

2021 USA Boxing National Championship Weight Change Guide

1. To change your weight, **you first must be registered for the event.**
2. Once registered, login to your USA Boxing profile and you will see the pop up below.

3. This will open your active event registration. From here you can select the new desired weight from the drop-down menu and click "Edit My Registration". This will save your new weight.
4. You can change your weight as many times as you want until the deadline on 11/22/2021.
