### **World Team Selection**

Athletes who meet the requirements above will be selected to participate in the USA Boxing World Team Evaluation & Selection Camp, taking place September 22-October 20, 2021. Each athlete who participates in the USA Boxing World Team Evaluation & Selection Camp will be evaluated by the USA Boxing High Performance Staff. This evaluation will be based on the High Performance Evaluation Guidelines outlined in Attachment A.

Once the evaluation is complete, all evaluations will be submitted to the \*High Performance Selection Committee, which is composed of the USA Boxing High Performance Director and USA Boxing AAC Athlete Representative. The High Performance Selection Committee will review all evaluations and the athlete with the best evaluation, per weight class, will be selected to the Elite World Championships Team, pending that the athlete receives a minimum evaluation score of 80 points. If a weight class does not have an athlete who reaches the minimum evaluation score, USA Boxing will not contest this weight at the 2021 World Championships.

\*Note: Any member of the selection committee that has a possible conflict of interest must either recuse him/herself or disclose it to the NGB's Ethics Committee prior to the start of the selection process. A conflict of interest exists when the committee member has a direct

or indirect relationship, connection, or affiliation, past or present, with an athlete in contention for the applicable team selection that could compromise the committee member's ability to participate in the selection process in an unbiased manner. If a conflict exists, the NGB's Ethics Committee shall vet the conflict and make the final determination of whether that committee member must recuse him/herself from participating in discussions and/or voting. The Ethics Committee may determine that a committee member who has relevant and necessary information with respect to athlete performance, for example a national team coach or high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member with the conflict of interest does not vote toward the final decision. The committee member should not otherwise influence other members of the committee in the selection process.

Additionally, any person (including any potentially impacted athlete or coach of a potentially impacted athlete) with a good faith belief that a committee member has a conflict of interest may report the alleged conflict of interest to NGB's Ethics Committee. Reports may be made anonymously.

If the recused individual is the USOPC Boxing AAC Representative, this selection committee member will be replaced by a USA Boxing Board of Directors Athlete Representative. If the recused individual is not the USOPC Boxing AAC Representative, the position on the committee will remain open.
