c. Athlete directors. The four (4) Athlete directors shall be directly elected by athletes eligible to run. Two (2) of the Athlete directors shall be elected by virtue of achieving the highest vote totals in the election for the USAS’ AAC representative and alternate on the USOC Athletes’ Advisory Council, meeting the qualifications set forth in Section 12.2. The other two (2) Athlete directors shall be elected in a separate election and shall meet the following qualifications:

1) within the ten (10) years preceding election, represented the United States in the Olympic, Pan American, or Paralympic Games, or World Championships, or event designated as an Operation Gold event, or, in a team sport, an international championship recognized by the IF of the NGB; or 2) within the twenty-four (24) months preceding election demonstrated that they are actively engaged in amateur athletic competition by finishing in the top half of the NGB’s national championships or, in a team sport, have been a member of the NGB’s national team.

Subject to meeting the eligibility requirements, eligible athletes may run and vote in both elections. The vote tallies for the AAC member/alternate positions shall be counted and tallied prior to the vote count for the separate election, and any person elected to the AAC member and alternate positions shall already be elected to the USAS Board and shall no longer be eligible for election to the USAS Board pursuant to the separate election. The other two (2) athlete directors shall be elected pursuant to the separate election, as follows: (a) in the event the two AAC member/alternate directors that are elected are of different genders, then the two eligible individuals with the highest vote totals in the separate election shall be elected to the two remaining USAS athlete director positions; or (b) in the event the two AAC member directors that are elected are of the same gender, then the female with the highest vote total among the eligible female candidates and the male with the highest vote total among the eligible male candidates shall be elected to the two remaining USAS athlete director positions. All athlete directors are elected for a four (4) year term. Elections shall take place after the Summer Olympic Games but prior to January 1 of the year following the Summer Olympic Games, with the commencement of the term beginning on January 1.
At least 20% of the total number of directors shall be athlete directors. USAS shall pay for the reasonable expenses of the athlete Board directors to attend USAS Board meetings.

d. At Large Director. The Nominating and Governance Committee shall recommend and nominate a candidate for the position of at large Director, using whatever process the Nominating and Governance Committee determines to be appropriate. The Board shall elect one (1) at large director.

e. Independent Director. The Nominating and Governance Committee shall nominate, using whatever process the Nominating and Governance Committee determines to be appropriate, at least one (1) director from among individuals considered to be independent, as that term is defined in Section 7.7. The Board shall elect one (1) independent director.

f. Affiliated Organization Director. If there is no Affiliated Organization member, then the Affiliated Organization director seat shall be vacant. If there is one (1) Affiliated Organization member, then that organization shall select a qualified individual to serve as the Affiliated Organization director. If there is more than one (1) Affiliated Organization member, then the Affiliated Organizations as a group shall select a qualified individual to serve as the Affiliated Organization director.

Section 7.7. Independence.

The Board, through its Nominating and Governance Committee, shall affirmatively make a determination as to the independence of each independent director, and disclose those determinations. Under the definition of “independence” adopted by the Board, an “independent director” shall be determined to have no material relationship with USAS, either directly or through an organization that has a material relationship with USAS. A relationship is “material” if, in the judgment of the Nominating and Governance Committee, it would interfere with the director’s independent judgment. To assist it in determining whether a director is independent, the Board shall adopt the guidelines set forth below, which shall be applied on a case-by-case basis by the Nominating Committee.

A director shall not be considered independent if, within the preceding two (2) years:

a. the director was employed by or held any governance position (whether a paid or volunteer position) with USAS, the international federation of softball, the international regional sport entity of softball, or any sport family entity of softball;

b. an immediate family member of the director was employed by or held any governance position (whether a paid or volunteer position) with softball, the international federation of softball, the international regional sport entity of softball, or any sport family entity of softball;

c. the director was affiliated with or employed by USAS’s outside auditor or outside counsel;

d. an immediate family member of the director was affiliated with or employed by USAS’s outside auditor or outside counsel as a partner, principal or manager;
e. the director was a member of USAS’ Athletes’ Advisory Council;
f. the director was a member of any constituent group with representation on the Board;
g. the director receives any compensation from USAS, directly or indirectly; or
h. the director is an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USAS.

