INTRODUCTION

There are a lot of reasons to participate in boxing – at any level. Some of the most common reasons include to have fun and to spend time with friends. Boxing also encourages a healthy lifestyle and builds self-confidence.

Unfortunately, sport, including boxing, can also be a high-risk environment for misconduct. All forms of misconduct are intolerable and in direct conflict with USA Boxing ideals.

There are six primary types of misconduct covered in this Safe Sport Policy Handbook for the purpose of athlete safety:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing

Misconduct may damage an athlete's psychological well-being. Athletes who have been mistreated may experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and their relationships with family and friends can be negatively affected. Misconduct often hurts an athlete’s competitive performance and may cause him or her to drop out of sport entirely.

To enhance safe sport practices and to investigate and resolve safe sport violations, USA Boxing has agreed to comply with the safe sport policies of the U.S. Center for SafeSport (Center) and has incorporated by reference the provisions of the SafeSport Code for the U.S. Olympic and Paralympic Movement (Code), including its appendices, into these policies. The Center may update its policies at any time and the changes are effective when published. For the most current safe sport rules, policies and procedures, go to www.SafeSport.org.

Any inquiries about the policies contained in this Safe Sport Policy Handbook should be directed to the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or via telephone 719-866-2323.

SCOPE

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).
Some policies impose requirements on USA Boxing at sanctioned events and facilities partially or fully under USA Boxing’s jurisdiction. For example, USA Boxing shall monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under USA Boxing’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.

**TERMINOLOGY**

This section explains key words and concepts used throughout this Safe Sport Policy Handbook. The definitions set forth are intended to be universal in nature; however, some definitions vary by state. For example, the legal definition of “child abuse” is determined by each individual state. Guidelines concerning specific states may be found by visiting the Child Welfare Information Gateway www.childwelfare.gov.

**Adult Participant:** Any adult (18 years of age or older) who is:
- a. A member or license holder of USA Boxing;
- b. An employee or board member of USA Boxing or LAO;
- c. Within the governance or disciplinary jurisdiction of USA Boxing or LAO;
- d. Authorized, approved, or appointed by USA Boxing or LAO to have regular contact with or authority over Minor Athletes.¹

**Amateur Athlete:** An athlete who meets the eligibility standards established by the National Governing Body or Paralympic Sports Organization for the sport in which the athlete competes.

**Authority:** When one person’s position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. Also see the [Power Imbalance definition in the SafeSport Code](#).

**Close-in-Age Exception:** An exception applicable to certain policies when an Adult Participant does not have authority over a Minor Athlete and is not more than four years older than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception only applies within the prevention policies and not regarding conduct defined in the SafeSport Code.

**Dual Relationships:** An exception applicable to certain policies when an Adult Participant has a dual role or relationship with a Minor Athlete and the Minor Athlete’s parent/guardian has provided written consent at least annually authorizing the exception.

¹ This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.
**In-Program Contact:** Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.

Examples of In-Program Contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

**Local Affiliated Organization (LAO):** In USA Boxing Local Boxing Committees (LBC) and member clubs are defined as LAOs.

**Minor Athlete:** An Amateur Athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, an NGB, PSO, USOPC, or LAO.

**Partial or Full Jurisdiction:** Includes any sanctioned event (including all travel and lodging in connection with the event) by the NGB, PSO, USOPC, or LAO, or any facility that the NGB, PSO, USOPC, or LAO owns, leases, or rents for practice, training or competition.

**National Governing Body (NGB):** A U.S. Olympic National Governing Body, Pan American Sport Organization, or Paralympic Sport Organization recognized by the U.S. Olympic & Paralympic Committee pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501, et seq. This definition shall also apply to the USOPC, or other sports entity approved by the USOPC, when they have assumed responsibility for the management or governance of a sport included on the program of the Olympic, Paralympic, or Pan-American Games.

