**CONFLICT OF INTEREST POLICY  
OF  
UNITED STATES FIELD HOCKEY ASSOCIATION**

## 1. Purpose

**USFHA** is committed to sustaining an ethical organization free of conflicts of interest and perceived conflicts of interest. Each Affiliated Individual (as defined below) has the responsibility to administer the affairs of **USFHA** honestly and prudently, and to exercise their best care, skill, and judgment for the sole benefit of **USFHA**. Those persons will exercise the utmost good faith in all transactions involved in their duties, and they will not use their positions with **USFHA** or knowledge gained therefrom for their personal benefit. The interests of the organization must be the first priority in all decisions and actions. **USFHA** requires that any of its Affiliated Individuals recognize, attempt to avoid activities or investments that involve, might appear to involve, or could result in a potential conflict of interest.

This policy does not attempt to provide an exhaustive list of every possible circumstance that might give rise to a conflict of interest, but provides examples of situations or “**transactions**” where potential conflicts of interest often arise. A “**transaction**” is any contract, transaction, agreement or relationship involving the sale or purchase of goods, services, or rights of any kind, the providing or receipt of a grant or loan, or the establishment of any other financial relationship with **USFHA**.

## 2. Applicability of Policy

This Conflict of Interest Policy is applicable to all **USFHA** Affiliated Individuals. “**Affiliated Individuals**” include, but are not limited to, members of **USFHA**’s Board of Directors (the Board of **USFHA**), officers, committee members, task force members, hearing panel members, employees, and volunteers.

## 3. Definitions

“**Conflict of Interest**” or “**Conflict**” exists when an Affiliated Individual’s activities or interests interfere with, influence, or have the potential to interfere with or influence his or her responsibilities on behalf of the **USFHA** or undermine the interests of the **USFHA**. A “**conflict of interest**” also exists in the context of athlete or team selection when an Affiliated Individual participates in a selection decision that involves or impacts an athlete with whom the Affiliated Individual has a direct or indirect relationship, or when an Affiliated Individual participates in a benefits or services allocation decision that directly impacts the Affiliated Individual.

## 4. Areas in Which Conflicts May Arise

Conflicts of interest often arise due to the relationships Affiliated Individuals have with the following third parties:

- a) Persons or entities supplying goods and services to **USFHA**;
- b) Persons or entities leasing property or equipment to **USFHA**;
- c) Persons or entities with whom **USFHA** is dealing or planning to deal in connection with the gift, purchase or sale of real estate, securities or other property;
- d) Competing or affinity organizations;
- e) Donors and others supporting **USFHA**;
- f) Agencies, organizations, and associations which affect the operations of **USFHA**; or
- g) Family members, friends, and other employees. A “**Family Member**” is defined as a spouse, domestic partner, parent, parent of spouse/domestic partner, child, stepchild, child of a domestic partner, sibling, or the sibling of a spouse/domestic partner of an Affiliated Individual.

Potential conflicts of interest often arise when Affiliated Individuals have an interest, directly or indirectly, with any persons or entities mentioned above. Examples of potential conflicts of interest are listed below. The list below is not intended to be an all-inclusive list of every instance that may create a potential conflict of interest, but, rather, is simply a sample of the types of relationships and activities that may give rise to a conflict of interest. If an Affiliated Individual or other disclosing individual has any question as to whether a relationship or activity may create a conflict of interest, a disclosure must be made.

Examples of potential conflicts of interest that should be disclosed are listed below:

**EXAMPLE:** **USFHA** employee participating in a decision to select an athlete on **USFHA's** team for World Championships or major international competition when the **USFHA** employee is athlete's current coach or family member.

**EXAMPLE:** The athlete representative assisting with drafting, voting on, and/or signing the procedures is also competing for a spot on the team for which the procedures are written.

**EXAMPLE:** An athlete is the potential recipient of benefits or services that are being allocated by **USFHA** and participates in the allocation decision.

## 5. Interpretation of This Policy

The areas of conflicting interest and relations in those areas which may give rise to a conflict, as listed in Section 4, are not exhaustive. Affiliated Individuals should disclose all relationships and activities which may give rise to a potential conflict of interest, whether or not listed expressly in Section 4.

However, disclosure of a conflict or potential conflict of interest does not necessarily prohibit involvement in the disclosed activity or with the **USFHA**. For example, the conflict might not be material enough to be of practical importance, or if it is material, it might be possible for the **USFHA** and Affiliated Individual to implement appropriate mitigating measures upon full disclosure of all relevant facts and circumstances. However, it is **USFHA's** policy that the existence of any of the interests described or similar in nature to those described in Section 4 will be disclosed before any transaction is consummated or any vote taken on an action, contract, relationship, or decision that would give rise to the potential conflict of interest. It is the continuing responsibility of each Affiliated Individual to scrutinize his/her transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures.

