

List of Non-Conforming Racquets

USA Racquetball have identified the following rackets as being marketed for the sport of racquetball with production specifications that do not conform to the current Rules of Racquetball.

Racquet lengths should be measured to make a final determination as to whether the below racquets conform to the rules. Under the rules, racquets in excess of 22 inches are not allowed.

Brand	Model	Picture	Specification Rule
Ektelon	Longbody 165		Exceeds maximum length of 22 inches
Ektelon	Longbody 175		Exceeds maximum length of 22 inches
Ektelon	Thunder 170 ESP Longbody		Exceeds maximum length of 22 inches
Ektelon	Thunder 180 ESP Longbody		Exceeds maximum length of 22 inches
Pointfore	RB 450		Exceeds maximum length of 22 inches
Pointfore	RB 460		Exceeds maximum length of 22 inches