**Adult Participant Personal Care Assistant:** An Adult Participant who assists an athlete requiring help with activities of daily living (ADL) and preparation for athletic participation. This support can be provided by a Guide for Blind or visually impaired athletes or can include assistance with transfer, dressing, showering, medication administration, and toileting. Personal Care Assistants are different for every athlete and should be individualized to fit their specific needs. When assisting a Minor Athlete, Adult Participant PCAs shall be authorized by the athlete’s parent/guardian.

**Paralympic Sport Organization (PSO):** an amateur sports organization recognized and certified as an NGB by the USOPC.

**Regular Contact:** Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). **NOTE:** NGBs, PSOs, and the USOPC shall
submit/include categories of members/individuals that fall under the definition including specific volunteer designations.

**U.S. Olympic & Paralympic Committee (USOPC):** A federally chartered nonprofit corporation that serves as the National Olympic Committee and National Paralympic Committee for the United States.
POLICY 1: TRAINING AND EDUCATION

All USA Boxing Adult Participants, Local Boxing Committee members and Local Affiliated Organization staff shall successfully complete SafeSport Core training concerning misconduct in sport. The training provides a basic understanding of the six types of misconduct.

Misconduct in sport includes:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing

USA Boxing Adult Participants and LAOs are required to successfully complete a US Center for SafeSport-approved training course every year.
POLICY 2:
CRIMINAL BACKGROUND CHECK

PURPOSE

USA Boxing is committed to the safety of athletes and participants involved in sport. USA Boxing requires background checks in order to (a) foster a safe environment at all competition and training environments sanctioned and/or overseen by USA Boxing (b) create a safe living, training, and competition environment for athletes and other individuals associated with USA Boxing and (c) protect persons at risk, including, but not limited to, minors and vulnerable adults.

The contracts shall also specify that certification shall be provided by the vendor/contractor upon request by USA Boxing, to establish that the mandated background checks were conducted.
K. When partnering with community organizations (i.e. YMCA, Boys and Girls Club) for events, the USA Boxing shall ensure that the partnership agreement includes language regarding background check
requirements. The agreements shall also specify that certification shall be provided by the community organization upon request by USA Boxing, to establish that the mandated background checks were conducted.

Note: Applicability of this policy does not supersede or replace applicability to USOPC Background Check requirements or state law. Some members of USA Boxing may be subject to this policy that are not subject to the USOPC policy and vice versa.

POLICY 3: ATHLETE SAFETY POLICY

COMMITMENT TO SAFETY

USA Boxing is committed to the safety and wellbeing of athletes and Participants, as defined by the U.S. Center for SafeSport's (the “Center”) SafeSport Code for the Olympic and Paralympic Movements (the "Code"), involved in the U.S. Olympic & Paralympic Movement. As part of this commitment, USA Boxing’s policy, prevention and education efforts aim to create an environment free from emotional, physical, and sexual misconduct and abuse, and to ensure effective and prompt action and resolution upon the occurrence of misconduct and/or abuse.

Overview

USA Boxing recognizes that the process for training and motivating athletes will vary with each coach, trainer and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct. USA Boxing falls under and complies with the U.S. Center for SafeSport’s SafeSport Code for the U.S. Olympic and Paralympic Movement.

In the event that any USA Boxing member, USA Boxing Board of Director member, or USA Boxing Staff member either (i) observes misconduct as defined in this SafeSport Policy Handbook or (ii) has reported to him or her allegations of misconduct as defined in this SafeSport Policy Handbook, it is the personal responsibility of the individual to immediately report this to USA Boxing via email, SafeSport@usaboxing.org or via telephone, 719-866-2323. If the alleged misconduct involves sexual abuse or sexualized behavior, the individual may report directly to the U.S. Center for SafeSport Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone: 833-587-7233.

The USA Boxing member, Board of Director member or Staff member should not attempt to evaluate the credibility or validity of the allegations as a condition for reporting to USA Boxing. When potential criminal behavior has been reported to USA Boxing, USA Boxing shall report such allegation(s) to law enforcement authorities. Complaints and allegations will be addressed under the USA Boxing Enforcement Policy set out below.

