Member,

As you authorized, a consumer report was obtained in connection with your registration for a position with USA Artistic Swimming. No action has been taken regarding your registration at this time, and this letter is NOT a denial. However, USA Artistic Swimming has requested the National Center for Safety Initiatives, LLC to inform you on their behalf that USA Artistic Swimming may take an adverse action in the future and deny your participation/association with USA Artistic Swimming based, in whole or in part, based upon the criminal records in the attached consumer report. This consumer report has not been sent to USA Artistic Swimming as of this date but may be sent to them in the future. We have enclosed in this letter a copy of your consumer report along with a copy of the Bureau of Consumer Financial Protection (BCFP)'s "A Summary of Your Rights Under the Fair Credit Reporting Act" and applicable state law notices (if any).
