## 2019 World Team Qualifier

The pertinent information and the tentative schedule is on the USA Rollers Sports website. The contest will be held at John and Lori Peck's skating facility, Lynwood Sport Center, April 19-21<sup>st</sup>, 2019. This contest is for qualifying 2019 USA World Team and will not have Youth or Adult events.

## Figure Sport Committee Bio's

As stated in prior posts, the Figure Sports Committee (FSC) has made their introduction, to show membership who is now representing them, as we move towards positive changes in the sport. Please visit the USA Roller Sports webpage now, to see a little information on your FSC and the vast knowledge in figure roller sports that we bring.

## 2019 National Figure Schedule (tentative)

This schedule is different than past years, due in large part, with the World Roller Games conflicting this year with our National Championships. We will start with Adult events, then Youth events, ending the last few days with the Elite events. Additionally, due to the contract we have with the Spokane Washington center, we are also condensing the Figure Championships down to 12 days, instead of 14 skating days. As you will see, each day will be going straight through, without the traditional dinner breaks. Once all the Regional Championships are completed and we have an actual count of contestants, the schedule will be re-worked and additional award ceremonies added, as needed.
