INDEPENDENT AUDITORS' REPORT

Board of Directors
United States Field Hockey Association, Inc.

We have audited the accompanying financial statements of United States Field Hockey Association (a non-profit organization), which comprise the statements of financial position as of December 31, 2012 and 2011 and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United States Field Hockey Association, Inc. as of December 31, 2012 and 2011, and the change in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of functional expenses for the years ended December 31, 2011 and 2012 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

UNITED STATES FIELD HOCKEY ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations — United States Field Hockey Association, Inc. (the Association) is the national governing body for field hockey in the United States. The Association's mission and principal activities are the promotion and development of the sport of field hockey in the United States. The Association's revenues and other support are derived principally from sales of memberships and event fees.

Basis of Presentation — The Association reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets; temporarily restricted net assets; and permanently restricted net assets. Temporarily restricted net assets are those whose use by the Association has been limited by donors to a specific time period or purpose. Permanently restricted net assets have been restricted by donors to be maintained by the Association in perpetuity.

Accounts Receivable — Accounts receivable is stated at the amount billed to customers for services and fees. The Association provides an allowance for doubtful accounts which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Accounts receivable are ordinarily due 30 days after the issuance of the invoice. Delinquent receivables are written off based on specific circumstances of the customer and other economic factors. As of December 31, 2012 and 2011, the allowance for doubtful accounts was \$188 and \$3,527, respectively

Cash and Cash Equivalents — The Association considers all liquid investments with original maturities of three months or less to be cash equivalents.

Investments and Investment Return — The Association records its investments at fair value in the statement of financial position. Investments in equity securities and mutual funds are reported at quoted market prices.

Investment return is reflected in the statement of activities as unrestricted, temporarily restricted or permanently restricted based upon the existence and nature of any donor or legally imposed restrictions. Investment return that is initially restricted by donor stipulation or for which the restriction will be satisfied in the same year is recorded as temporarily restricted and then released from restriction.

Property and Equipment — All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets are capitalized. Donated equipment is recorded at fair market value at the date of donation. Purchased equipment is recorded at cost. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, which are 30 years for buildings and improvements and range from 3 to 7 years for furnishings and equipment.

Deferred Revenue — Revenue from fees for memberships is deferred and recognized over the periods to which the fees relate.

Contributions — Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as unrestricted revenue and net assets.

In-kind Contributions — In addition to receiving cash contributions, the Association received in-kind contributions of airfare, lodging, meals, uniforms and equipment from various donors. It is the policy of the Association to record the estimated fair value of certain in-kind donations as an expense in its financial statements, and similarly increase contribution revenue by a like amount. For the years ended December 31, 2012 and 2011, \$413,602 and \$310,715, respectively, was received in in-kind contributions.

Income Taxes — The Association is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law. However, the Association is subject to federal income tax on any unrelated business taxable income. The Association qualifies for charitable contribution deductions and is not a private foundation.

The Association believes that it does not have any uncertain tax positions that are material to the financial statements. Tax years that remain subject to examination include 2009 through the current period.

Functional Allocation of Expenses — The costs of supporting the various programs and other activities have been summarized on a functional basis in the statements of activities. Certain costs have been allocated among the program, management and general and fundraising categories based on the percentages of time dedicated to that category or on the actual expenses incurred.

Use of Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Subsequent Events — The Association has evaluated subsequent events for recognition or disclosure through July 8, 2013, the date the financial statements were available for issuance.

2. JOINT USE AGREEMENT AND RESTRICTED INVESTMENT

In June 2001, the Association entered into a joint use and participation agreement with the City of Virginia Beach, Virginia, for the design and construction of a field hockey facility. Under the agreement, the Association is permitted to use the facility approximately 40% of the time and to maintain offices at the facility. In exchange, the Association became responsible for the purchase and installation of artificial turf on two playing fields, at a cost of \$376,562, and is obligated to maintain a reserve account in order to accumulate an amount equal to approximately 40% of the replacement cost of the artificial turf. At December 31, 2012 and 2011, the Association has accumulated restricted investments of \$393,112 and \$368,977, respectively, relating to this obligation.

The cost of the artificial turf and the related construction were capitalized. The artificial turf was amortized over an eight-year period, while the construction costs were amortized over a five-year period. The costs were fully amortized as of December 31, 2009.

The joint use and participation agreement expires in 2013. The Association has the right to extend the agreement with the mutual agreement of the City of Virginia Beach.

3. INTEREST IN NET ASSETS OF UNITED STATES FIELD HOCKEY FOUNDATION

The Association and the United States Field Hockey Foundation (the Foundation) are financially interrelated organizations. The Foundation seeks private support for, and holds net assets on behalf of, the Association. The Foundation is obligated to transfer assets to the Association in the amount of the lesser of 50% of its investment income or 5% of the Foundation's investment principal on an annual basis.

The Association's interest in the net assets of the Foundation is accounted for in a manner similar to the equity method. Changes in the interest are included in change in net assets. The Foundation's net assets consist primarily of investments held in an investment pool owned and maintained by the United States Olympic Foundation (USOF). The Foundation's investment in the USOF investment pool is stated at fair value as provided by the USOF. Transfers of assets between the Foundation and the Association are recognized as increases or decreases in the interest in the net assets of the Foundation with corresponding decreases or increases in the assets transferred and have no effect on change in net assets.

The Association's interest in the net assets of the Foundation was \$1,685,963 and \$1,504,796 at December 31, 2012 and 2011, respectively.

