Regional Coaches' Representatives

WE SEEK YOUR INPUT

Attached you will find:

Entry Form Survey (Requested from all Adult Competitors)
Dance classification (Optional)

The Coaches' Representatives would like to have skaters fill in the forms and give them to their coaches to present to the Reps at the Regional meeting. If your coach will not be present please give the form directly to your Region Rep.

The Entry form survey will be used to create tentative schedules for Regional and National Championships. This information will also help us to determine what events the skaters are interested in skating.

The dance classification form will help the Reps when picking the requirements for the upcoming year. This form is optional and is not required by all contestants.

USA ROLLER SPORTS
REVISED ADULT SKATING PROGRAM
SURVEY

The revised adult skating program consists of three age divisions and three skill levels. If skating an age division, skaters may choose to skate the Bronze, Silver, or Gold skill level. Teams will skate in the age division of the younger skater. Skaters may skate an age division and/or a classic event, Silver or Gold, in each discipline. There is also a Classic Singles event (formerly Novice), and Silver and Gold Original Compulsory Dance events that are open to all skaters age 18 and over.

If you plan to skate in at least one artistic event in the 2017-2018 competitive year, please indicate the events you are most likely to skate.
