## JUDO GI COLOR

Blue and white judo gi's are mandatory for all shiai categories. White judo gi only for kata.

## RULES AND METHOD OF COMPETITION

Points will be awarded in Senior, Master and Visually Impaired Categories only as outlined in the respective criteria. Criteria can be found at [www.usjudo.org](http://www.usjudo.org).

### **Competition Method for Senior, Visually Impaired, Masters and Brown Belt Categories:**

1. Categories having five (5) Competitors or less: Round Robin Pool (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 7, Yuko= 5, Decision= 1. If a contestant withdraws from a division prior to beginning his or her final match, the results of all that person's previous matches shall be discarded.
2. Categories having six (6) competitors or greater: Knockout System with Double Repechage (sometimes referred to as Crossover Repechage). Players are divided into two pools, A and B which are further subdivided into A1, A2, B1, B2. Determination of 1<sup>st</sup> and 2<sup>nd</sup> place: The "Knockout" (single elimination) system is then used to produce two finalists, one from pool A, the other from pool B, who will compete for 1<sup>st</sup> and 2<sup>nd</sup> place. Determination of 3<sup>rd</sup> – 5<sup>th</sup> place: All contestants who were defeated by the winners of pools A1, A2, B1, and B2 (semi-finalists) will take part in the repechage of their respective pools in the order in which they were defeated. For example, for pool A1, the loser from Round 1 will meet the loser from Round 2; the winner of that match will meet the loser from Round 3, etc. The winner of repechage pool A1 will meet the winner of repechage pool A2; similarly for B1 and B2. The winner of the repechage pool A will meet the loser of the semi-final of knockout pool B. The winner of repechage pool B will meet the loser of the semi-final of knockout pool A. The winners (2) are placed 3<sup>rd</sup>, the losers (2) are placed 5<sup>th</sup>.

**Seeding:** Senior Shiai only: The top eight athletes in attendance will be seeded in accordance with their listing on the National Roster maintained by USA Judo, provided they are ranked at A through D levels, as follows: A (or B) side: #1 and #8 in one half, #5 and #4 in the other half. B (or A) side: #2 and #7 in one half; and #6 and #3 in the other half. Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete. Athletes having the same State (Group B) affiliation will be placed as far apart in the bracket as possible. Seeded athletes lose their State/Club affiliation for purposes of the draw, i.e. two athletes from the same state or club may meet in the first round if one is a seeded athlete.

### **Senior Shiai and Brown Belt Rules:**

The Senior Shiai and brown belt Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation. The exception to the IJF rules will be the usage of the Knockout System with Double Repechage. A meeting will be held Saturday afternoon at the venue for all brown belt category competitors. At this time, uncontested divisions may be combined with others. All competitors must be present for a division to be combined.
