

USA ROLLER SPORTS COMMITTEE NOTICE

Deadline – September 13, 2019

Sport-Specific Committees - At the 2019 Fall Board Meeting (November 1-2-3), positions on USARS Sports-Specific Committees are open to review and change by the Board.

All voting positions are elected for four-year terms of office, unless the election is to fill the balance of a term vacated early. Members, other than the staff director may serve no more than two consecutive four-year terms. Committee members without a vote serve one-year terms. The Board will be aware and sensitive to diversity of gender, ethnicity, geographic location in these appointments to ensure that there is national representation and committees meet the requirements of the USOC.

Standing Committees – According to the Bylaw revisions approved last year, Standing Committee terms are now two-years, with no term limits. At the Fall 2019 meeting, members were elected to two-year terms to expire in 2020. No Standing Committees are open to selection this year, unless to fill a vacancy or by request of the Committee for a specific addition.

Terms - Committee terms expire in the designated year following the close of the Fall Annual Board Meeting, with the exception of the Committee on Committees which will serve through the end of the Spring Semiannual Board Meeting the following year.