## **6. Disclosure Policy and Procedure**

In addition to the mandatory self-disclosures required from each Affiliated Individual under Sections 9 and 10 of this policy, any individual with a good faith belief that another Affiliated Individual has a conflict of interest may notify the **USFHA** Ethics Committee of such perceived conflict pursuant to the procedures set forth below. Such notice may be provided anonymously. Furthermore, should any Affiliated Individual become aware of any undisclosed conflict of interest, or any conflict of interest not fully disclosed, such person should make full disclosure of their knowledge of the potential conflict of interest involved to **USFHA's** Ethics Committee. Board Members are required to disclose conflicts of interest during the meeting and these disclosures are to be included in the Board Minutes.

Affiliated members are encouraged to disclose conflicts whenever they may arise or whenever the member becomes aware of them, in addition to annual disclosures. Specifically, Board members, committee members and members of tribunals or panels must disclose any conflicts when they arise or whenever they become aware of them.

After disclosure of the conflict or potential conflict of interest and all material facts, and after any discussion with the interested person and any other relevant party, the Ethics Committee will decide if a conflict of interest exists pursuant to the procedures set forth in Section 7 below, as applicable, and if there are mitigating measures that could be implemented to permit **USFHA** to move forward with the transaction or activity.

## **7. Procedures for Addressing Potential Conflicts of Interest**

### **a) With Respect to USFHA Transactions or Business**

In the event a potential conflict of interest exists with respect to a proposed transaction or arrangement, then promptly and before any decision is made regarding the proposed transaction or arrangement, the potential conflict of interest will be addressed as follows:

- i. The interested person may make a presentation to the Ethics Committee, (which will be made up of disinterested parties), which may be convened telephonically, regarding the transaction or arrangement involving the potential conflict of interest.
- ii. The interested person will then recuse themselves from any and all discussion and approval (if applicable) of the conflict of interest.
- iii. The Ethics Committee will determine whether an actual or apparent conflict of interest exists. For transactions, the Ethics Committee may consider whether a competitive bid or competitive evaluation exists.
- iv. If the Ethics Committee determines that an actual or apparent conflict of interest exists, it will determine whether there are mitigating measures that can be implemented to alleviate the conflict and/or what steps the interested individual and/or USFHA must take or not take in order to avoid the conflict. The Ethics Committee may determine in some cases that the NGB cannot engage in the transaction or arrangement at all due to the conflict or potential conflict of interest.

**b) With Respect to Drafting Selection Procedures and Athlete/Team Discretionary Selection**

The following more particularized disclosure requirements and procedures apply in the context of drafting selection procedures and athlete/team discretionary selection decisions in order to ensure that no Affiliated Individual participating in the process has a conflict of interest that will impact his/her ability to make a fair and unbiased decision in the athlete or team selection process.

Any Affiliated Individual involved in the drafting of procedures, including the athlete representative, or on a discretionary selection committee who has a potential conflict of interest must disclose it to the Ethics Committee for review. The following process will be followed:

- i. The Interested Person may make a presentation to the Ethics Committee, (which will be made up of disinterested parties), which may be convened telephonically, regarding the potential conflict of interest.
- ii. The interested person will then recuse themselves from any and all discussion regarding the potential conflict of interest.
- iii. The Ethics Committee will determine whether an actual or apparent conflict of interest exists
- iv. If the Ethics Committee determines that a conflict of interest is exists, it will either mandate the individual's recusal from the

process or determine to what extent, if any, that individual can participate in the process. The Ethics Committee may determine that the individual can still participate in the drafting of the procedures or be included in the discussions for discretionary selection of a team, but not take part in any sign-off, vote, or decision. For example, a national team coach or high performance director may provide information to the selection committee so long as such information is provided in a fair and unbiased manner and the committee member who disclosed the conflict of interest does not vote toward the final decision.

- v. Under no circumstances will a person with an actual or potential conflict attempt to unduly influence other members of the committee in the selection process.

### **c) With Respect to Panels Empowered to Resolve Grievances**

The following particularized disclosure requirements and procedures apply in the context of panels empowered to resolve grievances in order to ensure that no Affiliated Individual participating in the process has a conflict of interest that will impact their ability to make a fair and unbiased decision related to the grievance.

