U.S. Paralympics

National Classification
Policies & Procedures

ARCHERY
Sport Requirements for Classification – ARY

- Athletes being classified must be entered into and compete in the competition where the classification evaluation is being conducted.
- Each athlete is required to be accompanied during the classification evaluation procedure. The athlete may be accompanied by ONLY one individual (parent, guardian, coach, etc.).
- The athlete is required to complete and sign the sport Consent for Classification form prior to the commencement of the evaluation process.
- Athletes should attend classification with all necessary sports equipment and in appropriate sport-specific attire.
- If the athlete’s diagnosis or syndrome is unusual, medical documentation confirming the diagnosis is REQUIRED. Copies of documentation should be brought to the classification appointment.

Archery National Classification Panel

A national classification panel for Archery consists of one (1) classifier.

Archery National Classification Protest Panel

A national classification protest panel for Archery consists of two (2) classifiers.

Archery Classifier Prerequisites + Levels of Authorization

Prerequisites for NATIONAL & INTERNATIONAL Classifiers

- Physiotherapist or Medical Doctor
- Working knowledge and conversant in the English language
- Code of Conduct/Ethics agreement signed and observed at all times
- Endorsed by the relevant National Paralympic Committee (NPC)

USA National Classifiers recognized to classify nationally must meet the following requirements:

- Attendance at a minimum of one FITA Para-Archery [international] Classification seminar OR attendance at a minimum of one U.S. Paralympics Archery [national] Classification Education/Training opportunity.

FITA Trainee Classifiers are those recognized by FITA Para-Archery as such.
Level 1 Classifiers are those authorised by FITA Para-Archery as such.
Level 2 Classifiers are those authorised by FITA Para-Archery as such.

Maintaining National Classifier Status – ARY

To maintain status as a classifier recognized to classify nationally within the USA, individuals must meet the following conditions:

- Shall take part in official classifications (either domestically or internationally) of at least 8 athletes of varying disabilities/sport classes at least once every 18 months.
Sport Specific Classifier Responsibilities – ARY

All classifiers shall be responsible to:
- Maintain confidentiality at all times
- Respond to requests for availability in a timely manner and meet established deadlines
- Respond to correspondence and requests from the U.S. Paralympics office
- Maintain a professional, courteous and respectful demeanor when interacting with athletes, coaches, parents and other constituents

For the conducting of national level classification (at designated competitions) a Chief Classifier will be appointed. The Chief Classifier shall be responsible to:
- Validate sport class status for all athletes classified at the competition
- Maintain all original classification sheets and associated classification paperwork during the event
- Submit all original classification sheets and associated classification paperwork to the U.S. Paralympics office within seven (7) days following the conclusion of the event

Classifier De-Certification

Classifiers may be decertified from the NATIONAL classification system for any of the following:
- Use of confidential classification information with the intent to benefit an individual athlete, team and/or situation
- Violation of the U.S. Paralympics Code of Conduct
- Adverse finding during Background Check process
- Violation of national classification policies / procedures
- Repeated errors in allocating athlete sport class [i.e. National classifications being changed and/or overturned at the International level on a consistent basis]

International de-certification of classifiers shall be undertaken by FITA Para-Archery as conditions/requirements warrant such action.

USA National Classifiers – ARY

Current Head Domestic Classifier: TBD

FITA Para-Archery Level 2
John Nyland

FITA Para-Archery Level 1

FITA Para-Archery Trainee

USA National Classifier

USA Trainee
International Sport Class Status – ARY

International sport class status as per FITA Para-Archery shall include:

N – New: athlete has not been previously evaluated by an international classification panel as appointed by FITA Para-Archery. All N status athletes must complete international classification evaluation prior to competing at international competitions.

R – Review: athlete has been previously evaluated by an international classification panel, but for reasons as determined by FITA Para-Archery requires a review of their sport class. R status athletes may include those with fluctuating or degenerative disabilities.

C – Confirmed: athlete has been evaluated by an international classification panel appointed by FITA Para-Archery and the panel has determined that the athlete’s sport class will not change.
