

Named Insureds

Member clubs and associations of USA Field Hockey enrolled in this program.

Note: All participants in this program must be member clubs in good standing.

Exposure

Directors and Officers of non-profit organizations have a personal liability exposure by virtue of their management of the organization and its financial assets. Employment related matters, breach of duty, and errors and omissions when making business decisions are hazards faced by nonprofit organizations nationwide.

Coverage Summary

Directors & Officers Liability (D&O): This coverage protects your organization's directors & officers from personal liability associated with their wrongful acts, errors, and omissions in the performance of duties for your organization. Typical D&O claims often allege mismanagement of funds and negligent decisions affecting club members, participants, coaches, officials and others.

Employment Practices Liability (EPL): This coverage protects your organization's board members from claims alleging harassment, discrimination or wrongful termination.

Note: Directors and Officers Insurance is often confused with General Liability insurance. The two are not synonymous. A General Liability policy affords coverage with respect to claims arising out of bodily injury or property damage, and limited personal or advertising injury. A General Liability policy is not designed to cover the types of claims covered under D&O and EPL policies.

Directors & Officers (D&O) Limit*:	\$1,000,000
Employment Practices Liability (EPL) Limit*:	\$1,000,000

*The option to purchase a \$2,000,000 limit of liability is available.

*Costs of Defense are in addition to the Limits of Liability and count towards the retention obligation.

*Separate limits apply to each insured organization.

*Separate limits apply to each coverage part.
