The term of athlete representatives will coincide with the end of the Annual meeting, historically every four years just prior to the Summer Olympic Games.

To ensure participation, the association will reimburse athlete representatives for reasonable expenses incurred specifically for Board meeting attendance, i.e., reasonable domestic travel to and from the meeting location; economy fares and seating; share rooms whenever feasible, at host hotel. Air travel and hotel accommodations will be arranged by the USA Racquetball staff in consultation with

the athlete representatives. The Executive Committee will assist in resolving questions or concerns.

4. BOARD RIGHTS

The Board of Directors shall have the right to reject a membership application, to deny renewal of membership, and suspend or terminate the membership of anyone whose public actions have been judged detrimental to the welfare, image, and well-being of racquetball.

The Board of Directors may authorize the Executive Director to sign all contracts and other instruments in writing, subject to approval of each such contract or instrument by the Board of Directors.

5. BOARD FUNCTIONS AND RESPONSIBILITIES

Board members, regardless of how they were appointed to the Board, are subject to all rules and entitled to all the privileges governing other members of the Board except as otherwise stated in these By-Laws.

All Board members must complete all agreement documents and processes required,

including but not limited to confidentiality, conflict of interest disclosure (see Article V, Section 503.0.A), background check, SafeSport education/training, social media, and any other agreements deemed necessary to ensure the integrity of the Board.

As an entity, the Board of Directors should focus on longer-term **objectives and impacts rather than on day-to-day management**. Responsibilities and functions include but are not limited to:

Review and approval of the NGB's strategic plan and budget
Oversight of the financial activities throughout the fiscal year
Review and approval of the financial statements, annual reports, financial and control policies, and selection of independent auditors

1. The Executive Director and the Immediate Past President (see Article VIII, 806.0.A.1) shall be non-voting members of the Executive Committee.

2. The Executive Committee is empowered to act for the Board of Directors between meetings and shall transact business and administer the affairs of the Corporation and the Board of Directors. The Executive Committee will provide regular updates to the Board of Directors either in written form or as part of the next regular Board meeting as circumstances dictate.

3. The Executive Committee shall meet at such times and places as it shall determine or upon the call of the President, or upon the call by a majority of its members. Minutes must be kept and are subject to approval by the Board of Directors.

4. A quorum of the Executive Committee shall consist of a simple majority of the Executive Committee.

5. Officers may not serve as officers at another USOPC National Governing Body.

6. The Executive Committee acts as the first point of contact for grievances, either choosing to directly adjudicate as a committee or, alternatively, appointing appropriate committees and/or individuals to comprise adjudication panels responsible for addressing specific individual grievances. This approach allows for inclusion of subject matter experts with specialized functions/knowledge and others chosen to provide the most balanced and fair handling for each grievance brought to the association. Whether any grievance panel is the Executive/Ethics/Personnel/Grievance Committee itself or an alternative appointed panel, athlete representation percentage in accordance with USOPC Bylaws Section 8 is mandatory.

(Also see 902.0, Standing Committees, Executive/Ethics/Personnel/Grievance Committee)

602.0 COMPENSATION. No member of the Board of Directors shall receive compensation for any services rendered without full disclosure to and prior approval by the Board of Directors. The Corporation may make reimbursement for reasonable expenses incurred by a Director in the course of his/her duties. Reimbursement must be requested in writing and submitted in accordance with USAR Finance Policies and Procedures.

ARTICLE VII

Note: Athlete Representation will go to 33.3% on 1/1/22. There are determinations to be made on numbers of Board members in each category to achieve balance of representation among the position categories outlined below.

701.0 Board of Directors Position Categories: Selection and Terms

INTRODUCTION

The general rules (processes and timelines) governing selection and terms for the four categories of positions (i.e., seats) on the Board of Directors are described below and in further detail in USAR's Board of Directors Selection Procedures posted on the USA Racquetball website.

Statutes of Term All board terms begin, and end, with the annual May Board meeting, normally held in conjunction with the USAR National Singles Championships.

Term of service for any Board member is a maximum of six years in any combination of Board service categories (see specific category terms below). After six years of consecutive service, no members of the Board of Directors shall be elected again until at least two years after his/her departure.

BOARD OF DIRECTORS POSITION CATEGORIES

A. Board of Directors – At Large Elected Positions

1. Elected by the association's membership via the processes and timelines contained in the Board of Directors Selection Procedures for At Large Elected positions.
2. Term: Members of the Board of Directors elected by the general membership shall serve no more than two consecutive terms of office of three years each. If re-elected after a first three-year term, an At Large Elected Board member may serve another three-year term before departing for at least two years.