Application

This Athlete Safety Policy applies to all USA Boxing members, Board of Director members and Staff members.

USA Boxing members shall refrain from all forms of misconduct, which include:

12
• Sexual Misconduct
• Physical Misconduct
• Emotional Misconduct
• Bullying
• Harassment
• Hazing

PROHIBITED CONDUCT

Sexual Misconduct
(1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner;
(2) Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative; or
(3) Romantic or sexual relationships, which began during the sport relationship, between athletes or other participants and those individuals (i) with direct supervisory or evaluative control, or (ii) are in a position of power and trust over the athlete or other participant. Except in circumstances where no imbalance of power exists, coaches have this direct supervisory or evaluative control and are in a position of power and trust over those athletes or participants they coach. The prohibition on romantic or sexual relationships does not include those relationships where it can be demonstrated that there is no imbalance of power. For example, this prohibition does not apply to a pre-existing relationship between two spouses or life partners.
(4) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. sexual abuse, sexual exploitation, rape).

Note: An imbalance of power is always assumed between a coach and an athlete.

Types of Sexual Misconduct
Types of sexual misconduct include:
(1) sexual assault,
(2) sexual harassment,
(3) sexual abuse, or
(4) any other sexual intimacies that exploit an athlete. Minors cannot consent to sexual activity with an adult, and all sexual interaction between an adult and a minor is strictly prohibited.

Exceptions
None

Examples
Examples of sexual misconduct prohibited under this Athlete Safety Policy include, without limitation:

(1) **Touching offenses.** Behaviors that include:
   (a) fondling an athlete’s breasts or buttocks
   (b) exchange of reward in sport (e.g., team placement, scores, feedback) for sexual favors
   (c) genital contact intended to provide sexual gratification
   (d) sexual relations or intimacies between persons in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants.

Comment

**Authority and Trust.** Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age. Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching if an imbalance in power could jeopardize effective decision-making.

(2) **Non-touching offenses.** Behaviors that include:
   (a) discussing one’s sex life with an athlete;
   (b) asking an athlete about his or her sex life;
   (c) requesting or sending a nude or partial-dress photo to an athlete;
   (d) exposing athletes to pornographic material;
   (e) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. “sexting”);
   (f) deliberately or recklessly exposing an athlete to sexual acts;
   (g) deliberately or recklessly exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared);
   (h) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and
      a. is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this; or
      b. is sufficiently severe or intense to be harassing to a reasonable person in the context.

**Child Sexual Abuse**

(1) Any sexual activity with a child. Minors cannot consent to sexual activity with an adult, and any sexual interaction between and adult and a minor is strictly prohibited. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception, or the child understands the sexual nature of the activity.

**Note concerning peer-to-peer child sexual abuse:** Sexual contact between minors also can be abusive. Whether or not a sexual interaction between children constitutes child sexual abuse
turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

(2) Any act or conduct described as child sexual abuse under federal or state law.

**Exception**
None

**Examples**
Sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

**Physical Misconduct**

(1) Contact or non-contact conduct that results in, or reasonably threatens to, cause physical harm to an athlete or other sport participants

(2) Any act or conduct described as physical abuse or misconduct under federal or state law (e.g. child abuse, child neglect, assault).

**Exceptions**
Physical misconduct does not include generally accepted coaching methods of skill enhancement, physical conditioning, team building, appropriate discipline or improving athlete performance.

   (f) prescribing dieting or other weight-control methods without regard for the nutritional well-being and health of athlete.

(2) **Non-contact offenses.** Behaviors that include:
   (a) isolating an athlete in a confined space (e.g., locking an athlete in a small space);
   (b) forcing an athlete to assume a painful stance or position for no athletic purpose (e.g. requiring an athlete to kneel on a harmful surface);
(c) withholding, recommending against or denying adequate hydration, nutrition, medical attention or sleep.

