**Purpose:**

These procedures set out the background check search components and the process for conducting background checks, interpreting background check results, communicating with individuals regarding their background check results, and reporting to the U.S. Olympic Committee (USOC) all background check results.

NOTE: Due to reporting and other limitations, information from a background check should not be relied upon as the sole basis for selection, but rather an important indicator in the overall selection process.

**Statement of Procedure:**

I. **Authorized Background Check Organization**

A. The National Center for Safety Initiatives (NCSI) shall conduct all background checks for the USOC. NCSI is a full-service screening organization that works in accordance with the *Recommended Guidelines*© established by the National Council of Youth Sports (“NCYS”).

In addition to conducting background checks, NCSI is responsible for evaluating background check results, communicating with individuals regarding their background check results, and reporting to the USOC and the appropriate NGB/PSO/HPMO (hereinafter “Responsible Sport Organization”) all background check results. NCSI will also be responsible for complying with the Fair Credit Reporting Act (“FCRA”), storage of background check records, and maintaining the confidentiality of information obtained in the background check process.¹

The USOC has entered into a contract with NCSI to allow use of the NCSI website, and will conduct a bi-annual review of NCSI to ensure its needs and the needs of all its constituents are being met.

---

¹ NCSI does not participate in or make decisions regarding an individual’s eligibility for participation. Any and all decisions relating to participation shall be determined at the discretion of the USOC.
II. Individual Self-Registration Procedure

A. NCSI will provide the USOC with a link to the NCSI website, so that the USOC and Responsible Sport Organizations can effectively direct individuals to the website to complete the registration for the individuals’ background checks. As part of their online registration at NCSI’s secure website, each individual must complete a background check Consent & Authorization form.

B. From the time an individual self-registers for their background check, through the conclusion of their association with the USOC, they have the affirmative duty to disclose their criminal history to the USOC. Failing to disclose or intentionally misrepresenting an arrest, plea, or conviction is grounds for disciplinary action, regardless of when the offense is discovered or occurred. An individual also has an affirmative duty to disclose a pending outcome, confirmed violation, or suspension stemming from any SafeSport-related matter with a Responsible Sport Organization, another sport organization, or the U.S. Center for SafeSport. In such an event, the individual must notify the USOC, in writing and within 24 hours.

C. The USOC shall be responsible for ensuring that background checks are conducted on the individuals outlined in the Application Section of the Background Check Policy (Section I).

A “Red Light” means one or both of the following: 1) information is required to complete the screening process (“RL-I”) and/or 2) criteria-related convictions or pending convictions were found and verified in the screening process (“RL-Review”). If a question arises concerning a background check, the individual will be contacted directly by NCSI and given the opportunity to correct potential discrepancies in the individual’s records or to provide additional information prior to NCSI issuing a Red Light determination. In “RL-I” situations the USOC may also be contacted.

B. A reportable record or disclosure that contains a disposition or resolution of a criminal proceeding, other than an adjudication of not guilty, or the existence of pending charges, for any of the below criminal offenses will be flagged as a Red Light Review, meaning it does not meet the initial screening criteria and the individual will be subject to the USOC’s policies and procedures to determine the individual’s level of access and involvement with regard to athlete interactions, USOC facilities and Delegation Events (as defined below):

\textsuperscript{9} Any covered individual that has been convicted of, received an imposition of a deferred sentence for, or any plea of guilty or no contest for any sexual crime, criminal offense of a sexual nature, and/or is a sex offender registrant must be reported to the U.S. Center for SafeSport.
Any individual has the right to dispute what they consider to be erroneous findings of the criminal background check directly with the criminal background check vendor. The USOC is required by the Background Check Policy to accept the findings of the criminal background check provider as to the accuracy of the records. However, the USOC Background Check Review Panel shall exercise their discretion and may take all relevant information into consideration to determine the eligibility status of individuals with Red Light findings.

VII. Background Check Procedures

A. The USOC will be notified of Green Light and Red Light status. Individuals will receive two separate Green Light/Red Light notifications: one for their criminal check and one for their driving history check. In the event of a Red Light, NCSI will contact the USOC to request authorization to send an adverse action letter on behalf of the USOC, and if authorized, will send an adverse action letter to the individual. On request, NCSI will provide additional information to support the USOC’s review and decision process.

B. After receiving notification of a Red Light Review, the USOC Review Panel will determine if and to what degree the individual will be: (a) affiliated with the USOC, (b) granted access to an Olympic Training Center, (c) permitted to participate in a Delegation Event, or (d) granted driving privileges in accordance with the Background Check Policy and these procedures.

