THIS SUMMARY OF COMPETITIVE SANCTION RULES IS INCLUDED FOR YOUR REVIEW.

**USA ROLLER SPORTS
COMPETITIVE SANCTION REGULATIONS**

See rules book for complete description of sanction regulations.

A competitive sanction is "permission in writing" from the USARS National Headquarters to sponsor a contest affecting the registered members of the Confederation. The sanction is issued for the protection of the competitive status of the participants and to insure that USARS rules relating to such contests are observed.

Except for intra-club contests where all participants are members of the sponsoring club, competition hosts are reminded that the majority of contestants are guests from other USARS member clubs and the Confederation expects contest hosts to treat them courteously and without exploitation.

Application DEADLINE - 14 days prior to start of event!!

An application in writing and payment for a competitive sanction must be filed with the USA Roller Sports National Headquarters at least 14 days prior to the opening date of the contest. Any sanction applications received within the 14 day deadline will pay a late fee of \$50 and risk the insurance company denying coverage due to short notice. Any announcement of contest must bear the USARS sanction number provided by the National Office.

SANCTION FEES

- A. **USARS MEMBER CLUBS IN A CHARTERED FACILITY:** The sanction fee for USARS member clubs is \$0 per day (Men, Women & Junior). Any application received past the deadline listed above must pay \$50 per day of competition and risk the insurance company denying coverage due to short notice. Prior to participating, all participants must secure USARS membership which provides them with medical/injury insurance. Liability insurance is included with this sanction fee, assuming verification that all participants are USARS members who have executed a waiver of liability and qualify for USARS accident insurance, and the event occurs within a USARS chartered club facility.
- B. **NON-CHARTERED FACILITY:** USARS teams that are participating in non-USARS events must sanction the event and the host club must provide proof of liability coverage for the venue.
- C. **MULTI-NATIONAL CONTEST -** Involves competitors from the United States and other countries (EXCEPT CANADA). No charge.

Liability insurance certificates in the amount of \$1,000,000 may be issued naming non-member venues and meet hosts/sponsors as additional named insured (Men, Women & Junior). All conditions for safety of participants must be observed, as noted on the reverse side of this application. Liability insurance coverage requires that all participants must be USARS members in good standing. See 2017-2018 Application for Roller Derby Certificate of Insurance more pricing information.

NO EVENT MAY BEGIN BEFORE 6 AM AND NO EVENT SHALL FINISH LATER THAN 1 AM

MEDICAL SUPERVISION AND SAFETY GUIDELINES

All applicants for USARS sanctions and all persons in charge of the sanctioned activity (meet director) shall be familiar with and agree to the following guidelines for medical supervision and safety precautions:

- 1. The sponsor shall plan for prompt access to qualified medical assistance and shall furnish this plan to the meet director.
- 2. The sponsor shall plan for transportation of injured persons to qualified medical assistance and shall furnish this plan to the meet director.
- 3. Only those who are properly trained and qualified to render first aid should administer first aid to an apparently seriously ill or injured person. This guideline is not intended to prevent the furnishing of customary assistance for minor injuries which is reasonable under the circumstances, such as providing band aids for small cuts.
- 4. Only those who are properly trained in emergency transportation or under the direction of trained medical personnel should attempt to move or transport a person with apparently serious injuries to the neck, head, back or limbs.
- 5. The sponsor shall plan for such other medical supervision as may be reasonable under the circumstances and furnish this plan to the meet director.
- 6. Equipment required for safety under USARS General Rules must be worn at all practices and competitions; otherwise, USARS accident/medical insurance is void.
- 7. Sanction holder must provide meet officials with an adequate supply of surgical gloves, swabs and other medical supplies necessary for treating and isolating bleeding injuries.

SAFETY REQUIREMENTS

The following safety requirements shall be satisfied in order to hold an indoor sanctioned competition:

1. The track shall be laid out according to minimum safety specifications provided by USARS National Headquarters.
2. All rail barriers and all rail openings (if any) shall be closed in such a manner as to present a continuous solid, smooth surface from the floor to the top of the horizontal railings.
3. For skating floors with no rail or wall barrier surrounding the skating surface, a minimum of ten (10) feet from the edge of the skating surface shall be kept clear of seating, bleachers, spectators, and contestants and will be clearly identified by use of chalk, tape, rope, etc.
4. Smooth, continuous barriers shall not be padded. All rough surfaces, protrusions and obstacles adjoining the track or within ten (10) feet of the skating surface without a barrier protection, shall be padded. The padding shall be at least 2" thick raised from the skating surface 10".
5. No structures, speakers, lights, or the like shall project into the track area within seven-and-a-half (7 1/2) feet overhead of the skating surface. If the actual track path on the floor is more than 30 feet from the edge of the skating surface, the safety requirements for padding are waived.
6. Protective gear shall include, at a minimum, wrist guards, elbow pads, knee pads, mouth guards, and helmets for USARS secondary medical insurance to be effective.

REPORTING CONTEST RESULTS

USARS will provide summary forms for all applicable contests for which a sanction has been approved.

1. Within 14 days after the conclusion of the contest the event reporting form must be forwarded to USARS.
2. The Board of Directors has determined that no further sanctions or credit be extended to sponsors of a contest that are delinquent in submission of contest data and funds. The payment of sanction fees is not sufficient without accompaniment of applications, scoring forms, contestant rosters, and program.

If a club has a past due account a sanction cannot be issued until paid in full.