Note: Bullying, harassment, and hazing, addressed below, often involve some form of physical misconduct.

Emotional Misconduct

(1) A pattern of deliberate, non-contact behavior that has the potential to cause emotional or psychological harm to an athlete. Non-contact behaviors include:

   a. verbal acts
   b. physical acts
   c. acts that deny attention or support

(2) Any act or conduct described as emotional abuse or misconduct under federal or state law (e.g. threats, intimidation, stalking).

Exception

Emotional misconduct does not include generally accepted coaching methods of skill enhancement, physical conditioning, team building, discipline or improving athletic performance.

Examples

Examples of emotional misconduct prohibited by this Athlete Safety Policy include, without limitation:

(1) Verbal Acts. (a) A pattern of verbal behaviors that attack an athlete personally in a degrading or belittling manner or (b) repeatedly and excessively yelling at a particular athlete or athletes in a manner that serves no productive training or motivational purpose.

(2) Physical Acts. A pattern of physically aggressive behaviors, such as (a) throwing sport equipment, water bottles or chairs at, or in the presence of, participants; or (b) punching walls, windows, or other objects.

(3) Acts that Deny Attention and Support. (a) A pattern of ignoring an athlete for extended periods of time or (b) routinely or arbitrarily excluding participants from practice.

Note: Bullying, harassment, and hazing, addressed below, often involve some form of emotional misconduct.

Bullying

(1) An intentional, persistent, and repeated pattern of committing or willfully tolerating physical and non-physical behaviors that are intended, or have the reasonable potential, to cause fear, humiliation, or physical harm in an attempt to socially exclude, diminish or isolate the targeted athlete; or

(2) Any act or conduct described as bullying under federal or state law.
Exceptions
Bullying does not include group or team behaviors that are reasonably designed to (a) establish normative team behaviors, or (b) promote team cohesion.

Examples
Examples of bullying prohibited by this Athlete Safety Policy include, without limitation:

(1) Physical behaviors. Patterns of behavior that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking, or slapping an athlete; or (b) throwing at or hitting an athlete with objects such as sporting equipment.
(2) Verbal and emotional behaviors. (2) Any act or conduct described as harassment under federal or state law.

Exceptions
None

Examples
Examples of harassment prohibited by this Athlete Safety Policy include, without limitation:

(1) Physical offenses. Patterns of behavior that include (a) hitting, pushing, punching, beating, biting, striking, kicking, choking, or slapping an athlete or participant; or (b) throwing at or hitting an athlete with objects including sporting equipment.
(2) Non-physical offenses. Patterns of behavior that include (a) making negative or disparaging comments about an athlete’s sexual orientation, gender expression, disability, religion, skin color, or ethnic traits; (b) displaying offensive materials, gestures, or symbols; or (c) withholding or reducing playing time to an athlete based on his or her sexual orientation.
**Hazing**

(1) Coercing, requiring, forcing, or willfully tolerating any humiliating, unwelcome or dangerous activity that serves as a condition for (a) joining a group or (b) being socially accepted by a group’s members; or

(2) Any act or conduct described as hazing under federal or state law

**Exception**

Hazing does not include group or team activities that are reasonably designed to (a) establish normative team behaviors or (b) promote team cohesion.

**Examples**

Examples of hazing prohibited by this Athlete Safety Policy include, without limitation:

**VIOLATIONS**

Violations of the Athlete Safety Policy shall be reported pursuant to the Reporting Policy and will be subject to penalties by the U.S. Center for SafeSport and USA Boxing Judicial Committee.
POLICY 4: MINOR ATHLETE ABUSE PREVENTION

INTRODUCTION

USA Boxing in conjunction with the U.S. Center for SafeSport (the Center) is committed to building a sport community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. Throughout this document the most commonly used terms are defined in the Terminology section beginning on Page 4.

