

FINAL RESULTS

2020 North American Biathlon Virtual Summer Nationals

Released: August 1 2020 at 12:00pm ET

Competition Description: Competitors were required to complete two different tests during the week of August 3-9, 2020: a 3000m time trial on a track, and a biathlon American test. A 15 second time penalty was added to the competitor's total American test time for each miss. The total "finish" time for this competition is the combined time of both tests for each athlete. Congratulations to all competitors!
