Policy Name: Background Check Policy

Date of Issuance: 4/15/2019

Policy Owner: Chief Security Officer

Applies to: BOD, USOC Staff, and Others (as below)

Purpose:

The U.S. Olympic and Paralympic Movement is committed to the safety of athletes and participants involved in sport. The USOC requires background checks in order to (a) foster a safe environment at the Olympic, Paralympic, Pan American, Parapan American, Youth Olympic Games, and other international sporting events as designated by the USOC (collectively the “Delegation Events”), as well as Olympic Training Centers and Training Sites; (b) create a safe living, training, and competition environment for athletes and other individuals associated with NGBs/PSOs/HPMOs (hereinafter “Responsible Sport Organization”); and (c) protect persons at risk, including, but not limited to, minors and vulnerable adults.

This policy sets forth the standards the USOC has incorporated into its background check policy and outlines the guidelines for the use of background checks for Delegation Events, at Olympic Training Sites, and for interactions with the media, third-party contractors and partner programs.

NOTE: Due to reporting and other limitations, information from a background check should not be relied upon as the sole basis for selection, but rather, as an important indicator in the overall selection process.
