The Vice President Olympic International (or Designee) and the USOPC-AAC Representative (or Designee) will be present during the final decision-making process which will include a review of the athlete evaluations, results and discussions to ensure compliance.

- B. **Training and Competition Requirements:** All selected athletes must continue full-time training at the National Training Center to be eligible to compete at the 2023 FINA World Championship (unless otherwise agreed in writing with the High Performance Manager or Designee).

If a selected athlete does not continue with full-time training (unless otherwise agreed upon by the High Performance Manager or Designee), this athlete may no longer be considered a member of the Senior National Mixed Duet, and a replacement athlete will be selected instead.

If an insufficient number of athletes accept their selection to the 2023 Senior National Mixed Duet, the High Performance Manager (or Designee) has the right to revise the overall plan for the 2023 Senior National Mixed Duet.

- C. **Replacements:** Replacement athletes for the Senior National Mixed Duet shall be selected in rank order from Phase 5, then Phase 4, then Phase 3, then Phase 2, then Phase 1 of the 2023 Senior National Mixed Duet Trials. Replacement athletes must be able to demonstrate competitive readiness as determined by the High Performance Manager (or Designee), and the National Team Coaching Staff.

5.05 PETITIONS

- A. Any Senior athlete who has successfully petitioned the National Team Review Subcommittee, pursuant to the Exception noted below, may also be considered for placement on the 2023 Senior National Mixed Duet. Consideration is regardless of their prior participation or ranking in any of the Selection Process that has taken place.

- B. Petitions must be submitted prior to the end of the Trials event and any successful petitioner must be present at the start of National Team training.
- C. The National Team Review Subcommittee approves or denies the petition. However, the High Performance Manager (or Designee), in consultation with the National Team Coaching Staff, may replace the last ranked athlete(s), with one or more petitioners added from Section 5.05 A. above to finalize the 2023 Senior National Mixed Duet.

EXCEPTION: In the event of an athlete injury or illness as certified by a Physician approved by USA Artistic Swimming, or an extreme personal or family emergency or any other extenuating circumstances prior to or during the Senior National Mixed Duet Trials, which precludes the athlete from participating in the Trials, the athlete may petition the National Team Review Subcommittee. If the petition is approved, the successful petitioner shall be reinserted into the Selection Process at the appropriate Phase as an additional athlete.

US ANTI-DOPING AGENCY, WORLD ANTI-DOPING AGENCY ATHLETE SELECTION CRITERIA AND ATHLETE RETIREMENT NOTIFICATION PROCEDURES

6.01 US Anti-Doping Agency (“USADA”), World Anti-Doping Agency (“WADA”) Athlete Selection Criteria:

This procedure outlines the athlete selection criteria to meet the requirements of USADA, WADA and Federation Internationale de Natation Amateur (“FINA”) for Out-Of-Competition (“OOC”) testing. USA Artistic Swimming (“USAAS”) will notify USADA, WADA and FINA of the athletes who meet the criteria. It is the responsibility of the athlete to maintain current documentation with USADA, WADA and FINA once the athlete is participating in the program. Severe sanctions can be imposed on the athlete, as well as the federation, if this requirement is not met. It is the responsibility of the athlete to become acquainted with the responsibilities in regards to compliance with these important requirements.

- A. **United States Anti-Doping Obligations:** It is the duty of members of USAAS to comply with all anti-doping rules of FINA, USADA, WADA, and the United States Olympic and Paralympic Committee (“USOPC”), including but not limited to the USADA Protocol for Olympic and Paralympic Movement Testing (“USADA Protocol”) and the USOPC National Anti-Doping Policy, and all other policies and rules adopted by FINA, USADA, and WADA. Members agree to submit to drug testing by FINA and/or USADA or their designees at any time and understand that the use of methods or substances prohibited by the applicable anti-doping rules make them subject to penalties including, but not limited to, disqualification and suspension. If it is determined that a member may have committed a doping violation, the member agrees to submit to the results management authority and processes of USADA, including arbitration under the USADA Protocol, or to the results management authority of FINA and/or USAAS, if applicable or referred by USADA.

6.02 Athlete Retirement Notification to USADA, WADA and FINA:

All athletes on the current OOC list must submit an official Retirement Letter to each of the above agencies once a decision to retire from the sport has been reached. This can only be done by the actual individual retiring from competition. Athletes will remain on the list, and therefore subject to OOC testing and to technical and financial sanctions, if a Retirement Letter is not received by the above organizations.