Authority

The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 authorizes the Center to develop training and policies to prevent abuse—including physical, emotional, and sexual abuse—within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(1). Federal law requires that, at a minimum, national governing bodies and paralympic sports organizations shall offer and give consistent training related to the prevention of child abuse: (1) to all adult members who are in regular contact with amateur athletes who are minors and (2) subject to parental consent, to members who are minors. 36 U.S.C. § 220542(a)(2)(E). Federal law requires that these policies contain reasonable procedures to limit unobservable and uninterruptible one-on-one interactions between an amateur athlete, who is a minor, and an adult, who is not the minor’s legal guardian, at facilities under the jurisdiction of organizations within the U.S. Olympic & Paralympic Movement. 36 U.S.C. § 220542(a)(2)(C).

SCOPE

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on USA Boxing at sanctioned events and facilities partially or fully under USA Boxing’s jurisdiction. For example, USA Boxing shall monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under USA Boxing’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.
What is the MAAPP?

To that end, the Center has developed the Minor Athlete Abuse Prevention Policies (MAAPP). The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement shall implement to prevent abuse;

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Paralympic Sport Organizations (PSOs), Local Affiliated Organizations (LAOs), the U.S. Olympic & Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law (note: implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations). These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside the SafeSport Code. Additionally, other resources are available that may assist organizations in improving athlete safety.

---

How Does the Center Ensure Compliance with the MAAPP?

Federal law requires the Center to conduct regular and random audits of the NGBs to ensure compliance with these policies. 36 U.S.C. § 220542(a)(2)(E). More specific organizational compliance requirements can be found in Part II. Additionally, it is the responsibility of the USOPC and each NGB, LAO, and Adult Participant to comply with the MAAPP. The aforementioned organizations can act in their respective programs for violations of the MAAPP by Adult Participants. Adult Participants also have an independent responsibility to comply with these MAAPP provisions. Violations of these provisions can result in sanctions under the SafeSport Code.

Is the MAAPP Different from the SafeSport Code?

Yes. The SafeSport Code works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the SafeSport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the SafeSport Code, and violators can be sanctioned.

SCOPE

The MAAPP Applies to “In-Program Contact” Within the Olympic & Paralympic Movement

The MAAPP is required for the U.S. Olympic & Paralympic Committee (USOPC), National Governing Bodies (NGB), Local Affiliated Organizations (LAO), and Paralympic Sport Organizations (PSO) within the Olympic & Paralympic Movement (each an “Organization”).

Some policies impose requirements on USA Boxing at sanctioned events and facilities partially or fully under USA Boxing’s jurisdiction. For example, USA Boxing shall monitor locker rooms at their facilities and sanctioned events. Other policies impose certain requirements on Adult Participants under USA Boxing’s jurisdiction when the Adult Participant is having “In-Program Contact.” For example, Adult Participants cannot have one-on-one electronic communications with Minor Athletes that they coach.

Who is a Minor Athlete?

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of USA Boxing.

**Partial or Full Jurisdiction:** Includes any sanctioned event (including all travel and lodging in connection with the event) by USA Boxing, or any facility that USA Boxing owns, leases, or rents for practice, training, or competition.

Who is an Adult Participant?

An **Adult Participant** is any adult (18 years of age or older) who is:
2. A member or license holder of USA Boxing;
3. An employee or board member of USA Boxing or LAO;
4. Within the governance or disciplinary jurisdiction of USA Boxing or LAO;
5. Authorized, approved, or appointed by USA Boxing or LAO to have regular contact with or authority over Minor Athletes.⁸

What is In-Program Contact?

In-Program Contact includes sanctioned events and facilities, but it also applies more broadly to sport-related interactions. The MAAPP defines “In-Program Contact” as:

*Any contact (including communications, interactions, or activities) between an Adult Participant and any Minor Athlete(s) related to participation in sport.*

Examples of in-program contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post bout meals or outings, team travel, review of bout film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

Does the MAAPP Have Any Exceptions?

