Media credentials to the USA Boxing National Championships in Shreveport, La. will be provided on a limited basis due to COVID-19 protocols. USA Boxing will review all applications and approve those based on a set criteria created by USA Boxing. Submitting an application does not guarantee a media credential.

An application must be submitted for every member of crew. Documentary crews will need to provide boxer information when submitting application.

Approval of media credential requests will be based on a tiered system of media to ensure an efficient and safe working environment for all media including:
- National media coverage
- Local media coverage
- Documentaries

Once media is approved, USA Boxing will provide COVID-19 protocols and requirements to be completed to attend the event.
