

INSTRUCTOR PROGRAM

Certified Instructor to Professional Instructor

How to Upgrade your Certification Level:

Simply go to <http://www.teamusa.org/USA-Racquetball> click on "Instructors" Tab.

Click on USAR-IP Certification Coursework link.

Click on the "Retake testing for higher certification" link. You must have completed the USAR-IP Certified Instructor Program before attempting to improve your Certification level.

Get in touch with your Master Professional for additional information.

Once you have achieved a score better than 90%, your certification status will be adjusted accordingly.