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy and include:

---
⁸ This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition.
1. **A Close-in-Age Exception**
   This exception applies to certain policies and allows for In-Program Contact between an Adult Participant and a Minor Athlete if:
   a. The Adult Participant has no authority over the Minor Athlete; and
   b. The Adult Participant is not more than four years older than the Minor Athlete.
   
   *Note: This exception is different than the close-in-age exception in the SafeSport Code pertaining to misconduct.*

2. **Exceptions for Adult Participant Personal Care Assistants Working with a Minor Athlete**

3. **Exceptions for Dual Relationships**
   This exception applies to certain policies when the Adult Participant has a dual role or relationship with a Minor Athlete. The exception requires written consent of the Minor Athlete’s parent/guardian at least annually.

   Many of the exceptions require parent/guardian consent. The Center recommends parents take training on child abuse prevention before providing consent under these policies. The Center offers a free Parent Course at www.safesporttrained.org.

**Am I required to take SafeSport Training?**

   Certain Adult Participants within the Olympic & Paralympic Movement who have (i) regular contact with Minor Athletes, (ii) authority over Minor Athletes, or (iii) are employees or board members of the USOPC, NGBs, PSOs, or LAOs, are required to take training. The specific training requirements can be found in Part I.

PART II

ORGANIZATIONAL REQUIREMENTS FOR EDUCATION & TRAINING AND PREVENTION POLICIES

All NGBs, PSOs, LAOs, and the USOPC (the “Organization”) shall implement proactive policies designed to prevent abuse. These organizational requirements are described below.

A. Organizational Requirements for Education & Training

25
1. USA Boxing shall track whether Adult Participants under its jurisdiction complete the required training listed in Part I.

2. USA Boxing shall, on an annual basis, offer and, subject to parental consent, give training to Minor Athletes on the prevention and reporting of child abuse.
   a. For training to Minor Athletes, the Organization shall track a description of the training and how the training was offered and provided to Minor Athletes.
   b. USA Boxing is not required to track individual course completions of Minor Athletes.

3. USA Boxing shall, on an annual basis, offer training to parents on the prevention and reporting of child abuse.

B. Required Prevention Policies and Implementation

1. USA Boxing shall develop minor athlete abuse prevention policies that contain the mandatory components of the Center’s model policies in Part III. These model policies cover:
   a. One-on-one interactions
   b. Meetings and training sessions
   c. Athletic training modalities, massages, and rubdowns
   d. Locker rooms and changing areas
   e. Electronic communications
   f. Transportation
   g. Lodging

2. The policies shall be approved by the Center as described in subsection (C) below. An Organization may choose to implement stricter standards than the model policies.

3. USA Boxing shall also require that its Local Affiliated Organizations (LAOs) implement these policies within each LAO.

4. USA Boxing shall implement these policies for all In-Program Contact.
   a. At sanctioned events and facilities partially or fully under its jurisdiction, the organization shall take steps to ensure the policies are implemented and followed.
   b. For In-Program Contact that occurs outside USA Boxing sanctioned event or facilities, implementing these policies means:
      i. Communicating the policies to individuals under its jurisdiction;
      ii. Establishing a reporting mechanism for violations of the policies;
      iii. Investigating and enforcing violations of the policies.
5. USA Boxing shall have a reporting mechanism to accept reports that an Adult Participant is violating USA Boxing's minor athlete abuse prevention policies. USA Boxing shall appropriately investigate and resolve any reports received, unless the violation is reported to the Center and it exercises jurisdiction over the report. This requirement is in addition to requirements to report abuse under the SafeSport Code.

C. Policy Approval and Submission Process

1. USA Boxing may adopt the MAAPP as-is or adapt it to fit their needs. Regardless, each Organization shall submit their policies to the Center at compliance@safesport.org for review and approval by January 31, 2021. The Center will approve, approve with modifications, or deny the policies. If the Center denies the proposed policy, the mandatory components of Part III become the default policy until the Center approves the policy.

