INTRODUCTION

There are a lot of reasons to participate in boxing – at any level. Some of the most common reasons include to have fun and to spend time with friends. Boxing also encourages a healthy lifestyle and builds self-confidence.

Unfortunately, sport, including boxing, can also be a high-risk environment for misconduct. All forms of misconduct are intolerable and in direct conflict with USA Boxing ideals.

There are six primary types of misconduct covered in this Safe Sport Policy Handbook for the purpose of athlete safety:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing

Misconduct may damage an athlete’s psychological well-being. Athletes who have been mistreated may experience social embarrassment, emotional turmoil, psychological scars, loss of self-esteem and their relationships with family and friends can be negatively affected. Misconduct often hurts an athlete’s competitive performance and may cause him or her to drop out of sport entirely.

To enhance safe sport practices and to investigate and resolve safe sport violations, USA Boxing has agreed to comply with the safe sport policies of the U.S. Center for SafeSport (Center) and has incorporated by reference the provisions of the SafeSport Code for the U.S. Olympic and Paralympic Movement (Code), including its appendices, into these policies. The Center may update its policies at any time and the changes are effective when published. For the most current safe sport rules, policies and procedures, go to www.SafeSport.org.

Any inquiries about the policies contained in this Safe Sport Policy Handbook should be directed to the USA Boxing membership email box at membership@usaboxing.org or via telephone 719-866-2323.
DEFINITIONS

This section defines key words and concepts used throughout this Safe Sport Policy Handbook. The definitions set forth are intended to be universal in nature; however, some definitions vary by state. For example, the legal definition of “child abuse” is determined by each individual state. Guidelines concerning specific states may be found by visiting the Child Welfare Information Gateway www.childwelfare.gov.

Boxer:
- Any competitor or participant that competes or participates in any USA Boxing licensed competition or USA Boxing sanctioned event.

Child, children, minor and youth:
- Anyone under the age of 18. Here, “child,” “children,” “minor” and “youth” are used interchangeably.

Coach
- Any adult that has or shares the responsibility for instructing, teaching, training, or advising an athlete in the context of boxing.

Misconduct:
- Conduct which results in harm, the potential for harm or the imminent threat of harm. Age is irrelevant to misconduct. There are six primary types of misconduct in sport: sexual misconduct, physical misconduct, emotional misconduct, harassment, hazing, and bullying.

USA Boxing Designee:
- USA Boxing staff, USA Boxing non-athlete members (officials, coaches, physicians, administrators, USA Boxing Board of Director Members, and any individual that USA Boxing formally authorizes, approves or appoints (a) to a position of authority over, or (b) to have frequent contact with any athlete.

POLICY 1: TRAINING AND EDUCATION

All USA Boxing Designees must successfully complete awareness training concerning misconduct in sport. Misconduct in sport includes:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing

The training provides a basic understanding of the six types of misconduct.

USA Boxing Designees are required to successfully complete a US Center for SafeSport-approved awareness program every year.
POLICY 2:
CRIMINAL BACKGROUND CHECK

PURPOSE
The U.S. Olympic & Paralympic Movement is committed to the safety of athletes and participants involved in sport. The USOPC requires NGBs, PSOs, and HPMOs (hereinafter “Responsible Sport Organizations”) to conduct background checks in order to (a) foster a safe environment at the Olympic, Paralympic, Pan American, Parapan American, Youth Olympic Games, and other international sporting events as designated by the USOPC (collectively the “Delegation Events”), as well as Olympic & Paralympic Training Centers and Training Sites; (b) create a safe living, training, and competition environment for athletes and other individuals associated with Responsible Sport Organizations; and (c) protect persons at risk, including, but not limited to, minors and vulnerable adults.

All provisions of this policy are mandatory in substance and must be followed as applicable by USA Boxing Designees. This policy sets forth the minimum standards and outlines basic requirements for USA Boxing’s background check policies. The USA Boxing Criminal Background Check policy assists USA Boxing in promoting the safety and welfare of athletes.

NOTE: Due to reporting and other limitations, information from a background check should not be relied upon as the sole basis for selection, but rather, as an important indicator in the overall selection process.

PROCESS
The Criminal Background Check Consent and Waiver Release form must be submitted to USA Boxing’s criminal background check vendor and a USA Boxing Designee cleared before he or she may perform services for USA Boxing. Upon submission of the Criminal Background Check Consent and Waiver Release form, USA Boxing will request that its vendor perform the criminal background check.

