A complaint filed by an organization shall be accompanied with a $500.00 filing fee, except that USA Field Hockey is not required to pay a filing fee. The complainant may request that the filing fee be reduced or waived for reasons of significant financial hardship. If such request is made, the Judicial Committee shall determine whether to reduce or waive the filing fee. If the complaint is upheld by the Judicial Committee, the fee will be returned. Notwithstanding the foregoing, complaints filed by one member against another member alleging a U.S. Center for SafeSport violation may be made without incurring a filing fee of any kind.
Statute of Limitations

A complaint filed under this Article XV must be filed within the following time frames based on the type of complaint:

a. An Administrative Grievance must be filed within sixty (60) days of the occurrence of the alleged violation or grievance, except as provided below.

b. A Right to Compete complaint must be filed within six (6) months of the denial or threat to deny.

c. Complaints alleging misconduct within USA Field Hockey’s SafeSport Policy (Except for those matters subject to the jurisdiction of USCSS):
   i. Must be filed within five (5) years of the occurrence of the alleged violation, incident or grievance. In the case of a person who was a minor at the time of the occurrence of the alleged violation, incident or grievance, the complaint must be filed no later than five (5) years following the person’s eighteenth (18th) birthday.
   ii. However, grievances alleging sexual misconduct as defined in USA Field Hockey’s SafeSport Policy are not subject to any statute of limitations.

Field of Play Decisions

The final decision of an umpire during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the umpire) shall not be reviewable through the procedures for, or the subject of, Administrative Grievances or Right to Compete Complaints unless the decision is: (i) outside the authority of the umpire to make, or (ii) the product of fraud, corruption, partiality or other misconduct of the umpire. For purposes of this Section, the term “umpire” shall include any individual with discretion to make field of play decisions.

Administration

The Judicial Committee shall generally administer and oversee all administrative grievances and right to compete matters filed with, and under the jurisdiction of, USA Field Hockey. The Judicial Committee shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner. Except for expedited hearings, which shall be heard in a manner set forth in the Expedited Procedures section of these procedures, all hearings will be heard within 90 days after the last filing with USA Field Hockey. The Judicial Committee may promulgate procedures in addition to those set forth in these Bylaws, but which may not conflict with any provisions of these Bylaws, for the effective and timely administration of complaints filed with USA Field Hockey.
Hearing Panel

Except in the case of an expedited procedure, upon the filing of a complaint, the chair of the Judicial Committee, after consultation with the other Committee members, shall appoint a hearing panel consisting of three (3) individuals to hear the complaint, which shall include at least one (1) athlete. The Hearing Panel may consist of (a) Judicial Committee members, (b) members of the Ethics Committee and/or (c) other individuals identified by the Judicial Committee. The non-athlete hearing panel members need not be members of USA Field Hockey or involved in the sport of field hockey. However, all hearing panel members must be disinterested and impartial individuals that are fact finders and continue to follow these requirements throughout the course of the hearing or they will be replaced. Out of the members of the appointed hearing panel, the Judicial Committee shall also appoint a chair of the Hearing Panel. USA Field Hockey will disclose the panel members to the complainant and respondent.

Conduct of the Proceeding

Except in the case of expedited procedures, the Hearing Panel shall rule on all motions and other matters raised in the proceeding. The respondent may make a motion to dismiss and/or the hearing panel may on its own dismiss the matter on the grounds including, but not limited to jurisdiction, statute of limitations, failure to state a case and/or compliance with these Bylaws. If the complaint is not dismissed, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules, not inconsistent with the provisions of this section regarding the proceeding and the conduct of the hearing as it deems necessary. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted by teleconference, if necessary or convenient time for both parties. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel shall have the right to question witnesses or the parties to the proceeding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript.

Expedited Procedures

If a complaint arises during the course of a competition or during travel by a team to a competition and it is necessary to expedite the proceeding in order to resolve a matter relating to the competition and compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties,
such complaint will be filed with the Team Coach or Team Leader and shall be heard by a Hearing Panel appointed by the Team Coach or Leader in consultation with the Judicial Committee (which may be telephonic and which may take place to establish a panel prior to the competition). The hearing panel shall consist of three (3) individuals and include the Team Coach, the Team Captain and an athlete, so long as no such person is involved in or may be affected by such complaint, or the decision of the hearing panel rendered on the complaint. Such complaints shall be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Complaints Involving Selection to Participate in a Competition

Except in the case of expedited procedures, where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine which additional individuals must receive notice of the complaint. The complainant shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the hearing panel even though the individual chose not to participate as a party.

Decision

All decisions, including those of panels appointed for expedited procedures, shall be determined by a majority of the hearing panel. The Hearing Panel's decision shall be in writing and distributed to the parties. The Hearing Panel's decision will be final and binding upon the parties unless a party is entitled to seek arbitration as referred to in the section below.

Where a Hearing Panel decision has been rendered in a matter where the discipline imposed is suspension, permanent expulsion or permanent ineligibility, USA Field Hockey shall publish the following information on its website and newsletter:

a) The name of the individual;
b) The state of residence of the individual where the violation occurred and/or where the individual resides at the time the discipline is imposed;
c) The nature of the grievance, the USA Field Hockey bylaw, rule or policy which was violated, and the discipline imposed; and

d) In the case of a suspension, notice that the suspension has been lifted following expiration of the suspension.
Arbitration

Any party may pursue arbitration with the American Arbitration Association in the event the decision involves the opportunity of the party to participate or to seek to participate in a protected competition, as referred to in and in accordance with applicable provisions of the Sports Act and the USOPC Bylaws. The arbitration will be binding.