C. Responsible Sport Organizations are required to notify the USOC via email at Background.Checks@usoc.org of any decision reached by the Responsible Sport Organization, which has the effect of allowing an individual covered by the Responsible Sport Organization’s Background Check Policy to reside, train or compete at an Olympic Training Center or participate in an Olympic, Paralympic, Pan American, Parapan American, Youth Olympic Games, or other international sporting events as designated by the USOC (collectively the “Delegation Events”), if the individual’s background check screen was flagged for any disposition or resolution of a criminal proceeding, other than an adjudication of not guilty for any of the below crimes:

Any felony involving:

1. Violence against a person within the previous ten (10) years;

2. Violent crimes involving weapons (including armed robbery and aggravated assault with a weapon) within the previous ten (10) years; and

3. Animal abuse, cruelty or neglect.

   As well as any felony or misdemeanor involving:

1. Chief of Athlete Services or their designee (may participate on Review Panels for all Delegation and Training Center matters);

2. USOC Vice President of Athlete Safety or their designee (all Delegation and Training Center matters);

3. Chief of Security or their designee (all Delegation and Training Center matters);

4. Representative from the USOC Legal Division (all Delegation and Training Center matters);

7. Vice President of Games Operations or their designee (all Delegation Events); and

8. Athlete Representative designated by the AAC.

In addition, the Director of Risk Management may advise the Review Panel as to any attendant risks.

B. The USOC Review Panel will conduct a hearing. The individual will be notified of a specific date and time so that they may participate if they wish. Unless the Review Panel requires the individual to attend the hearing in person, the individual may appear by telephone conference call. The individual has the right to be represented by legal counsel at the hearing.

---

\(^{10}\) Medical licensing and credential reviews will be conducted by a panel with internal and/or external medical expertise.
At the hearing the individual will be allowed to present any evidence or argument that he or she wishes the Review Panel to consider. The Review Panel may require that documentary evidence be presented prior to the hearing and that the names of any witnesses be disclosed prior to the hearing. The Review Panel shall also seek input from the relevant Responsible Sport Organization.

A determination will be made based on a majority vote of the Review Panel. Prior to the Review Panel’s final determination, interim measures may be imposed, as necessary, to ensure the safety and wellbeing of others at Training Centers or Delegation Events. Upon the request of the Responsible Sport Organization or the individual, and if it is necessary to expedite the proceeding in order to resolve a matter relating to training or a competition that is scheduled, the Review Panel may render an expedited determination.

C. The Review Panel has the discretion to deny any individual covered by the USOC or Responsible Sport Organization Background Check Policy from accessing an Olympic Training Center or from participation in Delegation Events if it finds, in good faith, that permitting an individual with a Red Light Review to participate is inconsistent with the stated purpose of the USOC’s Background Check Policy. In rendering its finding, the Review Panel shall consider the following:

1. The legitimate interest of the USOC in providing a safe environment for athletes and other individuals who reside, train or compete at USOC Training Centers;
2. The seriousness of the criminal offense or act;
3. The time which has elapsed since the occurrence of the criminal offense or act;
4. The age of the person at the time of occurrence of the criminal offense or act;
5. The bearing, if any, the criminal offense or act has on the individual’s ability to perform the necessary functions of their role or otherwise be a representative of the U.S. Olympic and Paralympic Movement;
6. Any information produced by the individual, or produced on behalf of the individual with respect to the individual’s rehabilitation and good conduct;
7. Any voluntary restrictions on access proposed by the individual;
8. Any recommendation or information provided by the individual’s organization; and
9. Any other information, which in the determination of the Review Panel, would bear on whether or not the individual should represent the U.S. Olympic and Paralympic Movement.

D. The Review Panel will communicate its finding to the individual and to the individual’s Responsible Sport Organization. If the individual disagrees with the
finding of the Review Panel, they may appeal the decision by filing a demand for arbitration with the American Arbitration Association ("AAA") within thirty (30) days of the Review Panel's decision. A decision rendered by the AAA shall be final and binding on all parties.

IX. Payment Information

In cases where the USOC directly assigns or nominates an individual to serve in a Games role or to be a member of the official Games Delegation, payment for the background check will be the responsibility of the USOC. In all other instances, payment for the background check will be arranged by the Responsible Sport Organization, partner program, or USOC Department.