1. Any felony\(^9\).

**PENDING COURT CASES**
No decision will be made on a prospective USA Boxing Designee's eligibility if he or she has a pending court case for any of the potentially disqualifying offenses until the pending case concludes. If, however, during the case’s pendency, USA Boxing undertakes an independent investigation and conducts a hearing, any determination may be used to disqualify the prospective USA Boxing Designee.

**FULL DISCLOSURE**
Each USA Boxing Designee and prospective USA Boxing Designee has the affirmative duty to disclose his or her criminal history. Failing to disclose or intentionally misrepresenting an arrest, plea or conviction history is grounds for USA Boxing Designee status revocation or restriction, regardless of when the offense is discovered. USA Boxing Designees need not disclose arrests in which charges were not filed, charges were dismissed, or the USA Boxing Designee was acquitted; however, USA Boxing Designees are required to disclose “non-convictions” involving deferred sentences, deferred adjudications or other similar dispositions.

- If a prospective USA Boxing Designee (1) is arrested, (2) enters a guilty plea or (3) is convicted of a crime other than a traffic offense during the application process, he or she is required to disclose such information immediately.
- USA Boxing Designees have the ongoing duty to disclose criminal history. In the event a USA Boxing Designee (1) is arrested, (2) enters a guilty plea or (3) is convicted of a criminal offense other than a traffic offense, he or she has an affirmative duty to disclose such information immediately to USA Boxing via email to membership@usaboxing.org or telephone 719-866-2323.
- Any USA Boxing Designee or prospective USA Boxing Designee who has been banned by another sport organization, as temporarily or permanently ineligible, must self-disclose this information. A failure to disclose is a basis for disqualification.

**FINDINGS**
USA Boxing's criminal background check report will return a “cleared or “flagged” finding.

A cleared finding means that the background check vendor located no records that would disqualify the individual. A cleared score, however, is not a certification of safety or permission to bypass/ignore other screening efforts. Other disqualifying factors may exist and can be revealed through other means.
A flagged finding means that the individual may be subject to disqualification; however, an individual with a flagged finding may seek an exemption from the USA Boxing Executive Director/Judicial Committee. In order to receive an exemption from disqualification, the individual must demonstrate that the conviction or charge does not violate the spirit of Safe Sport and that he or she poses no risk to the sport. In order to seek an exemption from disqualification, contact USA Boxing via email at membership@usaboxing.org or telephone 719-866-2323.

**APPEAL TO CRIMINAL BACKGROUND CHECK VENDOR**

Any disqualified individual has the right to dispute the findings of the criminal background check directly with USA Boxing’s approved criminal background check vendor. USA Boxing is required by this Criminal Background Check policy to accept the findings of the criminal background check vendor.
POLICY 3:
ATHLETE SAFETY POLICY

COMMITMENT TO SAFETY

Overview

USA Boxing recognizes that the process for training and motivating athletes will vary with each coach, trainer and athlete, but it is nevertheless important for everyone involved in sport to support the use of motivational and training methods that avoid misconduct. USA Boxing falls under and complies with the U.S. Center for SafeSport’s SafeSport Code for the U.S. Olympic and Paralympic Movement.

In the event that any USA Boxing member, USA Boxing Board of Director member, or USA Boxing Staff member either (i) observes misconduct as defined in this SafeSport Policy Handbook or (ii) has reported to him or her allegations of misconduct as defined in this SafeSport Policy Handbook, it is the personal responsibility of the individual to immediately report this to the USA Boxing SafeSport Representative, Lynette Smith at lsmith@usaboxing.org or (719) 866-2311. If the alleged misconduct involves sexual abuse or sexualized behavior, the individual may report directly to the U.S. Center for SafeSport Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone: (720)524-5640 or to the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or via telephone 719-866-2323.

The USA Boxing member, Board of Director member or Staff member should not attempt to evaluate the credibility or validity of the allegations as a condition for reporting to USA Boxing. When potential criminal behavior has been reported to USA Boxing, USA Boxing shall report such allegation(s) to law enforcement authorities. Complaints and allegations will be addressed under the USA Boxing Enforcement Policy set out below.

Application

This Athlete Safety Policy applies to all USA Boxing members, Board of Director members and Staff members.

