

Regional Junior High-Performance Coach Application

USA Field Hockey is excited to announce the 2019 National Futures Championship coaching opportunities for all regions across the country. With the regionalization structure of our Futures Program, we are seeking qualified and ambitious coaches to apply for the Regional Junior High-Performance Teams (U-14, U-16 and U-19 Regional Teams).

All qualified coaches are encouraged to apply. USA Field Hockey coaching selection committee will appoint all Head Coaches for each Regional Team. Once appointments are announced, Head Coaches will appoint their Assistant Coach with input and guidelines from the National Coaching Staff and Committee.

REQUIREMENTS

- Playing experience to meet or exceed 3 years at a competitive level
- Coaching experience to meet or exceed 2 years of head or assistant coaching at a competitive level
- Level 2 USA Field Hockey Coaching Certification or higher
 - A Level 2 Certification waiver can be submitted if special circumstances apply. To get the waiver application, please contact Liz Tchou, Senior Manager of Coach Education ltchou@usafieldhockey.com and/or Lisa McCoy, Director of Futures – lmccoy@usafieldhockey.com, if you have any questions.
- Applicants must be current USA Field Hockey Coach members with appropriate background check and SafeSport training certification.
- Applicants who are actively involved in USA Field Hockey's Coach Education Program or are interested in doing so, will be preferred. For example:
 - Has taken or led the 'new' Level 1, Level 2 and/or workshop over the past 3 years.
 - Has taken advantage of professional development opportunities such as Futures coaching, NFC mentoring, National Coaches Forum, Summit, etc.
 - Has committed to supporting coach education across the country as a coach educator or mentor.
