Edit Profile Page – All fields change to editable text fields and dropdowns. Required fields have a red *. 
Build your registration by selecting a registrant.

Select Items for each Registrant, read warning messages that will say if something required is missing
Search and add new Registrants to include with this registration, like your doubles partner.

For events requiring payment, choose card type and enter payment information. If paying for membership, separate shopping cart order created for membership and you will receive a separate receipt for that.
For events that don’t require a payment, if you owe for a membership, it creates a shopping cart order for your membership where you only pay membership up front.

Receipt on Screen – allows you to print receipt and modify registration if you see an issue.
Email receipt for membership, if purchased during registration
