10	It is too closely scheduled to national field/field team selection. One week or close to it between events is a no-go. Would've loved to go to outdoor nats though, was enjoyable.	3/23/2016 5:38 PM

3	This is the only place I can type in a comment, so here goes: I voted for 50 meters but I want senior/master/junior to all shoot the same distance so we can share the experience. We are a small community and we feed off our camaraderie. I would rather that everyone shot at 50, but if the men and the seniors are shooting at 60,I want to shoot at 60, too.	3/23/2016 9:21 PM
