

Membership Report USAAS Convention 2022

First off, I would like to thank Tori Johnson for her years of dedication to the Membership Committee as she has decided to step down from her position on the committee. We welcome new representatives Claire Barton, Ginny Jasontek, and Natalia Vega to the Membership Committee. Also, thank you for the continued support from the current committee members Eugenia Gillian, Caroline Karolinko, Vicky Knudsen, Morgan Kolsrud, Karen McGann, Ludi Perrin, Megan Robins, and Emmanuella Tchakmakjian.

The committee had a very lengthy discussion about an overhaul of Appendix C. These changes would remove the section of Championship Fees, and leave the fiscal analysis of the fees to the National Office. There was much discussion on this, but came to an agreement that the National Office would supply the fee amounts by June 1st, so clubs would have time to plan their fiscal year each upcoming season. With the increasing fluctuation of pricing, this is necessary to make sure that each Championship Meet is a profitable event.

The Membership Committee also has multiple projects in the works. Once the new rules from FINA are available, we will be able to get down to work!

Respectfully submitted,
Megan Loehndorf
Membership Committee Chair
