USAB publishes selection procedures (<https://www.teamusa.org/USA-Badminton/USAB/Policies-and-Procedures>) for fielding U.S. Teams to participate in the following events held during the 2020 Olympic qualification period:

- Pan Am Individual Championships 2019 – April 25-28, 2019, Aguas Calientes, Mexico
- Sudirman Cup 2019 – May 19-26, 2019, Nanning, China
- 2019 Pan American Games – July 29 to August 2, 2019, Lima, Peru
- Male & Female Pan Am Team Championships 2020 – February 13-16, 2020, Salvador Bahia, Brazil
- Pan Am Individual Championships 2020 – April 23-26, 2020, Guatemala
- Thomas & Uber Cup 2020 – May 17-24, 2020, Aarhus, Denmark (as noted in 1.2.1., this event falls outside of BWF’s defined qualification period but USAB does publish selection procedures for this event)

- 1.3. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process (include maximum Team size).

The BWF has established the selection system for Olympic qualification. USAB is required to follow the BWF selection system to qualify U.S. athletes for the 2020 Olympic Games. The entire BWF Olympic Qualification System can be viewed on the BWF website at <https://corporate.bwfbadminton.com/statutes/#1513733528967-47d667b6-0737> (Chapter 5, Section 5.4.1.1.).

The maximum team size for the U.S. for the 2020 Olympic Games is eight (8) men and eight (8) women across all five events.

#### **Individual Quota Places for Men’s and Women’s Singles**

It is important to note that the only way for the U.S. to qualify the maximum of two (2) Quota Places in Men’s or Women’s Singles events is to have at least two (2) athletes ranked within the top-16 of the BWF World Ranking List of 28 April 2020. However, an athlete ranked beyond the top-16 may earn a Quota Place due to the following principles:

- BWF will allocate quotas to reach a total of 38 entries per Singles event that will ensure the highest ranked individuals are selected while also fulfilling the requirements for host country places, continental representation and invitation places that are awarded to eligible applicants (NOCs).

- 1.3.1. Pursuant to the BWF Olympic Qualification System, the BWF will use the World Ranking List of 28 April 2020 to allocate individual Quota Places for Men and Women to the highest ranked athletes, respecting the maximum quota allocation per NOC per event (maximum team size for singles = 2 quotas per gender for a total of 4 athletes), while also satisfying the principles outlined in the bullet above.

If the United States has 2 or fewer players who qualify per gender (i.e., from the BWF World Ranking List as of 28 April 2020), USAB will nominate each of those players who have qualified. If the United States has more than 2 players who qualify per gender (meaning these athletes are all within the top-16 from the BWF World Ranking List as of 28 April 2020), USAB will nominate the two (2) highest ranked players based on BWF World Ranking List as of 28 April 2020.

### **Pairs Quota Places for Men's Doubles, Women's Doubles and Mixed Doubles**

It is important to note that the only way for the U.S. to qualify the maximum of two (2) Quota Places (for pairs, meaning 4 athletes) in Doubles events is to have two pairs ranked within the top-8 of the BWF World Ranking List of 28 April 2020. However, a pair that is ranked beyond the top-8 may earn a Quota Place because the BWF will allocate quotas to reach a total of 16 pairs/entries per Doubles event that will ensure the highest ranked pairs are selected while also fulfilling the requirements for continental representation.

- 1.3.2. Pursuant to the BWF Olympic Qualification System, the BWF will use the World Ranking List of 28 April 2020 to allocate Quota Places to the 16 highest ranked pairs in each event (Men's Doubles, Women's Doubles and Mixed Doubles), respecting the maximum quota allocation per NOC per event (maximum team size for doubles = 2 Pairs Quotas each for Men's Doubles, Women's Doubles and Mixed Doubles for a total of 12 athletes/6 pairs). The Pairs Quota Places will include the allocation of Continental Representation Places.

If the United States has 2 or fewer pairs who qualify per event (i.e., from the BWF World Ranking List as of 28 April 2020), USAB will nominate each of those pairs who have qualified. If the United States has more than 2 pairs who qualify per event (meaning these pairs are all within the top-8 from the BWF World Ranking List as of 28 April 2020), USAB will nominate

the two (2) highest ranked pairs based on BWF World Ranking List as of 28 April 2020.

- 1.3.3. The BWF Qualification System states that no NOC can qualify athletes/pairs in more than two (2) events through the Continental Representation Place system (refer to the Qualification Event tables for Singles and Doubles in Section D of the BWF Qualification System). If U.S. athletes/pairs qualify in more than two (2) events through the Continental Representation Place system, USAB will nominate the athlete(s)/pair(s) for the two (2) events in which the U.S. has the highest ranking according to the BWF World Ranking List as of 28 April 2020.