The changes in the Association's interest in the net assets of the Foundation consist of the following for the years ended December 31:

	2012	2011
Contributions to the Association		\$ (60,589)
Other changes in net assets	<u>\$ 181,167</u>	<u>(36,082)</u>
Total	<u>\$ 181,167</u>	<u>\$ (96,671)</u>

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Association is required to use a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Association has the ability to access.

Level 2: Prices determined using significant other observable inputs. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Prices determined using significant unobservable inputs.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Association's financial instruments at fair value as of December 31:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2012:				
INVESTMENTS				
Money market	\$ 16,482	\$ 16,482		
Equity mutual funds:				
Domestic	132,211	132,211		
International	46,843	46,843		
Fixed income	451,878	451,878		
Real estate	19,806	19,806		
Domestic equity securities	<u>19,155</u>	<u>19,155</u>		
Total investments	<u>\$ 686,375</u>	<u>\$ 686,375</u>	<u>\$ —</u>	<u>\$ —</u>

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2011:				
INVESTMENTS				
Money market	\$ 16,655	\$ 16,655		
Equity mutual funds:				
Domestic	126,684	126,684		
International	43,097	43,097		
Fixed income	417,241	417,241		
Real estate	19,778	19,778		
Domestic equity securities	<u>18,388</u>	<u>18,388</u>	_____	_____
Total investments	<u>\$ 641,843</u>	<u>\$ 641,843</u>	<u>\$ —</u>	<u>\$ —</u>

2012

2011

The amount of total gains or losses for the period included in change in net assets attributable to the change in unrealized gains or losses relating to assets held at year-end.

\$ 23,327

\$ 177,959

Total investment return is comprised of the following:

	2012	2011
Interest and dividend income	\$ 15,777	\$ 18,725
Net realized and unrealized gains on investments	<u>31,500</u>	<u>8,981</u>
Total	<u>\$ 47,277</u>	<u>\$ 27,706</u>

5. PROPERTY AND EQUIPMENT

Property and equipment consists of the following at December 31:

	2012	2011
Land	\$ 29,341	\$ 29,341
Buildings	184,086	180,818
Machinery and equipment	<u>492,313</u>	<u>489,294</u>
Total	705,740	699,453
Less accumulated depreciation and amortization	<u>528,328</u>	<u>505,133</u>
Total	<u>\$ 177,412</u>	<u>\$ 194,320</u>

The land and building represents a 29% undivided interest in the building and land that houses the Association's national office. This building is shared with four other national governing bodies. The purchase of the building was supported by grants for \$43,500 from the El Pomar Foundation and \$165,471 from the United States Olympic Committee (USOC). Under the conditions of the El Pomar Foundation grant, if the Association relocates out of El Paso County, Colorado prior to 2017, it forfeits to the remaining tenants in common that portion of its undivided interest that was paid for with the El Pomar funding.

6. DEFERRED REVENUE

Deferred revenue consists of the following at December 31:

	2012	2011
Futures program	\$ 2,519,405	\$ 2,443,270
Membership revenue	727,354	671,788
Other program revenue	<u>298,997</u>	<u>196,375</u>
Total	<u>\$ 3,545,756</u>	<u>\$ 3,311,433</u>

7. OPERATING LEASE

The Association leases a copier under a non-cancellable operating lease agreement which expires in 2015. Rent expense under the operating lease was \$4,408 and \$4,799 for the years ended December 31, 2012 and 2011, respectively. The future minimum annual lease payments are as follows:

2013	\$ 4,468
2014	4,468
2015	<u>1,117</u>
Total	<u>\$ 10,053</u>

The Association has also entered into facility leases to host Futures programs in 2013. Lease amounts under these agreements total \$261,175 in 2012, of which \$226,479 has been prepaid at December 31, 2012. Facility expense was \$602,024 and \$584,696 for the years ended December 31, 2012 and 2011, respectively.

8. RESTRICTED NET ASSETS

Temporarily restricted net assets of \$1,593 and \$9,830 at December 31, 2012 and 2011, respectively, were available for Futures programs and umpires.

Permanently restricted net assets of \$8,340 at December 31, 2012 and 2011 are held in perpetuity, the income of which is expendable to support any activity of the Association.

9. TRANSACTIONS WITH THE USOC

The USOC provides support to the Association for international competition, team preparation and marketing rights. Support provided during the years ended December 31 consisted of the following:

	2012	2011
High performance	\$ 574,200	\$ 646,814
Value in-kind	41,125	41,286
Media content license	<u>100,000</u>	<u>75,000</u>
Total	<u>\$ 715,325</u>	<u>\$ 763,100</u>

The Association is economically dependant on support from the USOC in order to sustain its operations at current levels.

10. PENSION AND OTHER POSTRETIREMENT BENEFIT PLANS

The Association has a defined contribution pension plan pursuant to Section 403(b) covering substantially all employees. The Association matches employees' voluntary contributions up to 4% of the employee's compensation. Pension expense was \$14,827 and \$16,516 for the years ended December 31, 2012 and 2011, respectively.

11. CONCENTRATIONS OF CREDIT RISK

Certain financial instruments potentially subject the Association to concentration of credit risk. These financial instruments consist primarily of cash and investments. At times, cash deposits may exceed amounts insured by the Federal Deposit Insurance Corporation.

12. SUBSEQUENT EVENT

On January 3, 2013, the Association entered into a 15 year agreement to establish its training site in Pennsylvania. The agreement is automatically renewable for a successive 5 year term. Under the agreement, the Association is required to pay annual training site fees of \$38,000 in 2013, \$163,000 in 2014 and \$225,000 in 2015. Beginning in 2016, the fee will be increased by up to 3% per year.