Where the guidelines above do not address a particular relationship, the determination of whether the relationship is material, and whether a director is independent, shall be made by the Nominating and Governance Committee.

Section 7.8. Board Term.
The term of office for a director of the Board shall be two (2) years. A director’s term shall commence at the conclusion of the National Council meeting and shall end at the conclusion of the National Council meeting two years later. However, a director shall hold office until the director’s successor is elected/selected and qualified, or until the director’s earlier resignation, removal, incapacity, disability or death.

Section 7.9. Director Attendance.

Directors of the Board shall be expected to attend in person all regularly scheduled Board meetings, though for exigent circumstances a director may participate in a meeting by telephone. Directors shall be required to attend no less than one half (1/2) of all regularly scheduled Board meetings in person. Attendance by proxy or attendance by telephone shall not constitute attendance in person for purposes of the immediately preceding sentence. Notwithstanding the foregoing, a USAS director shall not be deemed absent from any USAS Board meeting for purposes of this Section 7.9 if the absence was the result, in whole or in part, of the director’s participation in USAS’ National Team activities.

Section 7.10. Resignation, Removal and Vacancies.

A director’s position on the Board shall be declared vacant upon the director’s resignation, removal, incapacity, disability or death. Any director shall resign at any time by giving written notice to the President, except the President’s resignation shall be given to the Chief Executive Officer. Such resignation shall take effect at the time specified in the written notice, and unless otherwise specified in the written notice, the acceptance of such resignation shall not be necessary to make it effective. A director shall be removed by the Board if they fail to attend telephonically or in person more than one half (1/2) of the regular meetings of the Board during any twelve (12)-month period, unless they are able to demonstrate to the other directors of the Board that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent directors shall be removed by the affirmative vote of a majority of the voting power of the Board (not including the voting power of the absent director). A director, other than a Regional Vice President, shall also be removed for cause at any duly noticed meeting of the Board, and after being provided an opportunity for the director to be heard by the
Board, upon the affirmative vote of at least two-thirds (2/3) of the total voting power of the Board (excluding the voting power of the director in question). A Regional Vice President director shall also be removed for cause (i) at any duly noticed meeting of the Board, and after being provided an opportunity for the director to be heard by the Board, upon the affirmative vote of at least two-thirds (2/3) of the total voting power of the Board (excluding the voting power of the director in question) or (ii) after being provided an opportunity to provide a statement to the Region’s National Council members, by a two-thirds (2/3) vote of the Region’s National Council members.

No director shall be subject to removal or to not being re-nominated based on how they vote as a director, unless such voting is part of a violation of USAS’s Code of Ethics.

Any vacancy occurring in the Board shall be filled as set forth for the election of that director. A director elected to fill a vacancy shall be elected for the unexpired term of such director’s predecessor in office.

Section 7.1. Regular and Special Meetings.

USAS’s Board shall meet at regularly scheduled meetings, or with such other frequency as is appropriate for the Board to meet given the circumstances. The Board shall meet during the National Council meeting. Otherwise, the President shall determine, after conferring with the Board, the date and location of Board meetings. Special meetings of the Board shall be held upon the call of the President or upon the written request of not less than fifty (50) percent of the Board.

Section 7.12. Notice of Meetings.

The Chief Executive Officer shall send to each member of the Board written notice of each meeting of the Board at least three (3) days prior to such meeting. The notice shall specify the date and time of the meeting and shall also include either a place where the meeting will be held or a telephone number which a director may use to participate in the meeting telephonically, by facsimile or by e-mail. Notice shall be deemed given to a director when deposited in the United States mail or with a reputable delivery service addressed to the mailing address for such director as shown in the official directory of USAS or such other mailing address as such director may specify to the Chief Executive Officer in writing from time to time, or when transmitted to the facsimile number or e-mail address of such director as shown in the official directory of USAS or such other facsimile number or e-mail address as such director may specify to the Chief Executive Officer in writing from time to time. The notice need not specify the purpose of the meeting. Any business that may be transacted by the Board at a regular meeting may also be transacted at a special meeting of the Board.

A director may waive notice of any meeting before, at, or after such meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.
Section 7.13. Quorum.

