The annual report of USA Field Hockey is intended to provide information to you about the sport of field hockey in our country. As the National Governing Body (NGB) for field hockey under the United States Olympic Committee (USOC), USA Field Hockey is charged with the development of the sport from the grassroots programs of youth and club hockey through to the international competitions involving our women’s and men’s elite teams. This year, 2005, is the first year of the Olympic Quadrennium which culminates in the Summer Games in Beijing, China, in 2008.

**USA Field Hockey has made a commitment to being in Beijing.**

This past year, the Association made decisions in the areas of personnel and facilities to support our goal of “Sustained Competitive Excellence”. We are seeking out talented young women and men and will, through our Elite Performance Training Centers (EPTC) and Regional Training Centers (RTC), respectively, prepare them for success in Pan American, World Cup, and Olympic competition. To ensure great training facilities for our teams year ‘round, we have refurbished the artificial turf field at the Olympic Training Center in Chula Vista, Calif. The Chula Vista field, along with the fields at our USA Field Hockey National Training Center in Virginia Beach, support our teams on both coasts and provide state-of-the-art venues for attracting international competitors to the United States.

But, perhaps the most significant development of 2005 has been the assembling of our excellent High Performance staff under the guidance of Technical Director Terry Walsh. Along with WNT Coach Lee Bodimede, MHP Coach Nick Conway and Goalkeeping Specialist Justine Sowry, Terry has created a technological and practical model for improving coaching at all levels in the U.S., an effort which has been met with overwhelming support and enthusiasm by coaches and athletes, alike.

For all of our programs and initiatives, the financial support of our field hockey family is both critical and sincerely appreciated. Whether for Futures scholarships or indoor hockey tours or our Annual Fund, your contributions to USA Field Hockey help to ensure the future of this great sport.

To all of our donors, we offer a sincere “thank you”, and invite you to continue to be a part of the exciting journey which is USA Field Hockey!

- Established six Elite Performance Centers for women across the USA: New England, Mid Atlantic, Chesapeake, the South, the Midwest and California.
- Crowned the U.S. U21 team as the national champion at the National Championship-Women held prior to the Rabobank Champions Challenge in Virginia Beach, Va., June 29-July 3.

Futures Program
- Trained 4,544 athletes with 475 coaches at more than 110 sites nationwide.
- Selected 646 athletes to the National Futures Championship through 38 Futures Regional Tournaments.
- Conducted the National Futures Championship in an extended format in conjunction with the Rabobank Champions Challenge, July 10 – 16, 2005. The combination of the events provided built-in spectators while providing a valuable opportunity for aspiring athletes to see top level, international play.

Olympic Development Select Camp
- Selected the 60 top Futures athletes as Olympic Development Select in a new program offering additional training opportunities.

Futures Development Invitational Camp
- Enrolled 115 athletes in the 2005 FDIC Camp: USA Field Hockey’s popular invitational only camp.

USA Canadian Field Hockey Challenge Cup
- Claimed the championship in the inaugural Challenge featuring three USA Futures Elite Select Teams representing the top 50 U19 Futures athletes and three British Columbia teams.

Futures Elite Tours
- U19 and U16 Futures Elite teams competed in annual international events in The Netherlands. The U16 team placed fourth at the International Easter Tournament in Valkenwaard while the U19 team went 1-4-1 at the Jeugd International Pass Tournament in The Hague.
National Programs

Equipment Grant Program

- Continued the Equipment Grant Program with Longstreth, Penn Monto, and STX as official sponsors. The program awarded $22,000 worth of equipment to schools and communities in need of equipment.

Club Championship

- Conducted 2nd annual Club Championship with five men’s teams and ten women’s teams in Virginia Beach, Va. Red Rose (women) and Mystery (men) won the club titles.

- Mystery went on to win the title at the Pan American Club Championship in Mexico.

High School & College Open Camps

- Attracted 120 high school athletes and 80 college athletes to the High School Open and College Open camps at Babson College (Mass.). The camps were directed by the U.S. National Coaching Staff and a combination of High Performance and Olympic Development coaches.