2. USA Boxing shall require their LAOs (LBCs and Member Clubs) to incorporate the mandatory components of Part III. NGBs may require that their LAOs implement the NGB's policies, which may be more stringent than the policies in Part III.

3. The mandatory components of Part III will serve as the default policy for any organization that fails to develop its own policy as required by this section.

PART III

REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The U.S. Center for SafeSport recognizes that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

   a. All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete shall be observable and interruptible, except in emergency circumstances.

POLICY 5:
REPORTING

REPORTING POLICY

USA Boxing members shall report any misconduct as defined in USA Boxing Athlete Safety Policy, the Minor Athlete Abuse Prevention Policy (MAAPP), or this Safe Sport Policy Handbook that he or she observes or that has been reported to him or her by accessing the Online reporting portal at http://USCenterForSafeSport.org/report-a-concern or via Telephone: (833) 587-7233. You may also report any other violations, including the MAAPP Policies via the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or by telephone 719-866-2323. Please be advised you should also report to law enforcement as required by any state or federal reporting requirements.

Reports of misconduct involving sexualized behaviors including boundary violations, grooming behaviors, child sexual abuse, sexual misconduct (romantic relationship with imbalance of power, sexual exploitations, sexual harassment, sexual assault and violence), sexualized bullying and sexualized hazing will be sent to the U.S. Center for SafeSport (the entity with jurisdiction over misconduct as described above) either via the Online Reporting portal at http://USCenterForSafeSport.org/report-a-concern or via Telephone: (833) 587-7233. The Center also has discretionary jurisdiction over all other misconduct stated in the Policy 3, Athlete Safety Policy and Policy 4, Minor Athlete and Abuse Prevention Policies.

“Whistleblower” Protection
Regardless of whether the allegation(s) is proven, USA Boxing will support the complainant(s) and his or her right to express concerns in good faith. USA Boxing will not encourage, allow or tolerate attempts from any individual to retaliate, punish or in any way harm any individual(s) who reports a concern in good faith. Such actions against a complainant may be grounds for disciplinary action.

Bad-Faith Allegations
Submitting a knowingly false allegation is prohibited and may violate state criminal law and civil defamation laws. Such reports will be considered a violation of USA Boxing Safe Sport Policy Handbook and may be subject to penalty in accordance with Article 17 of the USA Boxing Bylaws.

Additional Considerations Regarding Reporting Sexual Misconduct

Grooming
Because sexual abusers often “groom” children for abuse – the process used by offenders to select a child, to win the child’s trust (and the trust of the child’s parent or guardian), to manipulate the child into sexual activity and to keep the child from disclosing abuse – it is possible that a USA Boxing member may witness behavior intended to groom a child for sexual abuse. All questions or concerns
related to inappropriate, suspicious or suspected grooming behavior should be directed to The U.S. Center for SafeSport Online portal [http://USCenterForSafeSport.org/report-a-concern](http://USCenterForSafeSport.org/report-a-concern) or via Telephone: (833) 587-7233 or the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or via telephone 719-866-2323.

**Peer-to-Peer Sexual Abuse**
Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. If you have any concerns that an interaction between children may constitute sexual abuse, report it to The U.S. Center for SafeSport, via the Online portal [http://USCenterForSafeSport.org/report-a-concern](http://USCenterForSafeSport.org/report-a-concern) or via Telephone: (833) 587-7233 or the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or via telephone, 719-866-2323.

**REPORTING PROCEDURE**

**To Whom to Report**
Any report of sexual misconduct (see full description above) may be made directly to the U.S. Center for SafeSport via online reporting at [http://USCenterForSafeSport.org/report-a-concern](http://USCenterForSafeSport.org/report-a-concern) or via telephone, call (833) 587-7233. You may also contact the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or via telephone 719-866-2323 to report sexual misconduct, or to report all other types of misconduct, including violation of the Minor Athlete Abuse Prevention Policies. In some cases, state and federal law imposes a duty to report any allegation of child physical or sexual abuse to relevant law enforcement authorities.

