

great height and speed on his jumps which aids him in this difficult move. His excellent program, highlighted by this jump, catapulted him from 4th after compulsory into 1st place and the Junior Title.

The No-Crossover rule was again apparent in the American Figures events as some former Figure skaters had elected to skate International. The new Senior Ladies Figure Champion is **Kathleen O'Brien**, who is also an accomplished Freestyle skater. Kathleen skated top grade figures to edge out 2nd place, **Moana Brigham**, our Senior Ladies Singles Champion. The Senior Men's title went to former Junior Figures Champion, **Kim Rouse** of Akron, Ohio.

This was the last year for Fours competition at the Nationals. Senior Fours was won by the Defending Champions, **Sallenback, Redway, Sander** and **Stewart** from Montclair, California. This look-alike team always presents excellent unity and precision to make them a highly disciplined and enjoyable entry. Some innovative new moves were displayed by the second place team from Brookport Ohio, **Barrett, Topovski, Barrett** and **Goydos**.

Following are the top three placements from the artistic events.