Partner Camps

- Enrolled 49 camps into the 2005 Partner Camp program giving participating camps a listing in USA Field Hockey’s camp directory and the ability to recommend approximately 800 athletes into the 2006 Futures Program.
Coach Education

- Conducted winter workshops at Princeton (N.J.) and Northwestern University (Mass.) for 48 coaches. National coaches Nick Conway and Justine Sowry served as course conductors.

- Conducted the first FIH Coaching Course for USA Field Hockey in conjunction with the Rabobank Champions Challenge, July 13 – 17, 2005. Tayyab Ikram, FIH Coaching Director, and Rudiger Hanel, FIH Master Coach conducted the course. Thirty eight coaches participated in the program.

- Conducted the annual Forum at the Finals for 36 coaches at the NCAA Championships at the Univ. of Louisville. Terry Walsh, Lee Bodimeade and Justine Sowry conducted the course.

- Initiated USA Field Hockey’s first online education program for High Performance athletes presented online by Terry Walsh.

Umpire Education

- In conjunction with the FIH Umpire Boost program, certified 36 new USA Field Hockey umpire coaches to recruit and train the next generation of umpires.

- Conducted a USA Field Hockey National Umpiring Course in conjunction with the Rabobank Champions Challenge. Two international experts, Jane Nockolds and Richard Kentwell, conducted the course. A record 50 umpires attended the event.
BUSINESS DEVELOPMENT

Sponsorship & Licensing

- Launched association-wide re-branding effort with the introduction of a new logo and graphics.
- Conducted a promotional plan for the Rabobank Champions Challenge resulting in tournament attendance total of 11,247.
- Secured the support of 20 international, national and local companies for the Rabobank Champions Challenge.
- Signed three national sponsors for multiple year commitments.

Independent Accountants’ Report

Board of Directors
United States Field Hockey Association, Inc.
Colorado Springs, Colorado

We have audited the accompanying statement of financial position of the United States Field Hockey Association, Inc. as of December 31, 2005, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Association’s management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the United States Field Hockey Association, Inc. as of and for the year ended December 31, 2004, before they were retroactively restated for the matters discussed in Note 2, were audited by other accountants whose report dated March 18, 2005, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2005 financial statements referred to above present fairly, in all material respects, the financial position of United States Field Hockey Association, Inc. as of December 31, 2005, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 2, in 2005 the Association retroactively changed its accounting for its interest in the United States Field Hockey Foundation’s net assets.

April 21, 2006, except for Note 13 as to which the date is May 15, 2006
United States Field Hockey Association, Inc.

2005 was a year of many “Firsts” for USA Field Hockey! Here are just a few:

Promptly on January 6, newly hired National Technical Director of High Performance, Terry Walsh, landed in Providence, R.I. to take up his first official duties of meeting, greeting (and working) with the coaches at the NFHCA Annual Convention. For those who have not met Terry yet, he is 24/7/365 field hockey at the very highest level and has proved to be an inspirational asset to USA Field Hockey both nationally and internationally.

In April, USA Field Hockey appointed its first fully independent Nominating and Governance Committee that was immediately charged with seeking and screening candidates for a new USA Field Hockey Board of Directors.

In May Women’s Head Coach Lee Bodimeade made his first appearance with the U.S. Women’s National Team on its tour to New Zealand and has been growing their many capabilities ever since.

In June the 2005 -2008 U.S. Women’s National Training Squad formally assembled at the U.S. Field Hockey National Training Center in Virginia Beach for their first steps along the Road to Beijing 2008.

Also in June, for the first time in memory, the Australian Women’s National Team played a test series against the US Women’s National Team in the USA.

In July USA Field Hockey hosted the first FIH event in more than a decade when the Rabobank Champions Challenge opened in Virginia Beach with teams from New Zealand, Spain, South Africa, Japan, England and the USA competing.

In August a new USA Field Hockey Board of Directors was appointed which included two Independent Directors for the first time in the Board’s history.

In September the Women’s Junior National Team placed 7th at the Junior World Cup in Santiago, Chile, the first top-10 finish ever for a U.S. Junior National Team.

October saw the first meeting of the newly appointed Board of Directors at the U.S. Olympic Training Center in Colorado Springs.

As we move forward through 2006 USA Field Hockey is determined to keep this long list of “firsts” growing and growing. With the support of the Board, the volunteers, and the staff, our sport and our players, from grass roots to medal stand, have never been better positioned for success.
