individual Board directors) directly of appropriate matters.

Section 7.11. Resignation, Removal and Vacancies.

Any director may resign at any time by giving written notice to the Chair or the Chief Executive Officer of USAA, except the Chair's resignation shall be given to the Chief Executive Officer. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. In addition, the unexcused absence of a director from more than one half of the regular meetings of the Board during any twelve month period shall be deemed to constitute the resignation of such director from the Board of Directors and shall have such effect without further action by such director or the Board of Directors.

Directors may be removed in the following manner:

- a. A director elected by members may be removed by the membership category or body that elected such director, by a two-thirds (2/3) affirmative vote of the votes cast (excluding the voting power of the director in question) at any duly noticed meeting of such members called for the purpose of removing that director, and the meeting notice shall state that the purpose, or one of the purposes, of the meeting is removal of the director. The Board of Directors may call for such meeting upon two-thirds (2/3) affirmative vote of the directors then in office conducted in accordance with the same procedures as set forth in 7.11 (b) below.
- b. A director elected by the Board of Directors (or selected by the Nominating and Governance Committee) may be removed by the directors then in office, by a two-thirds (2/3) affirmative vote at any duly noticed meeting of the Board called for the purpose of removing that director, and the meeting notice shall state that the purpose, or one of the purposes, of the meeting is removal of the director.

Grounds for removal and the process for removal are outlined in USA Archery's Board Member Policy. No director shall be subject to removal or to not being re-named based on how they vote as a director, unless such voting is part of a violation of USA Archery's Code of Ethics or USA Archery's Board Member Policy.

A director's position on the Board of Directors shall be declared vacant upon the director's resignation, removal, incapacity, disability or death. Any vacancy occurring in the Board shall be filled as set forth for the election of the director of the Board. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office.

Similar rules shall apply to resignations, removals, and vacancies in the office of Chair.

Section 7.12. Regular and Special Meetings.

USAA's Board shall meet at regularly scheduled meetings at least two times per year, or with such other frequency as is appropriate for the Board to meet given the circumstances, and such meetings shall be spaced throughout the year. Special meetings of the Board shall be held upon the call of the Chair or upon the written request of not less than fifty percent of the Board.

Section 7.13. Notice of Meetings.

Notice of each meeting of the Board of Directors stating the date, time and place of the meeting, and in the case of a special meeting the purpose for which the meeting is called, shall be given to each director of the Board by or at the direction of the Chair of the Board. Notice may be given either in writing or orally. Written notice may be delivered either personally, by mail, by private carrier, by facsimile or by electronic transmission. Such notice shall be delivered to the director's business or residential address (or to such other address provided by the director for such purpose), to the director's facsimile telephone number or to the director's email address. Written notice shall be delivered no fewer than five days before the date of the meeting. If mailed, such notice shall be deemed delivered when deposited in the United States mail. If delivered by private carrier, such notice is deemed delivered upon deposit with the carrier. If transmitted by facsimile or electronic transmission such notice shall be deemed to be given when the transmission is complete.

A director may waive notice of any meeting before, at, or after such meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 7.14. Quorum and voting.

The presence of a majority of the directors of the Board of Directors at the time of any meeting shall constitute a quorum for the transaction of business, and the act of a majority of directors on the Board shall constitute the act of the Board.

Section 7.15. Voting by Proxy.

No director may vote or act by proxy at any meeting of directors.

Section 7.16. Presumption of Assent.

A director who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless such director's dissent shall be entered in the minutes of the meeting or unless the director shall file a written dissent to such action with the individual acting as the Secretary of the Board before the adjournment thereof or shall forward such dissent by registered mail to

the Secretary of the Board immediately after the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 7.17. Action Without a Meeting.

The following kinds of complaints may be filed with USAA:

- a. Administrative Grievance. USAA or any member of USAA may file a complaint pertaining to any matter within the cognizance of USAA, including but not limited to any alleged violation of or grievance concerning: (i) any USAA policy rule or regulation, (ii) any provision of USAA's Bylaws, (iii) any provision of the USAA Code of Ethics, or (iv) any provision of the Sports Act relating to USAA's recognition as a National Governing Body;
- b. Right to Compete. Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individual's opportunity to compete in a USAA sanctioned competition or in a protected competition as referred to in the Sports Act and the USOC Bylaws.

Section 15.2. Jurisdiction.

Any member of USAA, by reason of membership, agrees to be subject to these complaint procedures and, subject to any right to proceed to arbitration as referred to in this Article 15, agrees to be bound by any decision rendered pursuant to these complaint procedures.

Section 15.3. Manner of Filing.

Except in the case of expedited procedures, the complainant shall file the complaint with the Chief Executive Officer who shall forward the complaint to the Chair of the Board of Justice. The complaint shall set forth in clear and concise language, preferably in numbered paragraphs: (i) the name and address of the parties, (ii) the alleged violation, grievance, denial or threat to deny, and (iii) the remedy requested. The complainant shall sign the complaint under oath. Any party filing a counterclaim shall sign the counterclaim under oath. Except for complaints involving selection to participate in a competition as referred to in Section 15.11, the parties to the proceeding shall be limited to the parties identified as parties in the complaint, or in any amendment to the complaint pursuant to which any party has affirmatively named an additional party.

