**Stage 1: 2020 High Performance Squad Qualification**

Athletes will become eligible for inclusion into the 2020 High Performance Squad by meeting one (1) of the following three (3) criteria:

1. **2020 U.S. Olympic Trials – Boxing: Stage 1 First Place Finisher**
   - The first place finisher per weight category of the 2020 U.S. Olympic Trials – Boxing: Stage 1 will qualify to the 2020 High Performance Squad and advance to the Final Olympic Qualification Team Selection Process.

2. **2020 U.S. Olympic Trials – Boxing: Stage 1 Second Place Finisher in a weight category without an approved *Medical Exemption**
   - The second place finisher in each weight category of the 2020 U.S. Olympic Trials – Boxing: Stage 1 that does not have a boxer with an approved *Medical Exemption will qualify to the 2020 High Performance Squad and advance to the Final Olympic Qualification Team Selection Process.

3. **2020 High Performance Squad Box-Off Winner (if a box-off is applicable*)**
   - The athlete who wins the 2020 High Performance Squad Box-Off between the 2020 U.S. Olympic Trials – Boxing: Stage 1 second place finisher and the athlete with an approved *Medical Exemption from the same weight category will qualify to the 2020 High Performance Squad and advance to the Final Olympic Qualification Team Selection Process.

*Note: Medical Exemption for the 2020 U.S. Olympic Trials – Boxing: Stage 1
- An athlete qualified (see “USA Boxing Trials Qualification Pathways” below) for the 2020 U.S. Olympic Trials – Boxing: Stage 1 who has placed in the top eight (8) of the 2017, 2018, or 2019 Elite World Championships in an Olympic weight category OR top two (2) of the 2019 Pan American Games and has an approved Medical Exemption excusing him or her from participating in the 2020 U.S. Olympic Trials – Boxing: Stage 1 will be required to participate in a 2020 High Performance Squad Box-Off against the second place finisher from the 2020 U.S. Olympic Trials – Boxing: Stage 1. The details for applying for a Medical Exemption and details about the box-off are provided on page 7.

**2020 U.S. Olympic Trials – Boxing: Stage 1**

The 2020 U.S. Olympic Trials – Boxing: Stage 1 will consist of a maximum of eight (8) athletes per weight category. Only athletes qualifying through the four (4) USA Boxing Trials Qualification Pathways outlined below will be eligible to compete in the 2020 U.S. Olympic Trials – Boxing: Stage 1. In the 2020 U.S.
Olympic Trials – Boxing: Stage 1, athletes must compete in the same weight category in which they qualified through the USA Boxing Trials Qualification Pathway.

**USA Boxing Trials Qualification Pathways**

In order to compete at the 2020 U.S. Olympic Trials – Boxing: Stage 1, athletes must qualify by placing in the top two (2) at one of the following USA Boxing Trials Qualification Pathways:

1. 2018 USA Boxing Elite National Championships
   - (December 2-8, 2018, Salt Lake City, Utah)
2. 2019 Western Elite Qualifier
   - (March 24-30, 2019, Reno, Nevada)
3. 2019 Eastern Elite Qualifier
   - (October 5-12, 2019, Columbus, Ohio)

   - (November 2-9, 2019, Oxnard, California)

Athletes cannot participate in more than one weight category at the 2020 U.S. Olympic Trials – Boxing: Stage 1. In the case that an athlete qualifies in more than one weight category, he or she must declare in writing, by the registration deadline (November 16, 2019) as to which weight category he or she will participate. The qualification of the weight category that he or she does not participate in will be reallocated to the next placed boxer in the same weight category from the same USA Boxing Trials Qualification Pathway; the same holds true for any weight category where a boxer declines the opportunity to participate in the 2020 U.S. Olympic Trials – Boxing: Stage 1 or if the same boxer qualifies through more than one of the four (4) USA Boxing Trials Qualification Pathways. This process will be followed up until the 8th place finisher. If the 8th place finisher does not accept the qualification, the qualification place will go unfilled. This same process of reallocation will be followed in the case that a boxer declines his or her qualification and does not participate in the 2020 U.S. Olympic Trials – Boxing: Stage 1.