A simple majority of the directors of the Board in office immediately before the meeting begins shall constitute a quorum for the transaction of business at any meeting of the Board. If less than a quorum is present at a meeting, a majority of directors present at the meeting may adjourn the meeting from time to time without further notice other than an announcement at the meeting, until a quorum shall be present.

Unless otherwise provided for herein, the act of at least eleven (11) directors on the Board shall constitute an act of the Board.

As further provided in Section 7.17, the written consent of at least eleven (11) directors on the Board shall also constitute an act of the Board.

Section 7.15. Attendance and Voting by Proxy.

Proxies shall be allowed, provided the proxy request is submitted to USAS at least three (3) business days prior to the commencement of the meeting and such proxy request is approved by the Board.

Section 7.16. Presumption of Assent.

A director who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless such director's dissent shall be entered in the minutes of the meeting or unless the director shall file a written dissent to such action with the individual acting as the Secretary of the Board before the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 7.17. Action Without a Meeting.

Any action required or permitted to be taken at a meeting of the Board may be taken without a meeting if at least eleven (11) directors on the Board via electronic means or in writing: (i) consent to such action; and (ii) such writing is promptly circulated to the entire Board.

Section 7.18. Transacting Business by Mail, Electronic Mail, Telephone or Facsimile.

The Board shall have the power to transact its business by mail, electronic-mail, telephone, or facsimile, if in the judgment of the President case requires such action.
Section 7.19. Agenda.

The agenda for a meeting of the Board shall be set by the President after consultation with the Chief Executive Officer. A director may request that items be placed on the Board agenda. A Board agenda shall be placed on USAS’s website and available to USAS’ members no later than seven (7) days prior to the meeting date.

Section 7.20. Questions of Order and Board Meeting Leadership.

Questions of order shall be decided by the President unless otherwise provided in advance by the Board. The President shall lead meetings of the Board. If the President is absent from any meeting of the Board, then the Immediate Past President shall preside. If the Immediate Past President is unable to preside, then the President Elect shall preside.

Section 7.21. Effectiveness of Actions.

Actions taken at a meeting of the Board shall become effective immediately following the adjournment of the meeting, except as otherwise provided in the Bylaws or when a definite effective date is recited in the record of the action taken.

Section 7.22. Open and Executive Meeting Sessions.

Ordinarily, all meetings of the Board shall be open to USAS members. In the event the President, with the consent of a majority of the directors of the Board in attendance, deems it appropriate: (i) to exclude members at an open meeting for any reason, then the President may declare that the meeting is closed, or (ii) to convene an executive session to consider and discuss matters relating to personnel, nominations, discipline, budget, salary, litigation or other sensitive matter, then the President may specifically designate and call an executive session. Further, the President may open a meeting of the Board to non-members, with the consent of a majority of the directors of the Board in attendance.

Section 7.23. Minutes of Meetings.

The minutes of all meetings of the Board shall be published on USAS’s website for review by USAS’ members. Every reasonable effort will be made to post the minutes within thirty (30) days after completion of the meeting. Meeting archived minutes shall also be posted and available to USAS’ members on USAS’s website.

Section 7.24. Compensation.

Directors of the Board shall not receive compensation for their services as directors, although the reasonable expenses of directors may be paid or reimbursed in accordance with USAS’s policies. Directors are disqualified from receiving compensation for services rendered to or for the benefit of USAS in any other capacity.

The offices of President, President Elect and Immediate Past President shall each be limited to one term. No individual may simultaneously hold positions as President, President Elect and Immediate Past President. The current Immediate Past President may not run for the office of President Elect, until after being out of office for two years.

There are no term limits for service as Chief Executive Officer, Treasurer, or Secretary, except that the Chief Executive Officer and Secretary have to be employed by USAS, and if not so employed then his/her position as an officer will also terminate.

Section 8.5. Authority and Duties of Officers.

Committee agendas shall be developed by the Committee Chair in consultation with the appropriate members of management and with the input of the President. Committee members shall be expected to attend in person all regularly scheduled committee meetings. Participation by telephone shall be permitted as necessary. Committee Chairs shall report on committee matters to the Board when requested.

The President or Chief Executive Officer shall appoint such advisory task forces as the Board or Chief Executive Officer believe appropriate, and shall define narrowly the mission and deliverables of such task forces. The decision to appoint or not appoint and to terminate such a task force shall be exclusively with the President or the Chief Executive Officer’s determination.