**How to Report**
The U.S. Center for SafeSport (The Center) or USA Boxing will take a report in the way that is most comfortable for the person initiating a report including an anonymous, in-person, verbal, or written report. Regardless of the method of reporting, it is helpful to The Center and USA Boxing to get the following information: (1) the name of the complainant(s); (2) the type of misconduct alleged; (3) the name(s) of the alleged victim(s); and (4) the name(s) of the individual(s) alleged to have committed the misconduct.

Individuals may complete an Incident Report Form. Information on this form will include:

1) the name(s) of the complainant(s)
2) the type of misconduct alleged
3) the name(s) of the alleged victim(s)
4) the name(s) of the individual(s) alleged to have committed the misconduct
5) the approximate dates the misconduct was committed
6) the names of other individuals who might have information regarding the alleged misconduct
7) a summary statement of the reasons to believe that misconduct has occurred

CONFIDENTIALITY AND ANONYMOUS REPORTING

Confidentiality
To the extent permitted by law, and as appropriate, The Center and USA Boxing will handle any report it receives confidentially and discretely and will not make public the names of the complaint(s), potential victim(s), or accused perpetrator(s); however, The Center and USA Boxing may disclose such names on a limited basis when conducting an investigation or reporting to law enforcement authorities.

Anonymous Reporting
The Center and USA Boxing recognizes it can be difficult to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. Anonymous reports may be made without the formality of completing an Incident Report Form:

- by completing the Reporting Form without including their name; or
- by expressing concerns verbally to The U.S. Center for SafeSport, Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone: (833) 587-7233 or the USA Boxing Safe Sport Representative at (719) 866-2323, email SafeSport@usaboxing.org.

Anonymous reporting may make it difficult for USA Boxing to investigate or properly address allegations.

HOW REPORTS ARE HANDLED

Suspicions or Allegations of Child Physical or Sexual Abuse

Reporting to Law Enforcement and/or Child Protective Services
The Center and USA Boxing report all allegations of child physical or sexual abuse to law enforcement authorities. These entities do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities. As necessary, however, The Center or USA Boxing may ask a few clarifying questions of the person making the report to adequately report the suspicion or allegation to law enforcement authorities.

* For mandatory reporting laws, visit www.childwelfare.gov.

Misconduct and Policy Violations
The U.S. Center for SafeSport and USA Boxing address internally alleged Safe Sport Policy Handbook violations and misconduct, including Athlete Safety Policy violations that are not reportable under relevant state or federal law.
The Center may also investigate allegations of child physical or sexual abuse that are reportable, if such investigation does not interfere with any ongoing criminal investigation or prosecution for abuse. Such allegations may include:

- Abuse reported outside the relevant statutes of limitation
- Allegations of abuse that were reported to authorities, but: (a) legal authorities did not press criminal charges; or (b) criminal charges were filed, but not pursued to trial.

NOTIFICATION
Following the Center’s or USA Boxing’s receipt of a credible allegation involving Safe Sport-related misconduct, The Center may consider the circumstances in which it will notify other parents of athletes with whom the accused individual may have had contact. In the Center’s discretion, and as appropriate, the Center may notify relevant staff members, contractors, volunteers, parents, and/or athletes of any such allegation that (1) law enforcement authorities are actively investigating; or (2) that the Center is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.
The enforcement of the policies contained in this Safe Sport Policy Handbook fall under the jurisdiction of the U.S. Center for SafeSport or the USA Boxing Judicial Committee. As such, The Center and Article 17 of the USA Boxing Bylaws govern the enforcement phase and set forth the penalties that may be imposed for any violation of this Safe Sport Policy Handbook.

Neither civil nor criminal nor USA Boxing statutes of limitation apply to reports of cases of sexual abuse.

[Article 17 of the Bylaws contemplates the Procedures that shall govern complaints filed pursuant to Article 17, which Procedures shall be posted on the USA Boxing website.]