2. DISCRETIONARY SELECTION (if applicable)

2.1. Provide rationale for utilizing discretionary selection (if any):

The 2020 Olympic Qualification Team will be selected from the 2020 High Performance Squad athletes based on evaluations conducted from January 2-26, 2020. This is done to ensure that athletes are selected based on a body of work where they must perform consistently, rather than selection based only on one competition.

2.2. List the discretionary criteria and explain how they will be used (if any):

Each athlete who participates in the Final Olympic Qualification Team Selection Process as a member of the 2020 High Performance Squad will be evaluated by the USA Boxing High Performance Selection Committee, which is composed of the High Performance Director, National Head Coach, National Assistant Coach, and the USOPC Boxing AAC Representative.

The evaluation of all High Performance Squad athletes will be based on the High Performance Review Guidelines, listed in Attachment A, and the High Performance Selection Committee will utilize the USA Boxing Athlete Assessment Form, provided in Attachment B.

The Final Olympic Qualification Team Selection will take place following the completion of the 2020 Elite Orientation, Testing, and Multi-Nation Training Camp and the 2020 Strandja Tournament, taking place January 2-26, 2020. The athlete with the best evaluation, based on the High Performance Review Guidelines (Attachment A), per weight category, will be selected to the 2020 Olympic Qualification Team to participate in the 2020 Olympic Qualification Events.

2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members’ titles currently serving on the committee:

The USA Boxing High Performance Selection Committee (USA Boxing High Performance Director, USA Boxing National Head Coach, USA Boxing National Assistant Coach, and USOPC Boxing AAC Representative) will make athlete selections to the 2020 Olympic Qualification Team to participate in the 2020 Olympic Qualification Events.

2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee:

Any member of the selection committee that has a possible conflict of interest must either recuse him/herself or disclose it to the NGB’s Ethics Committee prior to the start of the selection process. A conflict of interest exists when the committee member has a direct or indirect relationship, connection or affiliation, past or present, with an athlete in contention for the applicable team selection that could compromise the committee member’s ability to participate in the selection process in an unbiased manner. If a conflict exists,
the NGB’s Ethics Committee shall vet the conflict and make the final determination of whether that committee member must recuse him/herself from participating in discussions and/or voting. The Ethics Committee may determine that a committee member who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member with the conflict of interest does not vote toward the final decision. The committee member should not otherwise influence other members of the committee in the selection process.

Additionally, any person (including any potentially impacted athlete or coach of a potentially impacted athlete) with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to NGB’s Ethics Committee. Reports may be made anonymously.

If the recused individual is the USOPC Boxing AAC Representative, this selection committee member will be replaced by a USA Boxing Board of Directors Athlete Representative. If the recused individual is not the USOPC Boxing AAC Representative, the position on the committee will remain open.

3. REMOVAL OF ATHLETES

3.1. Prior to entry by name to the Local Organizing Committee by the USOPC, USA Boxing has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by USA Boxing may be removed for any of the following reasons, as determined by USA Boxing:

3.1.1. Voluntary withdrawal. Athlete must submit written notification to USA Boxing’s Executive Director.

3.1.2. Injury or illness as certified by a physician (or medical staff) approved by USA Boxing. If an athlete refuses verification of his or her illness or injury by a physician (or medical staff) approved by USA Boxing, his or her injury will be assumed to be disabling and he or she may be removed.

3.1.3. Failure to participate in Mandatory Training and/or Competition as defined in Section 9 of these procedures.

3.1.4. Failure to comply with the Weight Management Guidelines as defined in Section 9 of these procedures.

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per USA Boxing’s Bylaws, Article 22 (https://www.teamusa.org/usa-boxing/rulebook/usa-boxing-bylaws) and the USA Boxing Grievance and Complaint Policy (https://www.teamusa.org/USA-Boxing/Rulebook/Forms-and-
Once athlete entries have been submitted to the Local Organizing Committee by the USOPC, the USOPC has jurisdiction over the Team, at which time, in addition to any applicable NGB Code of Conduct, the USOPC’s Code of Conduct and Grievance Procedures apply.