Section 10.3. Number.

Membership on standing committees shall not exceed five (5) individuals. Working committees and task forces shall be of the minimum number and size possible to permit both conduct of the sport and appropriate Board governance.

Section 10.4. Athlete Representation.

Athlete representatives shall equal at least 20% on all committees.

Designated Committees (Nominating and Governance, Judicial, or those that prepare, approve or implement 1) expenditure of funds allocated to NGB by USOC, or 2) selection of international teams) have a higher standard of Athlete Representation than do other Committees. To be eligible to serve on Designated Committees, athlete
representatives must have, 1) within the ten (10) years preceding election, represented the United States in the Olympic, Pan American, or Paralympic Games, or World Championships, or event designated as an Operation Gold event, or, in a team sport, an international championship recognized by the International Federation of USAS, or 2) within the twenty-four (24) months preceding election, demonstrated that they are actively engaged in amateur athletic competition by finishing in the top half of USAS’s national championships or, in a team sport, have been a member of the USAS’s national team.

Athletes on all committees, including Designated Committees, shall be selected by the President with approval of athletes, or a representative group of athletes, who are eligible to serve.

Section 10.5. Term.

Each committee or task force member must attend a minimum of at least one half (1/2) of the committee or task force meetings of which they are a member during any twelve-month period, or otherwise demonstrate that exigent circumstances caused and excused the absences. Notwithstanding the foregoing, a USAS committee or task force member shall not be deemed absent from any such meeting for purposes of this Section 10.7 if the
absence was the result, in whole or in part, of the member’s participation in USAS’ National Team activities.

Section 10.8. Resignation, Removal and Vacancies.

A committee or task force member’s position on a committee or task force may be declared vacant upon the committee member’s resignation, removal, incapacity, disability or death. A committee member may resign at any time by giving written notice to the President, if appointed by the President, or to the Chief Executive Officer, if appointed by the Chief Executive Officer. Such resignation shall take effect at the time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Committee or task force members may be removed by the President if they fail to attend in person more than one half (1/2) of the regular committee or task force meetings during any twelve-month period, unless they are able to demonstrate to the President, or to the Chief Executive Officer, if appointed by the Chief Executive Officer, that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent committee or task force member shall be removed upon determination of the President, or upon the determination of the Chief Executive Officer, if appointed by the Chief Executive Officer. Committee members may also be removed for cause upon the affirmative vote of at least two-thirds (2/3) of the total voting power of the Board (excluding the voting power of the committee member in question, if also a director), or upon the determination of the President or of the Chief Executive Officer, if appointed by the Chief Executive Officer. Committee members may also be removed not for cause upon the affirmative vote of at least three-fourths (3/4) of the total voting power of the Board (excluding the voting power of the director in question, if also a director), or upon the determination of the President or of the Chief Executive Officer, if appointed by the Chief Executive Officer.

Any vacancy occurring in a committee or task force shall be filled as set forth for the appointment of that committee or task force member. A committee or task force member appointed to fill a vacancy shall be appointed for the unexpired term of such committee or task force member’s predecessor in office.

In the event the committee or task force chair, with the consent of a majority of the committee or task force members in attendance, deems it appropriate to exclude members at an open meeting for any reason, then the chair may (i) declare that the meeting is
closed, or (ii) to convene an executive session to consider and discuss matters relating to personnel, nominations, discipline, budget, salary, litigation or other sensitive matter, then the chair may specifically designate and call an executive session. Further, the chair may open a meeting of the committee or task force to non-members, with the consent of a majority of the members of the committee or task force in attendance.

NATIONAL OFFICE COMPLAINTS

Preface to Section 16: As set forth in the immediately preceding section of these Bylaws, all complaints within the jurisdiction of Local Association Judicial Committees or Tournament Protest Committees shall be handled, in first instance, by those entities. Therefore, the following compliant procedures should not be used to file complaints which should be brought, in the first instance, with a Local Association Judicial Committee or Tournament Protest Committee. A failure to adhere to these Bylaws and complaint procedures shall constitute independent grounds for denial of a complaint.

Section 16.1. Designation of Complaints.