USA Boxing members shall refrain from all forms of misconduct, which include:

- Sexual Misconduct
- Physical Misconduct
- Emotional Misconduct
- Bullying
- Harassment
- Hazing
PROHIBITED CONDUCT

Sexual Misconduct

(1) Any touching or non-touching sexual interaction that is (a) nonconsensual or forced, (b) coerced or manipulated, or (c) perpetrated in an aggressive, harassing, exploitative or threatening manner;

(2) Any sexual interaction between an athlete and an individual with evaluative, direct or indirect authority. Such relationships involve an imbalance of power and are likely to impair judgment or be exploitative; or

(3) Romantic or sexual relationships, which began during the sport relationship, between athletes or other participants and those individuals (i) with direct supervisory or evaluative control, or (ii) are in a position of power and trust over the athlete or other participant. Except in circumstances where no imbalance of power exists, coaches have this direct supervisory or evaluative control and are in a position of power and trust over those athletes or participants they coach. The prohibition on romantic or sexual relationships does not include those relationships where it can be demonstrated that there is no imbalance of power. For example, this prohibition does not apply to a pre-existing relationship between two spouses or life partners.

(4) Any act or conduct described as sexual abuse or misconduct under federal or state law (e.g. sexual abuse, sexual exploitation, rape).

Note: An imbalance of power is always assumed between a coach and an athlete.

Types of Sexual Misconduct

Types of sexual misconduct include:

(1) sexual assault,
(2) sexual harassment,
(3) sexual abuse, or
(4) any other sexual intimacies that exploit an athlete. Minors cannot consent to sexual activity with an adult, and all sexual interaction between an adult and a minor is strictly prohibited.

Exceptions

None

Examples

Examples of sexual misconduct prohibited under this Athlete Safety Policy include, without limitation:

(1) **Touching offenses.** Behaviors that include:
   (a) fondling an athlete’s breasts or buttocks
   (b) exchange of reward in sport (e.g., team placement, scores, feedback) for sexual favors
   (c) genital contact intended to provide sexual gratification
(d) sexual relations or intimacies between persons in a position of trust, authority and/or evaluative and supervisory control over athletes or other sport participants.

**Comment**

**Authority and Trust.** Once the unique coach-athlete relationship is established, the authority and trust on the part of the coach over the athlete shall be assumed, regardless of age. Accordingly, sexual interaction or intimacies between a coach and an athlete or other participant are prohibited, regardless of age, both during coaching and during that period following coaching if an imbalance in power could jeopardize effective decision-making.

(2) **Non-touching offenses.** Behaviors that include:

(a) discussing one’s sex life with an athlete;
(b) asking an athlete about his or her sex life;
(c) requesting or sending a nude or partial-dress photo to an athlete;
(d) exposing athletes to pornographic material;
(e) sending athletes sexually explicit or suggestive electronic or written messages or photos (e.g. “sexting”);
(f) deliberately or recklessly exposing an athlete to sexual acts;
(g) deliberately or recklessly exposing an athlete to nudity (except in situations where locker rooms and changing areas are shared);
(h) sexual harassment; specifically, the sexual solicitation, physical advances, or verbal or nonverbal conduct that is sexual in nature, and
   a. is unwelcome, offensive or creates a hostile environment, and the offending individual knows or is told this; or
   b. is sufficiently severe or intense to be harassing to a reasonable person in the context.

**Child Sexual Abuse**

(1) Any sexual activity with a child. Minors cannot consent to sexual activity with an adult, and any sexual interaction between and adult and a minor is strictly prohibited. This includes sexual contact with a child that is accomplished by deception, manipulation, force or threat of force, regardless of the age of the participants, and all sexual interactions between an adult and a child, regardless of whether there is deception, or the child understands the sexual nature of the activity.

**Note concerning peer-to-peer child sexual abuse:** Sexual contact between minors also can be abusive. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power and/or intellectual capabilities.

(2) Any act or conduct described as child sexual abuse under federal or state law.
Exception
None

Examples
Sexually abusive acts may include sexual penetration, sexual touching or non-contact sexual acts such as verbal acts, sexually suggestive electronic or written communications, exposure or voyeurism.

Physical Misconduct

Note: Bullying, harassment and hazing, addressed below, often involve some form of physical misconduct.

