APPENDIX U

CONFLICT OF INTEREST POLICY
(Revised by Board of Directors – January 30, 2022)

Amendments to this Appendix U are the responsibility of the Board of Directors.

INTRODUCTION

Those who choose to serve USA Artistic Swimming, Inc. ("USAAS") are held to a high standard of conduct. They must do so without personal gain in order to avoid any institutional loss or embarrassment and to behave in such a way that the organization's trust and public confidence are enhanced. It is important to properly disclose and react to any conflict of interest, actual or perceived.

While no set guidelines can guarantee acceptable behavior, the principles that guide behavior in this area are disclosure, and non-participation in the decision-making process where personal, family or professional gain is a possibility. Any individual accepting the honor of serving USAAS must also accept the burdens of public disclosure and public scrutiny.

In our complex society the intermix of volunteer work, business interests, governmental activity, and family relationships (as defined as 1.01 B) often creates potentially conflicting interests. It is imperative that individuals recognize and attempt to avoid any activity or investment that constitutes or might appear to constitute a conflict of interest. Although not all conflicts of interest can be anticipated or identified herein, examples of conflicts of interest include, but are not limited to:

- Making decisions that could place personal, family, financial or professional interests ahead of those of USAAS.
- Making decisions that could place the interests of your club or team, your club or team’s athletes or your business ahead of those of USAAS.
- Using, or allowing others to use, USAAS properties, services, opportunities, authority and influence for private benefit.
- Failing to exhibit honesty, loyalty, candor and professional competence in relationships with USAAS directors, employees, members, and contractors.

ARTICLE 1

1.01 Definitions:

A. Interested Party(ies): This Appendix U applies to the following individuals ("Interested Party(ies)"):
   - USAAS Employees;
   - Members of the Board of Directors;
   - Committee Members; and
   - Contractors.
   Note: Applicable to Athlete Representatives serving in one (or more) of the above-mentioned categories.

B. Family relationship(s): For the purposes of the USAAS disclosure process, “family” is defined as spouse, child, stepchild, parent, sibling, domestic partner, parent of spouse/domestic partner, and sibling or child of domestic partner.

C. Conflict of Interest: USAAS defines a Conflict of Interest as any situation in which an Interested Party (or the Interested Party’s family member or close associate’s activities) is in a position to derive, or be perceived to derive, personal benefit from actions or decisions made in their official capacity. Further, it is the existence of a personal or financial relationship with the Interested Party (and/or a family member or close
associate) that could influence, or be perceived to influence, an Interested Party’s objectivity when representing or conducting business for, or on behalf of USAAS.

For example:
- An Interested Party benefits financially as part of a contract negotiation on behalf of USAAS,
- A committee member is the former coach of a National Team athlete,
- The Board of Directors is contemplating a Conflict of Interest disclosure of a sibling of an Athlete Representative,
- An Athlete Representative serves on a committee hearing a Team selection grievance wherein they were selected to be on the Team in question.
