Weigh In

A calibrated practice scale will be available prior to, and during, the weigh-in periods. However, in no case will contestants be allowed on the Official Scale during Official Weigh-in for the purpose of checking weight.

Athletes may check weight as many times as desired prior to the official weigh-in on the official scale. An athlete is given only one chance on the official scale during official weigh-in. Open division contestants do not need to weigh in. **At weigh in, Senior Elite, IJF-Junior and Cadet categories must present a government issued photo ID.** Photo ID not required for all other categories.

Naked weigh in is not allowed for any age/weight category. To compensate, 0.1kg will be allowed. For example, in the 44kg category the limit will be 44.1kg. This is a clothing allowance only and the 0.1kg will only be added to the true weight.

Athletes who neglected to change their weight during the check in process and missed weight during official weigh in, may enter an additional category by registering (and paying) for the new category as a walk-up registration.

IMPORTANT: All athletes must make their declared weight as registered unless a change is made during the check in/registration process prior to getting on the official scale. Athletes may change their weight category during check in/registration. Failure to make declared weight will result in the athlete not competing in that category. Athlete will not be automatically moved to next weight category. Once official weight is recorded, no changes to weight category will be accepted.

NO CHANGES WILL BE ACCEPTED AT WEIGH IN.

Contingency Weigh-In

Contingency morning weigh-in (CMW) will be implemented at this event, with prior approval, for those individuals who are not able to make the weigh-in session the day prior for whatever unforeseen circumstance or situation beyond their control. Details of the new CMW policy are as follows:

- The CMW session is to be used only for those who experience extenuating circumstances beyond their control that prevent them from attending the weigh-in session the day before the event.
- Any individual(s) experiencing a situation beyond their control that would prevent them from attending the weigh-in MUST contact Vaughn Anderson at Vaughn.Anderson@usajudo.us explaining the reason for missing the weigh-ins scheduled the day before the event. Any individual who does NOT inform USA Judo of his/her need for the contingency weigh-in the day before will NOT be allowed to weigh-in during the CMW session. Deadline for requests is no longer than two hours after the published conclusion of weigh-ins the day before the event.
- Contingency Morning Weigh-in Procedures:
 - The CMW Session at the 2023 Youth National Championships will be conducted from 7 – 7:30 a.m. on the day of competition at the Lubbock Memorial Civic Center.
 - If an individual fails to complete the CMW, he or she will forfeit their opportunity to compete without refund of registration nor reimbursement of any additional costs.
 - Should an individual show to the CMW session who has NOT contacted Vaughn Anderson by the deadline listed above and subsequently were not placed on the CMW list of participants, that individual will NOT be able to weigh-in and will forfeit their right to compete and any refund.
 - Individuals who receive approval for a contingency weigh-in will be placed in the draw when the draws are run and published the night before competition. If a CMW participant does not make weight, he or she will be removed from the draw and the brackets will not be redrawn.
 - Non-official scales will be available for individuals to check their weight both the night before weigh-ins and in the morning of the competition (subject to safety of people and property).
 - CMW weigh-ins will be provided for both men and women.
 - CMW participants who do not make weight will NOT be allowed to move up a weight

category and will be eliminated from the competitions without refund or reimbursement of any competition-related expenses.

Check In

Check in only if you have a change to your weight or category. If there are no changes to be made, please proceed directly to weigh-in. **No changes will be accepted or made at weigh-in.**

Exhibition Matches

Exhibition matches may be offered for those athletes who are uncontested in their true age/weight category. Only those athletes who are uncontested may request an exhibition match. All efforts will be made to find one or two athletes within appropriate age/weight willing to participate. No points or medals will be awarded for exhibition matches. Request for exhibition matches must be made to the event director no later than 10 a.m. on the day that their uncontested category was scheduled. Blue and white gis still will be required.

Club Affiliation

Only current USA Judo clubs in good standing, at the time of registration, will be associated with the athlete's entry. Non-USA Judo clubs will not be affiliated with a registered athlete. Club affiliation is not required to compete in this tournament.

Credentials

Athletes will be issued their credentials during the weigh-in process. A preliminary list of athletes by category/weight will be available at <https://usajudo.smoothcomp.com>.

Confirmation of Categories / Draw

Athletes/coaches/representatives for the athlete are required to check the list to ensure the athlete is in the correct category/weight.