REQUIRED PREVENTION POLICIES

A. Required policies

1. One-on-One Interactions, including meetings and individual training sessions
2. Massages and rubdowns/athletic training modalities
3. Locker rooms and changing areas
4. Social media and electronic communications
5. Local travel
6. Team travel.

B. Minor athletes who become adult athletes

With the exception of athletes who are members of the same team, Minor Athletes who reach the age of majority (i.e. 18 years of age) must adhere to the provisions found in the Minor Athlete Abuse Prevention Policies when interacting with minor athletes who are 14 years of age or younger.

Minor Athletes who reach the age of majority and then obtain a position of authority that presents a power imbalance, such as becoming a coach or official, must also comply with these prevention policies regardless of the age of the minor athletes with whom they will interact.
PART III
REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The majority of child sexual abuse is perpetrated in isolated, one-on-one situations. By reducing such interactions between children and adults, programs reduce the risk of child sexual abuse. However, one-on-one time with trusted adults is also healthy and valuable for a child. Policies concerning one-on-one interactions protect children while allowing for these beneficial relationships.

• Refer to the Center’s training as a “certification,” or to individuals who have completed the training as “certified” or “licensed.” (Instead, it shall be referred to as a “completion”.)
POLICY 5: REPORTING

REPORTING POLICY

USA Boxing members shall report any misconduct as defined in USA Boxing Athlete Safety Policy or this Safe Sport Policy Handbook that he or she observes or that has been reported to him or her to the USA Boxing Membership mailbox at Membership@usaboxing.org or via telephone 719-866-2323, in addition to law enforcement as required by any state or federal reporting requirements. Reports of misconduct involving sexualized behaviors including boundary violations, grooming behaviors, child sexual abuse, sexual misconduct (romantic relationship with imbalance of power, sexual exploitations, sexual harassment, sexual assault and violence), sexualized bullying and sexualized hazing will be sent to the U.S. Center for SafeSport (Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone: (720) 524-5640), the entity with jurisdiction over misconduct as described above. The Center also has discretionary jurisdiction over all other misconduct stated in the Policy 3, Athlete Safety Policy and Policy 4, Minor Athlete and Abuse Prevention Policies.

“Whistleblower” Protection
Regardless of whether the allegation(s) is proven, USA Boxing will support the complainant(s) and his or her right to express concerns in good faith. USA Boxing will not encourage, allow or tolerate attempts from any individual to retaliate, punish or in any way harm any individual(s) who reports a concern in good faith. Such actions against a complainant may be grounds for disciplinary action.

Bad-Faith Allegations
Submitting a knowingly false allegation is prohibited and may violate state criminal law and civil defamation laws. Such reports will be considered a violation of USA Boxing Safe Sport Policy Handbook and may be subject to penalty in accordance with Article 17 of the USA Boxing Bylaws.

Additional Considerations Regarding Reporting Sexual Misconduct

Grooming
Because sexual abusers often “groom” children for abuse – the process used by offenders to select a child, to win the child’s trust (and the trust of the child’s parent or guardian), to manipulate the child into sexual activity and to keep the child from disclosing abuse – it is possible that a USA Boxing member may witness behavior intended to groom a child for sexual abuse. All questions or concerns related to inappropriate, suspicious or suspected grooming behavior should be directed The U.S. Center for SafeSport, Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone:
Peer-to-Peer Sexual Abuse

Approximately 1/3 of all child sexual abuse occurs at the hands of other children and the obligation to report extends to peer-to-peer child sexual abuse. Whether or not a sexual interaction between children constitutes child sexual abuse turns on the existence of an aggressor, the age difference between the children, and/or whether there is an imbalance of power or intellectual capabilities. If you have any concerns that an interaction between children may constitute sexual abuse, report it to The U.S. Center for SafeSport, Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone: (720) 524-5640 or the USA Boxing Membership mailbox at Membership@usaboxing.org or via telephone 719-866-2323.

REPORTING PROCEDURE

To Whom to Report

Any report of sexual misconduct (see full description above) may be made directly to the U.S. Center for SafeSport via online reporting at (http://USCenterForSafeSport.org/report-a-concern) or via telephone, call (720) 524.5640. You may also contact the USA Boxing Safe Sport mailbox at SafeSport@usaboxing.org or via telephone 719-866-2323.

to report sexual misconduct and to report all other types of misconduct. In some cases, state and federal law imposes a duty to report any allegation of child physical or sexual abuse to relevant law enforcement authorities.

