Which format would you prefer for the 2013 National Target Championships?

1. Single FITA (2 days), only using final placement in the FITA for National Ranking (like this year).
2. Double FITA (4 days), using only the double 70m (recurve) and 50m (compound) scores for National Ranking and ranking for elimination rounds.
3. Single FITA follow by a 72 arrow ranking round (70m recurve, 50m compound - 3 days), using only the 72 arrow round for National Ranking.

Would you prefer to have the event in conjunction with JOAD Nationals or completely separate?

**Question asked of participants in the National Target Championships.*

- I would like them at the same location, held back to back. (11)
- I would like them at the same location, held together (like this year). (13)
- I would like them completely separate including locations. (4)