- Any corrections should be reported immediately to staff no later than 7 p.m. on Friday, March 17. All corrections must be emailed to Vaughn.Anderson@usajudo.us or submitted in person onsite. **PHONE CALLS OR TEXTS WILL NOT BE ACCEPTED.**
- A correction form will be provided to record the correction. Corrections WILL NOT be accepted after the one hour posting time has expired.
- Corrections will be processed, then the draw will be run. Draw brackets and fight sheets will be posted at <https://usajudo.smoothcomp.com>.
- **IMPORTANT:** This period is for corrections / confirmations of changes made during the check-in/registration time period. **NO OTHER CHANGES WILL BE ACCEPTED.**

A representative for each athlete must review the posted preliminary list to ensure the athlete is in the correct category. Failure to confirm or make corrections during the Confirmation of Categories period may result in the athlete NOT COMPETING IN THIS TOURNAMENT. All draws will be conducted using USA

Judo approved software. See Rules and Method of Competition for all seeding information. With the exception of seeding, the draw will be random. Once the draw is complete, there will be no changes except if two or more athletes fail to make weight or report to weigh-ins in the same category, the division may be redrawn.

Manager Credentials

Club team manager credentials/wristbands will be considered for USA Judo certified clubs with 8 or more athletes competing on the same day. These credentials are for purposes of assisting athletes to their mats with the correct gi color on only. Coaching, taking photos, etc., will not be allowed. If there are no athletes on deck or in the hole, the club manager should not be inside the competition barricade. These club managers must hold current SafeSport certification and have an up-to-date background screen through USA Judo. The number of club manager credentials/wristbands will be based on the number of athletes a club has competing and issued at the discretion of USA Judo. These may be picked up at the Coach Credentialing table.

[Manager Credentials Application](#)

USA Judo holds the right to deny a credential if the listed requirements are not met.

Rules and Method of Competition

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA Judo Youth National Championships.

Competition Method: The standard (“true”) Double Elimination System with winner’s and loser’s brackets will be used. The winner of the loser’s bracket will compete against the winner of the winner’s bracket for 1st and 2nd place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser’s bracket will be placed 3rd. For categories of two and under contestants, round robin will be the method of competition.

Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing but went out onto the mat, they are eligible to medal.

Seeding: There will be no seeding except for the IJF-Junior and Cadet categories. The top four athletes will be seeded in each division. If seeded athlete is not present, the other athletes WILL move up in seeding. Players having the same state affiliation will be placed as far apart in the bracket as possible.

Points: Juniors winning medals in the regular IJF-Junior, Juvenile, Cadet, Intermediate, and all Bantam divisions will be awarded points as outlined in the USA Judo Junior Event Point Matrix found at www.usjudo.org.

All athletes must compete in their true age/weight category.

Shime-waza rule: Allowed in regular Juvenile, Cadet, and IJF-Junior categories only.

Kansetsu-waza rule: Allowed in regular Cadet, and regular IJF-Junior only.

It is standard procedure in the United States that contestants competing in Junior divisions up to and including 12 years of age are not allowed to use Shime-waza (chokes) or Kansetsu-waza (arm locks). Cadet age categories (15 yrs. to 17 yrs.) contestants competing are allowed to use Kansetsu-waza. If a participant whose true weight and age is in the Intermediate category and decides to move up to the Juvenile category, he/she will need a waiver/authorization from a parent or guardian to acknowledge that chokes are allowed at the Juvenile level.

Injury Rule: Decisions regarding on mat injuries, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and appropriate medical staff. If there is not a unanimous opinion among these three individuals, the athlete may not continue (Board-approved October 22, 1998)

Match lengths:

- Bantam (3 minutes / 2-minute golden score)
- Intermediate and Juvenile (3 minutes / no golden score limit)
- Cadet and IJF-Junior (4 minutes / no golden score limit)

Multiple category entries

For those athletes who elect to compete in multiple categories, efforts will be made to separate the competition times, but this cannot be guaranteed and a decision may need to be made by the competitor as to the match in which they compete, thereby forfeiting one of the two matches. If categories are competing at the same time, the athlete must move from one category (on mat) to their waiting category with no rest time. If a competitor has matches immediately after one another, they must move to the waiting mat and begin competition immediately with no 10-minute rest.

Judo Gi / Undergarments / Changing

For all categories, regardless of age, blue and white gi requirement is mandatory. IJF approved labeled gis are not required but fit must meet IJF standards. Back patches are not required.

Appropriate undergarments must be worn by all athletes. Female athletes shall wear under the jacket either, a plain white or off-white T-shirt, with short sleeves, long enough to be worn inside the trousers, or a plain white or off-white leotard with short sleeves. Athletes needing to change clothes/judo gi should do so in a restroom, locker room or other area specifically designated for changing.

Minor Athlete Abuse Prevention Policies (MAAPP)

The Center for SafeSport has developed the Minor Athlete Prevention Policies (MAAPP) which USA Judo has adapted to our own sport. The MAAPP is a collection of proactive and training policies comprised of two parts; Education & Training Policy that requires training for certain Adult Participants and the Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes to prevent abuse. The full MAAPP policy and the reporting mechanism for SafeSport infractions can be found at <https://www.teamusa.org/USA-Judo/MAAPP>.

USA Judo defines "regular contact with minors" as: "Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having

“regular contact” with minors based on the aforementioned description. If an adult member is unsure whether or not they have “regular contact” with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs and all LAOs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership.