B. Board of Directors – Board Appointed Positions

1. Based on needed skill sets and experience, the Task Force attached to the Election Committee (see 902.0) identifies, researches, and presents candidates for Board Appointed positions for ratification by 2/3 majority vote of the entire Board of Directors.
2. One Board Appointed position may be filled after the conclusion of each annual Board election (At Large).
3. Term – maximum of two consecutive three-year terms as approved by 2/3 majority vote of the entire Board of Directors. If re-appointed after a first three-year appointment,

a Board Appointed member may serve another three-year term before departing for at least two years.

C. Board of Directors – Executive Appointed Positions

1. Based on needed skill sets and experience, the president identifies, researches, and presents candidates for Executive Appointed positions for ratification by 2/3 majority vote of the entire Board of Directors.
2. One Executive Appointed position may be filled per election period.
3. Term – maximum of three two-year terms as approved every two years by 2/3 majority vote of the entire Board of Directors.

D. Board of Directors – Athlete Representatives

See Article VI, 601.0.A.2.b – Athlete Representatives

The term of athlete representatives will coincide with the end of the Annual meeting, every four years just prior to the Summer Olympic Games.

Immediately following an athlete representative election, the athletes who were elected must determine (i) who among them will serve on the Executive Committee and (ii) who among them will serve as the Athlete's Advisory Council representative. There is no requirement that these positions be filled by two different persons. However, the alternate representative for Athlete's Advisory Council will be one of the other athletes on the Board who is of opposite sex than the primary representative.

E. Board of Directors - Independent Perspective

The current members on the Board of Directors must include at least one voting Board member who can provide an independent perspective under the following criteria.

A Board member cannot provide an independent perspective if, within the preceding two (2) years:

1. the individual was employed by or held any governance position (whether a paid or volunteer position) with USA Racquetball, the International Racquetball Federation, an international regional sport entity, or any sport family entity connected to USA Racquetball;
2. an immediate family member of the individual was employed by or held any governance position (whether a paid or volunteer position) with USA Racquetball, the International Racquetball Federation, an international regional sport entity, or any sport family entity connected to USA Racquetball;
3. the individual was affiliated with or employed by USA Racquetball's outside auditor or outside counsel;
4. an immediate family member of the individual was affiliated with or employed by USA Racquetball's outside auditor or outside counsel as a partner, principal, or manager;
5. the individual was a member of USA Racquetball's Athletes' Advisory Council;
6. the individual was a member of any constituent group with representation on the Board;

7. the individual receives any compensation from USA Racquetball, directly or indirectly;
8. the individual is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USA Racquetball.

The member must maintain an independent perspective by maintaining the requirements above for their entire term and any successive term with the exception of holding any governance position with USA Racquetball or International Racquetball Federation and reimbursement of expenses related thereto.

F. Board of Directors - Affiliated Member Position

At least one Board position will be made available for affiliated member(s) as defined in the Ted Stevens Olympic and Amateur Sports Act of 1978. If there are no affiliated members that meet the definition, the Board position may remain vacant or otherwise filled (so long as a seat remains immediately available if affiliated member(s) are identified). (See 601.0.A.2.c)

G. Appointments to Vacated Seats/Employees

1. Appointments to vacated seats Mid-term open Board seats filled by Presidential appointment [per USAR By-Laws 804.0.B and 804.0.D] will be tracked on the basis of term length. If the vacated Board seat has 18 months or more remaining in its term, the replacement appointee will be considered to have completed a full term of service. Subsequent "second term" re-election bids will be processed on that basis [601.0.A.3]. If the vacated Board seat has fewer than 18 months remaining, the replacement appointee will be viewed as "interim" and a subsequent "first term" election bid may be sought.

2. Board Service by Former Employees In the event that any USAR employee wishes to run for the Board of Directors after his/her employment with the association ends, they may do so after a two-year period has elapsed (see 601.0.A.4).

ARTICLE VIII

801.0 OFFICERS. The officers of the Corporation shall be President, Executive Vice President, Secretary, and Treasurer, each to be elected by and from the membership of the Board of Directors. Each of these offices is to be held by a separate individual member of the Board. No officer of the Board may serve as an officer of any other amateur sports organization that is recognized as a national governing body by the United States Olympic & Paralympic Committee.