Section 15.4. Filing Fee.

Except in the case of expedited procedures, a complaint filed by an individual shall be accompanied with a filing fee in an amount to be established from time-to-time by the Board of Directors. A complaint filed by an organization shall be accompanied with a filing fee in an amount to be established from time-to-time by the Board of Directors, except that USAA is not required to pay a filing fee. The complainant may request that

the filing fee be reduced or waived for reasons of significant financial hardship. If such request is made, the Board of Justice shall determine whether or not to reduce or waive the filing fee. If the complaint is upheld by the Board of Justice, the fee will be returned.

Section 15.5. Statute of Limitations.

A complaint filed under this Article XV must be filed within the following time frames based on the type of complaint:

- a) An Administrative Grievance must be filed within sixty (60) days of the occurrence of the alleged violation or grievance, except as provided below.
- b) A Right to Compete complaint must be filed within six (6) months of the denial or threat to deny.
- c) Complaints alleging misconduct within USAA's Safe Sport Policy:
 - i. Must be filed within five (5) years of the occurrence of the alleged violation, incident or grievance. In the case of a person who was a minor at the time of the occurrence of the alleged violation, incident or grievance, the complaint must be filed no later than five (5) years following the person's eighteenth (18th) birthday.
 - ii. However, grievances alleging sexual misconduct as defined in USAA's Safe Sport Policy are not subject to any statute of limitations.

Section 15.6. Field of Play Decisions.

The final decision of a Judge during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the Judge) shall not be reviewable through the procedures for, or the subject of, Administrative Grievances or Right to Compete Complaints unless the decision is: (i) outside the authority of the Judge to make, or (ii) the product of fraud, corruption, partiality or other misconduct of the Judge. For purposes of this Section, the term "Judge" shall include any individual with discretion to make field of play decisions.

Section 15.7 Administration.

The Board of Justice shall generally administer and oversee all administrative grievances and right to compete matters filed with USAA. The Board of Justice shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner. The Board of Justice may promulgate procedures in addition to those set forth in these Bylaws, but which may not conflict with any provisions of these Bylaws, for the effective administration of complaints filed with USAA.

Section 15.8 Hearing Panel.

Except in the case of an expedited procedure, upon the filing of a complaint, the chair of the Board of Justice, after consultation with the other Committee members, shall appoint

a hearing panel consisting of three (3) individuals to hear the complaint. The Board of Justice shall also appoint a chair of the hearing panel. Board of Justice members and members of the Ethics Committee may be appointed to and serve on the hearing panel. Other disinterested individuals identified by the Board of Justice may also be appointed to and serve on, or advise the hearing panel. At least one (1) member of the hearing panel shall be an athlete. Members of the panel need not be members of USAA or involved in the sport of Archery.

Section 15.9. Conduct of the Proceeding.

Except in the case of expedited procedures, the Hearing Panel shall rule on all motions and other matters raised in the proceeding. If the complaint is not dismissed, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules, not inconsistent with the provisions of this Section 15.9, regarding the proceeding and the conduct of the hearing as it deems necessary. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted by teleconference, if necessary or convenient to the parties. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel shall have the right to question witnesses or the parties to the proceeding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript.

Section 15.10. Expedited Procedures.

If a complaint arises during the course of a competition or during travel by a team to a competition and it is necessary to expedite the proceeding in order to resolve a matter relating to the competition and compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, such complaint will be filed with the Team Coach or Team Leader and shall be heard by a Hearing Panel appointed by the Team Coach or Leader in consultation with the Board of Justice (which may be telephonic and which may take place to establish a panel prior to the competition). The hearing panel shall consist of three (3) individuals and include the Team Coach, the Team Leader or Captain and an athlete, so long as no such person is involved in or may be affected by such complaint or the decision of the hearing panel rendered on the complaint. Such complaints shall be heard and decided within twenty-four (24) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 15.11. Complaints Involving Selection to Participate in a Competition.

Except in the case of expedited procedures, where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine which additional individuals must receive notice of the complaint. The complainant shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the hearing panel even though the individual chose not to participate as a party.

Section 15.12. Decision.

All decisions, including those of panels appointed for expedited procedures, shall be determined by a majority of the hearing panel. The hearing panel's decision shall be in writing and distributed to the parties. The Hearing Panel's decision will be final and binding upon the parties unless a party is entitled to seek arbitration as referred to in Section 15.13.

Section 15.13. Arbitration.

Any party may pursue arbitration with the American Arbitration Association in the event the decision involves the opportunity of the party to participate or to seek to participate in a protected competition, as referred to in and in accordance with applicable provisions of the Sports Act and the USOC Bylaws.