Subject to the Preface to Section 16 stated herein, the following kinds of complaints may be filed with USAS’s National Office:

a. Administrative Grievance. USAS or any member of USAS may file a complaint pertaining to any matter within the jurisdiction of USAS, including but not limited to any alleged violation of or grievance concerning: (i) any USAS rule or regulation, (ii) any USAS program or service, (iii) any provision of USAS’s Bylaws, or (iv) any provision of the Ted Stevens Olympic and Amateur Sports Act relating to USAS’s recognition as a National Governing Body.

b. Disciplinary Proceeding. USAS or any member of USAS may file a complaint against another member of USAS, or former member of USAS if the action occurred while the individual was a member, regarding any alleged violation of USAS’s Code of Conduct, USAS’s SafeSport Policy, or any other rule or regulation relating to conduct.

c. Right to Participate. Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individuals opportunity to participate in a USAS competition or protected competition. Any such aggrieved athlete or coach may file a protest or complaint pertaining to any such denial of that individual’s opportunity to participate in a USAS National Team program.

d. Membership. USAS may file a complaint against any member seeking to revoke such member’s membership in USAS.

e. Appeals. Any individual subject to a decision of a hearing panel of a Local Association or the Local Association may file an appeal to the USAS Judicial Committee subject to the requirements of Section 15.17.
Section 16.2. Agreement to Be Bound.

Any member of USAS, by reason of membership, agrees to be subject to these compliant procedures and agrees to be bound by any decision rendered pursuant to these complaint procedures, including its mandatory arbitration provisions.

Section 16.3. Resolution Prior to Bringing Complaint.

Prior to the filing of a complaint, USAS may, as appropriate, offer the respondent a proposal to resolve the matter. The respondent may accept or reject such proposal. If rejected, the respondent shall be entitled to a hearing on the merits.

Section 16.4. Manner of Filing.

The complainant shall file the complaint with the Judicial Committee. The complaint shall set forth in clear and concise language, preferably in numbered paragraphs: (i) the alleged violation, grievance, denial or threat to deny, and (ii) the remedy requested. The complainant shall sign the complaint.

Section 16.5. Filing Fee.

A complaint filed by an individual shall be accompanied with a $300.00 filing fee. A complaint filed by an organization shall be accompanied with a $500.00 filing fee. The complainant may request that the filing fee be reduced or waived for reasons of significant financial hardship. If such request is made, the hearing panel appointed by the Chair of the Judicial Committee, or his/her designee, shall determine whether or not to reduce or waive the filing fee. If USAS brings a complaint, it is not required to pay a filing fee.

Section 16.6. Statute of Limitations.

A complaint filed under this Section shall be filed within one hundred and eighty (180) days (i) of the occurrence of the alleged violation, grievance, denial or threat to deny of opportunity to participate or (ii) of date the injured party first learns, or by which such person reasonably should have learned, of the facts and circumstances giving rise to the cause of action. There shall be no time bar for actions regarding athlete safety or SafeSport proceedings.

Section 16.7. Doping Decisions.

A decision concerning a doping violation adjudicated by the independent anti-doping organization designated by the USOC to serve as the U.S. National Anti-Doping Organization (currently the United States Anti-Doping Agency) shall not be reviewable through, or the subject of, these complaint procedures.
Section 16.8. SafeSport Decisions. A decision concerning a SafeSport violation adjudicated by the independent safe-sport organization designated by the USOC (currently the United States Center for SafeSport) shall not be reviewable through, or the subject of, these complaint procedures.

Section 16.9. Field of Play Decisions.

The final decision of an umpire or referee during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the umpire or official) shall not be reviewable through, or the subject of these complaint procedures unless the decision is: (i) outside the authority of the umpire or official to make, or (ii) the product of fraud, corruption, partiality or other misconduct of the referee. For purposes of this Section, the terms “umpire and official” shall include any individual with discretion to make field of play decisions.

Section 16.10. Administration.

The Judicial Committee shall generally administer and oversee all administrative grievances and right to participate matters filed with USAS. The Judicial Committee shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner. Respondents shall be afforded basic due process protections. The Judicial Committee may promulgate procedures in addition to those set forth in these Bylaws for the effective administration of complaints filed with USAS. All complaint procedures shall comply with the Ted Stevens Olympic and Amateur Sports Act.