802.0 DEFINITION AND DUTIES OF OFFICERS

A. President

1. The Corporation shall have a President who shall preside at all meetings of the Corporation's membership, Board of Directors, and the Executive Committee and

803.0 ELECTION OF OFFICERS AND TERMS

- A.** The President, Executive Vice President, Secretary, and Treasurer will be elected by and from the membership of the Board of Directors. The election will be decided by the majority of the votes cast by the Board of Directors at a special meeting of the Board. This special meeting shall be held following the adjournment of the biannual meeting of the Board of Directors that is held immediately prior to/or during the USA Racquetball National Singles Championships. Furthermore, the meeting shall not be held until all of the newly elected Board members have been notified of their election and offered an opportunity to either attend or have their opinions expressed. If possible, this special meeting should precede the annual meeting of the membership of the Corporation.
- B.** Officers of the Corporation shall serve a term of two years starting from the adjournment of the Board of Directors meeting at which they were elected and ending with the adjournment of the biannual Board of Directors meeting held two (2) years later. - A.** An Officer or Director of the Board may be removed from office or from the Board of Directors by a two-thirds vote of the Board of Directors.

- C.** If a Board member resigns once for what is deemed a valid reason (e.g. medical/family), he/she is eligible for future Board service, either appointed or elected. If the same individual resigns a second time, he/she is no longer eligible for future Board service, either appointed or elected. Based on circumstances, either of these scenarios can be overturned by a 2/3 vote of the Board of Directors.
- D.** If the Board member who dies, resigns, or is removed is an athlete representative, then the person appointed by the President must meet the requirements to be an athlete representative.
- 1.** Since the Ted Stevens Olympic and Amateur Sports Act requires at least 20% athlete representation on National Governing Body boards, if an athlete representative on the Board of Directors dies, resigns, or is removed, the athlete representative should be replaced within 30 days of the vacancy.
 - 2.** If at any point in time the Board of Directors roster does not reflect 20% athlete representation, the Board of Directors may not vote on Board business until the roster is compliant.
- E.** If a Board member who has served all 12 months in a calendar year does not attend at least 50% of the scheduled conference call meetings in the course of that year, he/she automatically vacates his/her position on the Board. (Exception: excused absences as determined by the Executive Committee) For Board members who have served part of the calendar year, if he/she does not attend at least 50% of the scheduled conference call meetings during his/her time of service, he/she automatically vacates his/her position on the Board.

If a Board member has two physical consecutive unexcused absences from biannual Board of Directors meetings, he/she automatically vacates his/her position on the Board. Electronic participation is allowed for one biannual meeting in each calendar year if the conference call attendance requirement has been met as described in this section.

The Executive Director will have responsibility of providing electronic means in the biannual meetings.

Attendance will be tracked by the Secretary of the Board or another assigned Board member. In the event of numerous excused absences, the Executive Committee will determine whether action should be taken. The Executive Committee will make decisions on unforeseen situations.

805.0 EXECUTIVE DIRECTOR

- B.** The Executive Director shall be in charge of the operation of the Corporation and shall be responsible for carrying out the details of the organization according to the policies and regulations established by the Board of Directors. He/she shall have general supervision over all income of the Corporation and supervise the disbursement of funds in accordance with the budget approved by the Board of Directors.

The National Rules Commissioner will chair the National Rules Committee. He/she shall take necessary steps to explain, interpret, and revise the written rules of racquetball. All such explanations, interpretations, and revisions are to be submitted by the National Rules Committee to the Board of Directors for approval. USA Racquetball complies with and is bound by the safe sport rules, policies, and procedures of the U.S. Center for SafeSport and to submit, without reservation or condition, to the jurisdiction of the U.S. Center for SafeSport for the resolution of any alleged violations of those rules, policies, and procedures.

ARTICLE XX – ANTI-DOPING

It is the duty of individual members of USA Racquetball to comply with all anti-doping rules of the World Anti-Doping Agency (WADA), the International Racquetball Federation, the USOPC including the USOPC National Anti-Doping Policy, and of the U.S. Anti-Doping Agency (USADA), including the USADA Protocol for Olympic and Paralympic Movement Testing (USADA Protocol) and all other policies and rules adopted by WADA, the International Racquetball Federation, the USOPC, and USADA. Athlete members agree to submit to drug testing by the International Racquetball Federation and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension. If it is determined that an individual member may have committed a doping violation, the member agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of the International Racquetball Federation, if applicable or referred by USADA.

ARTICLE XXI – ANTI-RETALIATION

USA Racquetball has zero tolerance for retaliation against people who make good faith reports of potential ethical, policy, financial, or legal violations, or who cooperate with investigations of those reports. That means individuals who are governed by USAR policies, including but not limited to Athletes, Coaches, Tournament Directors, Referees, Members, Vendors, National Board Members, Officers, Contractors, and Staff, may not threaten, harass, discriminate against, or take any negative employment (where applicable) or participation-related action (e.g., discharge, demotion, suspension, non-assignment, negative review) on that basis. Any such retaliation will be treated as a violation of USA Racquetball's Code of Conduct, and it may lead to serious consequences including termination of participation for anyone involved in retaliation.