Any Affiliated Individual involved in resolving a grievance, including the athlete representative, who has a potential conflict of interest must disclose it to the Ethics Committee (or Judicial Committee where appropriate) for review before the hearing begins or at any time during the proceedings once the conflict is identified. Additionally, notice of the proposed Hearing Panel appointees shall be provided to all parties involved with the grievance within a reasonable time prior to the hearing. The notice will include an opportunity to object to any appointee for a conflict of interest. In both instances, the following process will be followed:

- i. The Interested Person or party involved in the grievance may make a presentation to the Ethics Committee, which may be convened telephonically, regarding the potential conflict of interest.
- ii. The Ethics Committee will determine whether an actual or apparent conflict of interest exists
- iii. If the Ethics Committee determines that a conflict of interest is exists, it will either mandate the individual's removal from the process or determine to what extent, if any, that individual can participate in the process
- v. Under no circumstances will a person with an actual or potential conflict attempt to unduly influence other members of the Hearing Panel.

If the Affiliated Individual is removed and a vacancy on the Hearing Panel exists, [USFHA Judicial Committee Chair/Hearing Panel Chair/Ethics Committee] will use

its best reasonable efforts to fill that vacancy. If a vacancy results in the athlete representative position, another athlete representative who meets the qualifications for the Hearing Panel will be selected by the NGB AAC.

If the Affiliated Individual is recused and a vacancy on the committee exists, either in the drafting process or on the discretionary selection committee, **USFHA** will use its best reasonable efforts to fill that vacancy. If a vacancy results in the athlete representative position, another athlete representative who meets the qualifications for that committee will be appointed and approved by a representative group of athletes.

### **8. Violations of The Conflicts of Interest Policy**

If the Ethics Committee (which will be made up of disinterested parties), has reasonable cause to believe an Affiliated Individual has failed to disclose an actual or potential conflict of interest, it will promptly inform the Affiliated Individual of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

If, after hearing the Affiliated Individual's response and after making further investigation as warranted by the circumstances, the Ethics Committee determines the Affiliated Individual has failed to disclose the conflict or potential conflict of interest, it will take appropriate disciplinary and corrective action. The Ethics Committee's decision will be final.

While any such failure to disclose a conflict or potential conflict of interest is under investigation, the Affiliated Individual will be precluded from engaging in further decisions of **USFHA** that bear any relation whatsoever to the matter that is the subject of the conflict or potential conflict of interest.

### **9. Annual Disclosure Statements**

Each Affiliated Individuals (as listed in Section 2 of this policy) will annually sign and submit to the Ethics Committee and **USFHA**'s Executive Director a statement, using the standardized form, affirming that they:

- 1) Have received a copy of the conflicts of interest policy;
- 2) Have read and understand the policy;
- 3) Have agreed to comply with the policy, and
- 4) Understand that **USFHA** is a charitable organization and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

- 5) Each annual disclosure will be reviewed and addressed by the Ethics Committee.

Any actual, perceived, or potential conflict of interest should be disclosed in the annual statement.

Any new **USFHA** employee will submit a conflict of interest disclosure statement within 14 days of his or her hiring by **USFHA**. Any other new Affiliated Individual will submit a conflict of interest disclosure statement by the earlier of 14 days after his or her appointment or his or her first board, committee, or task force meeting. In no event will an Affiliated Individual participate in any decisions to commit **USFHA** to a proposed transaction or in athlete or team selection procedures prior to submission of his or her conflict of interest disclosure statement.

**USFHA** will maintain copies of all Annual Statements submitted under this Section 9 in accordance with the document retention policies and procedures.

**USFHA's** Ethics Committee will review the submitted annual disclosure statements for the Board of Directors, Executive Director and Standing Committee Members. USA Field Hockey Staff and Contractors will be reviewed by USA Field Hockey's Chief Financial Officer. **USFHA** will notify the Affiliated Individuals of direction from the Ethics Committee and request acknowledgement of direction via written or electric signature. Direction will be in accordance with current **USFHA** bylaws, policies and procedures, and prevailing applicable law.

## **10. Periodic Statements/Updates**

In addition, each director, officer, committee member, task force member, hearing panel member, and employee will submit to the Ethics Committee a signed statement as necessary describing any new potential conflicts of interest as and when such potential conflicts of interest arises. **USFHA** will maintain copies of all periodic statements or updates submitted under this Section 10.

## **11. Anti-Retaliation**

USA Field Hockey has zero tolerance for retaliation against people who make good faith reports of potential ethical, policy, financial or legal violations, or who cooperate with investigations of those reports. That means no Affiliated Individual may threaten, harass, discriminate against, or take any negative employment (where applicable) or participation related action (e.g., discharge, demotion, suspension, non-assignment, negative review) on that basis.

Any such retaliation can be reported as described above in the same way as any other policy violation. It will be treated as a violation this Policy and USA Field Hockey's Code of Conduct and may lead to serious consequences including termination of employment or participation for anyone involved in retaliation.