Section 16.11. Hearing Panel.

Upon the filing of a complaint, the chair of the Judicial Committee Chair, or his/her designee, shall appoint a hearing panel consisting of three (3) individuals to hear the complaint. The chair of the Judicial Committee, or his/her designee, shall also appoint a chair of the hearing panel from the three individuals selected. Judicial Committee members may be appointed to and serve on the hearing panel. Other disinterested individuals identified by the Judicial Committee may also be appointed to and serve on the hearing panel. At least one (1) member of the hearing panel shall be an athlete. Members of the panel need not be members of USAS or involved in the sport of softball. If the chair of the Judicial Committee is not able to fulfill his or her responsibility, he or she shall appoint a member of the Judicial Committee as designee.

Section 16.12. Conduct of the Proceeding.

The hearing panel shall rule on all motions and other matters raised in the proceeding. If the complaint is not dismissed, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary. The hearing shall be informal, except that testimony shall be taken under oath.
The hearing may be conducted by teleconference as determined by the hearing panel. The hearing panel shall take into consideration the convenience of the parties, timing considerations and how best to receive evidence. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel shall have the right to question witnesses or the parties at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. However, a hearing held on an expedited basis shall not be delayed on account of the unavailability of a court reporter. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript. Transcripts shall be made available to the hearing panel at no cost to the hearing panel.

Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the chair of the Judicial Committee, or his/her designee, is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Where a complaint is filed involving selection of an individual or team to participate in a competition, or the participation of an individual or team in a competition, the complainant shall include with the complaint a list of all other individuals or teams, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The adverse party to the complaint shall also submit a list of individuals or teams, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine those individuals or teams who must receive notice of the complaint. USAS shall then be responsible for providing appropriate notice to these individuals or teams. Any individual or team so notified shall have the option to participate in the proceeding as a party. If an individual or team is notified of the complaint, then that individual or team shall be bound by the decision of the hearing panel even though the individual or team chose not to participate as a party.

Section 16.15. Interim Measures.

In disciplinary, athlete safety or SafeSport matters, prior to the matter being heard on the merits, it may be necessary to implement interim measures against the respondent in the
following circumstances: (i) to ensure the safety or well-being of others, or (ii) where an allegation is sufficiently serious. Where either such circumstance exists, USAS may immediately implement interim measures to protect others, provided the respondent is afforded an opportunity for a provisional hearing within three (3) business days of implementation of the interim measure except in right to participate matters in which expedited procedures pursuant to Section 16.13 are requested. The provisional hearing is not a full hearing on the merits. The sole issue before the hearing panel is whether there is probable cause to impose an interim measure. Interim measures may include, but are not limited to altering training schedules, providing chaperones, limiting contact, removal from the venue and suspensions.

Section 16.16. Decision.

A decision shall be determined by a majority of the hearing panel. The hearing panel’s decision shall be in writing and distributed to the parties.

Section 16.17. Arbitration.

Subject to the requirements herein, any party may appeal to the American Arbitration Association (AAA) a decision of a hearing panel of the USAS Judicial Committee. To initiate the appeal, the appealing party shall file a claim with the AAA with notice to USAS. The arbitrator(s) appointed by the AAA shall have the authority to decide the matter in accordance with the Commercial Rules of the AAA, as provided for by the Ted Stevens Olympic and Amateur Sports Act, as amended from time to time (36 U.S.C. §§ 220501 et seq.). The person commencing the arbitration shall be responsible for any filing fees of the American Arbitration Association, but the fees may be apportioned by the arbitrator(s) pursuant to the Commercial Rules of the AAA. To the extent arbitration hearings or proceedings are conducted, all such arbitration hearings or proceedings shall be conducted in Oklahoma City, Oklahoma. However, a party may petition the arbitrator(s) to conduct the hearing or proceedings in a different location, provided adequate reasons are given for doing so. The arbitrator(s) shall have authority to render a ruling on the location of the hearing or proceeding. Hearings and proceedings may also be conducted telephonically if permitted by the arbitrator(s). The award of the arbitrator(s) shall be final, binding and conclusive on all parties. The arbitrator(s) shall issue a reasoned decision explaining the award.