How to Report

The U.S. Center for SafeSport (the Center) or USA Boxing will take a report in the way that is most comfortable for the person initiating a report including an anonymous, in-person, verbal or written report. Regardless of the method of reporting, it is helpful to the Center and USA Boxing to get the following information: (1) the name of the complainant(s); (2) the type of misconduct alleged; (3) the name(s) of the alleged victim(s); and (4) the name(s) of the individual(s) alleged to have committed the misconduct.

Individuals may complete an Incident Report Form. Information on this form will include:

1) the name(s) of the complainant(s)
2) the type of misconduct alleged
3) the name(s) of the alleged victim(s)
4) the name(s) of the individual(s) alleged to have committed the misconduct
5) the approximate dates the misconduct was committed
6) the names of other individuals who might have information regarding the alleged misconduct
7) a summary statement of the reasons to believe that misconduct has occurred

(720) 524-5640 or the USA Boxing Membership mailbox at Membership@usaboxing.org or via telephone 719-866-2323.
CONFIDENTIALITY AND ANONYMOUS REPORTING

Confidentiality
To the extent permitted by law, and as appropriate, the Center and USA Boxing will handle any report it receives confidentially and discretely and will not make public the names of the complaint(s), potential victim(s), or accused perpetrator(s); however, the Center and USA Boxing may disclose such names on a limited basis when conducting an investigation or reporting to law enforcement authorities.

Anonymous Reporting
The Center and USA Boxing recognizes it can be difficult to report an allegation of misconduct and strives to remove as many barriers to reporting as possible. Anonymous reports may be made without the formality of completing an Incident Report Form:

• by completing the Reporting Form without including their name; or
• by expressing concerns verbally to the U.S. Center for SafeSport, Online: http://USCenterForSafeSport.org/report-a-concern or via Telephone: (720) 524-5640 or the USA Boxing Safe Sport Representative at (719) 866-2323.

Anonymous reporting may make it difficult for USA Boxing to investigate or properly address allegations.

HOW REPORTS ARE HANDLED

Suspicions or Allegations of Child Physical or Sexual Abuse

Reporting to Law Enforcement and/or Child Protective Services
The Center and USA Boxing report all allegations of child physical or sexual abuse to law enforcement authorities. These entities do not attempt to evaluate the credibility or validity of child physical or sexual abuse as a condition for reporting to appropriate law enforcement authorities. As necessary, however, the Center or USA Boxing may ask a few clarifying questions of the person making the report to adequately report the suspicion or allegation to law enforcement authorities.

* For mandatory reporting laws, visit www.childwelfare.gov.

Misconduct and Policy Violations
The U.S. Center for SafeSport and USA Boxing address internally alleged Safe Sport Policy Handbook violations and misconduct, including Athlete Safety Policy violations that are not reportable under relevant state or federal law.

The Center may also investigate allegations of child physical or sexual abuse that are reportable, if such investigation does not interfere with any ongoing criminal investigation or prosecution for abuse. Such allegations may include:
• Abuse reported outside the relevant statutes of limitation
• Allegations of abuse that were reported to authorities, but: (a) legal authorities did not press criminal charges; or (b) criminal charges were filed, but not pursued to trial.

NOTIFICATION
Following the Center's or USA Boxing's receipt of a credible allegation involving Safe Sport-related misconduct, the Center may consider the circumstances in which it will notify other parents of athletes with whom the accused individual may have had contact. In the Center’s discretion, and as appropriate, the Center may notify relevant staff members, contractors, volunteers, parents, and/or athletes of any such allegation that (1) law enforcement authorities are actively investigating; or (2) that the Center is investigating internally. Advising others of an allegation may lead to additional reports of child physical or sexual abuse and other misconduct.
POLICY 6
ENFORCEMENT

ENFORCEMENT
The enforcement of the policies contained in this Safe Sport Policy Handbook fall under the jurisdiction of the U.S. Center for SafeSport or the USA Boxing Judicial Committee. As such, the Center and Article 17 of the USA Boxing Bylaws govern the enforcement phase and set forth the penalties that may be imposed for any violation of this Safe Sport Policy Handbook.

Neither civil nor criminal nor USA Boxing statutes of limitation apply to reports of cases of sexual abuse.

[Article 17 of the Bylaws contemplates the Procedures that shall govern complaints filed pursuant to Article 17, which Procedures shall be posted on the USA Boxing website.]
