FIRS Indoor World Cup Championship
MARCH 15-19, 2017

WELCOME!

The Astro Skate Center in Conjunction with The Federacion Internacional De Rollersports (FIRS) would like to cordially invite you to the First Ever, Indoor World Cup Race - The Orlando Classic! Which will also feature Outdoor Races on Sunday March 19th 2017.

This race is a preliminary race that will possibly lead to the First Ever INDOOR WORLD CHAMPIONSHIP in 2018 hosted by FIRS. We need your support to bring this Championship to life. We will do all we can do to make your event economical and exciting. There are over 14 countries currently hosting an Indoor National Championship and this is a chance to showcase your countries talents on the Indoor Track.

The event dates will be March 15-19th, 2017 located in the Vacation Capitol of the World, the Beautiful ORLANDO, FLORIDA! This is the home of Walt Disney World, Universal Studios, Sea World and many more parks and attractions, so this is not only a race, but a wonderful family vacation as well!

The Indoor Facility is a newly renovated 30,000 square foot building which hosts a 18,000 Square foot Hardwood Floor freshly coated with Roll-On, the number one choice in Floor Coatings. With \$750,000 in renovations alone, the facility will awe you with its 3 dimensional art work, exciting lights and sound, and special VIP and Vendor areas!

The racing will be for all ages with truly three levels of skating.

The World Class and Junior World Class will be for all skaters at the highest levels and any skater who is a former National Team Skater will be required to skate on this division.

There is the Elite Division which is for most experienced skaters, and the Novice Division for newer skaters and less experienced.

The Junior World Class and Senior World Class divisions will be competing for the World Cup for Indoor and the Elite and Novice will be awarded with Medals custom designed for this International Competition.

There will be relays for all divisions, There will be a Junior World Class and Senior World Class 3 Person Relay Competition as well as for the Elite division.

There will be all standard 2 person relays for the Elite Division, as well as Novice division.

The Outdoor portion of the competition will feature various outdoor races and we will be sending more information soon about the facility and the races.

The Astro Skate Center can provide local transportation to and from the hotels upon request.

Hotel Information will be following shortly with various prices of hotels and facilities to make your trip economical and fun!

We can also assist with visits to the Theme parks and attractions.

If you need assistance in Coaching and Bettering your indoor skills, we have coaches available to work with your teams if you wish to come early or if you wish to book private teaching in your country.

The Following is a Tentative Schedule of Events to be skated.
