

USA GOLF SAFE SPORT POLICY

I. INTRODUCTION

USA GOLF is committed to ensuring the safety of its athletes and other participants involved in the organization. Unfortunately, sport can be a high-risk environment for misconduct, including but not limited to, child physical and sexual abuse. Accordingly, USA GOLF hereby adopts this Safe Sport Policy to set forth the appropriate standards of conduct applicable to (1) USA GOLF employees, staff and board members; (2) athletes USA GOLF designates for the USADA required testing pools; (3) individuals USA GOLF formally authorizes, approves or appoints: (a) to a position of authority over athletes; or (b) to have frequent contact with athletes; and (4) any individual deemed applicable by the U.S. Center for SafeSport as set forth herein.

II. PROHIBITED MISCONDUCT

- (1) Bullying
- (2) Hazing
- (3) Harassment (including sexual harassment)
- (4) Emotional misconduct
- (5) Physical misconduct
- (6) Sexual misconduct
- (7) Any other misconduct identified by the Center and set forth in the Code (defined below)

B. Prohibited misconduct shall also include, without limitation:

- (1) Romantic or sexual relationships, which began during the sport relationship between athletes or other participants and those individuals that: (i) have direct supervisory or evaluative control; or (ii) are in a position of power and trust over the athlete or other participant. Except in circumstances where no imbalance of power exists, coaches are deemed to have this direct supervisory or evaluative control and are in a position of power and trust over those athletes or participants they coach.
- (2) Violations of USA GOLF's Minor Athlete Abuse Prevention Policy ("**MAAPP**").

III. DEFINITIONS. To enhance safe sport practices and to investigate and resolve safe sport violations, USA GOLF has agreed to comply with the safe sport policies of the U.S. Center for SafeSport (the "**Center**") and has incorporated by reference the provisions of the SafeSport Code for the U.S. Olympic and Paralympic Movement (the "**Code**"), including its appendices and definitions, into these policies. The Center may update its policies at any time and the changes are effective when published. For the most current safe sport rules, policies and procedures, go to www.safesport.org.

IV. CRIMINAL BACKGROUND CHECKS

USA GOLF is considered to formally authorize, approve, or appoint an individual in instances where USA GOLF has control over the appointment process. Background checks shall be conducted and considered prior to authorization, approval or appointment of a Participant and no less than once every two (2) years thereafter. The extent of the background checks conducted by USA GOLF shall be commiserate with the position being considered. USA GOLF shall regularly monitor and verify compliance of its background check program.

- A.** USA GOLF Participants will be provided training and materials that provide sufficient understanding of all misconduct set forth in Section II herein, including, without limitation, USA GOLF’s MAAPP and sexual abuse as well as “grooming” – the most common strategy used by offenders to seduce victims. Using a combination of attention, affection and gifts, offenders win the victim’s trust (and the trust of the victim’s parent or guardian where the victim is a minor), manipulate the victim into sexual activity, and keep the victim from disclosing abuse.
- B.** To educate relevant individuals on misconduct and the requirements of the Safe Sport Athlete Safety Standards and USA GOLF’s MAAPP, all Participants shall be provided access to USA GOLF’s MAAPP, must complete criminal background checks and participate in SafeSport’s Core Center for SafeSport Training prior to: (i) regular contact with an amateur athlete who is a minor begins; or (ii) within the first 45 days of initial membership, before they shall be permitted contact with athletes, and shall be retrained annually. USA GOLF shall regularly monitor and verify the successful completion of education and training programs of the relevant individuals.

This training will focus on USA GOLF’s MAAPP and the seven categories of misconduct:

- (1) Sexual misconduct, including child sexual abuse
- (2) Emotional misconduct
- (3) Physical misconduct
- (4) Bullying
- (5) Harassment
- (6) Hazing
- (7) Any other misconduct identified by the Center and set forth in the Code

In addition, USA GOLF shall use commercially reasonable efforts to ensure all grievances are adjudicated in a timely and expedited manner.

- C.** Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in the Center's processes when the action is reasonably related to the report or engagement with the Center. Retaliation may be present even where there is a finding that no violation occurred. Retaliation does not include good-faith actions lawfully pursued in response to a report of a Code violation
